THE DEFECT WAS FATAL
Omission of Seal On Summons Copy.

Chinese Child Adopted By Dead Father's Brother.

Lahainaluna Injunction Stands. Divorce Contempt Purged. Foreclosure Suit.

Judge Robinson granted the motion of W. T. Rawlins for defendant, in the suit of Thomas Mullen vs. John Walker, to dismiss the action for want of service. The fatal defect consisted in the omission of the court seal on the copy of summons given to defendant. In deciding the point the judge stated that the seal was of substance and not merely of form. T. McCants Stewart for plaintiff filed a motion for leave to amend summons, but the court ruled it had no jurisdiction whatever of the case. Exceptions were noted to both rulings.

ADOPTION DECREE.

Judge De Bolt signed a decree for the adoption of Doo Kam Chin, a minor, by Doo Joe. The minor is a boy four years of age, whose father is dead and mother in destitute circumstances. Doo Joe is a brother of the minor's deceased father. E. M. Watson represented the petitioner.

A separate answer has been filed by each defendant in the suit of R. C. A. Peterson vs. F. J. Church and wife, denying every allegation. F. E. Thompson is attorney for defendants.

INJUNCTION APPEAL WITHDRAWN.

Lucas Brothers by their attorneys, Kinney, McClanahan & Cooper, discontinue their appeal in the injunction suit of Herbert Kendall vs. C. S. Holloway, Superintendent of Public Works, and Lucas Brothers, wherein a contract for erecting the Lahainaluna Seminary buildings was enjoined.

A remittitur of Allen & Robinson, Ltd., vs. Annie Schrei Reist from the Supreme to the Circuit Court is filed.

After hearing the foreclosure of mortgage suit of Henry E. Cooper vs. Hawaii Realty Co. and J. A. Gilman yesterday, Judge Gear took it under advisement. Cooper and Derby appeared for plaintiff; Withington for defendants. The defense is that taxes paid by defendants should be credited

THE WORRIED WOMEN.

They say men must work and women must weep; but alas, in this too busy world women often have to work and weep at the same time. Their holidays are too few and their work heavy and monotonous. It makes them nervous and irritable. The depressed and worried woman loses her appetite and grows thin and feeble. Once in a while she has spells of palpitation and has to lie up for a day or two. If some disease like influenza or malarial fever happens to prevail she is almost certain to have an attack of it, and that often paves the way for chronic troubles of the throat, lungs and other organs; and there is no saying what the end may be. Let the tired and overladen woman rest as much as possible; and, above all, place at her command a bottle of

WAMPOLE'S PREPARATION
a true and sure remedy for the ills and maladies of women. It is palatable as honey and contains all the nutritive and curative properties of Pure Cod Liver Oil, combined with the Compound Syrup of Hypophosphites and the Extracts of Malt and Wild Cherry. Search the world over and you will find nothing to equal it. Taken before meals it improves the nutritive value of ordinary foods by making them easier to assimilate, and has carried hope and good cheer into thousands of homes. It is absolutely reliable and effective in Nervous Dyspepsia, Impaired Nutrition, Low Vitality, Wasting Conditions, Melancholy, Chlorosis, Scrofula, and all troubles of the Throat and Lungs. Dr. E. J. Boyes says: "I have found it a preparation of great merit. In a recent case a patient gained nearly twenty pounds in two months' treatment, in which it was the principal remedial agent." It carries the guarantee of reliability and cannot fail or disappoint you. At chemists.

to interest account, in which case the interest would not be in default.

Anton Joseph purged himself of contempt in his wife's divorce suit by paying up the temporary alimony that was delinquent.

CHRONIC DIARRHOEA.—For several years during the summer months I have been subject to looseness of the bowels, which quickly ran into a very bad diarrhoea and this trouble was frequently accompanied with severe pain and cramps. I used to call on doctors for my trouble but it became so regular a summer affliction that in my search for relief, I became acquainted with Chamberlain's Colic, Cholera and Diarrhoea Remedy, which proved so effective and so prompt that I came to rely exclusively upon it, and what also happily surprised me was that while it almost instantly relieved the cramps and stopped the diarrhoea, it never caused constipation. I always take a bottle of it with me when traveling.—H. C. Hartman, Anamosa, Iowa, U. S. A. For sale by all dealers. Benson, Smith & Co., Ltd., agents for Hawaii.

German Samoan Trouble.

The Samoan Faipule recently sent a letter from Mulinuu to Governor Lolf of German Samoa, demanding that a royal salute be accorded to Mataafa, the Samoan chief; that all officials have uniforms; that the Governor produce quarterly balance sheets, and that all ordinances be countersigned by Mataafa before becoming valid. Governor Lolf gave the Faipule some plain talk in reply and they apologized to him in another letter. Mataafa had not had anything to do with the seditious communication, but expressed sorrow for the incident. The Governor attributes the action of the native council to mischief-making whites.

Divorce is Sought.

A libel for divorce was filed by Aho alias Chock Ho in the Third Circuit Court against Akala Pae. The complaint recites that the parties were married on the 24th day of December, 1891, and that the defendant deserted her husband within nine months and is now living in Honolulu.

FAKE HEALTH MAN UP AGAINST IT

Keen work by Detective Arthur McDuffie landed John Kaa, a Hawaiian youth of twenty-one or twenty-two years, in the police station charged with highway robbery, although the charge is likely to be changed to that of burglary in the first degree.

Young Kaa finding that money-making by the ordinary process was too slow and uninteresting hit upon the happy idea of impersonating a health inspector and robbing the houses he gained entrance to in this capacity. He procured a badge inscribed "Hawaiian Inspector" and sallied forth. His method was to enter a house and begin to take measurements with his tape. Then he would send the owner to take measurements of the outside or do some other errand. Meanwhile the "inspector" made a rapid inspection of the householder's valuables.

Chinese and Japanese compose the bulk of his many victims and there are already about forty complaints lodged against him. Today nine Chinese identified him as the man who had victimized them. Complaints have been coming in for about six months. About \$400 in money were stolen besides numerous watches. Kaa confessed the whole thing and took McDuffie around to the places where he had disposed of the watches. These were Chinese and Japanese jewelry shops. At one place he sold six, at two places five each and at another place one. Eight new watches were stolen from one Yosheda who keeps a store on Punchbowl street between King and Queen. From a Chinese shop on Waikiki road \$12.75 was taken. The last haul was \$100 and a gold watch from a Chinese at Moanalu.

The detective found Kaa in his room asleep yesterday afternoon. In the room was his badge, tape measure and two memorandum books. One of these was filled with measurements and notes, part of his health inspector bluff and the other contained a record of his thefts since May 1. When asked why he kept this account Kaa replied, "I wanted to see how much I made this month." Kaa said he worked alone. His brother was arrested on suspicion but released as no connection between him and the offenses could be shown. According to the police Kaa has been in the reformatory.

IMMIGRATION STATION BIDS TO BE OPENED

Bids for the construction of the United States Immigration Station will be opened at the office of O. G. Traphagen, the architect in charge, on Friday afternoon.

ALL HACKS MUST PAY
The Attorney General's Office Reverses Itself.

The Attorney General's Department has reversed itself on a question of hack licenses, the diverse opinions being rendered under different administrations. Regarding the position taken by the Treasury Department as stated in the opinion of Attorney General Andrews overruling it, the authority was contained in an opinion rendered by former Attorney General E. P. Dole on file in the Treasurer's office. There are passenger vehicles for hire to be found at almost every important stage of travel in the Territory, besides those at the towns mentioned in the license law, and according to the following opinion of the Attorney General they are subject, their drivers besides, to regulation by license:

Honolulu, July 13, 1904.

A. J. Campbell, Esq., Treasurer Territory of Hawaii.

Dear Sir: At the request of Sheriff Andrews who claims there is some controversy between the Treasury Department and the Police as to the collection of licenses for passenger vehicles, I would state as follows:

I understand that the Treasury Department claims that hackmen outside of Honolulu, Lahaina, Wailuku and Hilo do not have to pay a license. This subject is covered by sections 789 and 790 of the penal laws of 1897, section 789 being amended in 1901 by the addition of the word "Lahaina." The original laws were passed in 1896 by Act 63 of the legislature of that year. Section 789 aforesaid by its last clause shows that as to freight, drays, carts and wagons there is no license except in the districts named, but section 790 clearly sets forth that as to passenger vehicles a license is required of everybody in the Territory. There is also required a license for drivers who drive their licensed vehicles.

Yours truly,
LORRIN ANDREWS,
Attorney General.

PEOPLE WE KNOW

They Are Honolulu People and What They Say is of Local Interest.

When an incident like the following occurs right here at home, it is bound to carry weight with our readers. So many strange occurrences go the rounds of the press; are published as facts, people become skeptical. On one subject skepticism is rapidly disappearing. This is due to the actual experience of our citizens, and their public utterances regarding them. The doubter must doubt no more in the face of such evidence as this. The public statement of a reputable citizen living right in Honolulu, one whom you can see every day, leaves no ground for the skeptic to stand on.

Mrs. N. Joseph lives at the corner of Liliha and King streets, this city. She states as follows: "I was troubled for seven months with a lame back, and also suffered from occasional attacks of chills. These various complaints made my condition by no means a happy one, so that I much desired some remedy which would bring relief. This I found in Doan's Backache Kidney Pills, some of which I obtained at the Hollister Drug Co.'s store. I am pleased to say that they gave me not merely temporary but permanent relief and I have not the least hesitancy therefore in recommending Doan's Backache Kidney Pills. They are a good kidney medicine."

Doan's Backache Kidney Pills are for sale by all dealers at 50 cents per box, (six boxes \$2.50). Mailed by the Hollister Drug Co., Ltd., Honolulu, wholesale agents for the Hawaiian Islands.

MIGHTY WRESTLERS TO MEET IN SAND PIT

A new Japanese wrestler has come to the front to try and take the champion's title from the present holder, Makaminato. His name to the Japanese is "Steam-plow" and he is said to have the strength and cunning of five men. He is from Kauai while the present champion is from Honolulu.

Another wrestler may yet be heard from. He is also a Kauai Japanese and is over six feet in height, something quite unusual.

It is probable that the champion and the would-be champion will meet tonight at the Aala street theater.
