### SONS OF MARS DANCE

### Hops at Hotels—Flag Day Ball—Moana Concert.

The air was alive with dance music last evening both at the Alexander Young and the Royal Hawaiian hotels where the officers and ladies of the transport Logan and the officers of the naval transport Solace were entertained by the respective managements.

The hop given at the Alexander Young hotel was a brilliant affair, and was largely attended both by transport people and townsfolk. The Ellis quintet furnished music which was a source of delight to the visitors, the Hawaiian airs being especially pleasing to them. The dance was given in the makai ball-room which was brilliantly lighted. The ladies wore light evening gowns giving a kaleidoscopic grouping of colors which was offset by the white and gold uniforms worn by the army and navy officers. For once there were more of the gentler than sterner sex present, and the oldest of the army officers had to get out and be a dashing young subaltern again and dance as he did when at West Point. Manager Lake was cordially thanked by the officers and ladies for a most delightful evening and a pleasant break in the voyage.

At the Hawaiian Hotel the Waikiki lanai was used for dancing, Solomon's quintet furnishing old-time Hawaiian music which was a pleasure to the guests. The army and navy people present enjoyed themselves thoroughly.

FLAG DAY BALL. Manager Lake of the Alexander Young Hotel proposes to give a big Flag Day ball on Friday evening at the Young Hotel, in honor of the sixth anniversary of the raising of the American flag over the Hawaiian Islands. There is also proposed a reception to Governor and Mrs. Carter to welcome them on their return from the mainland. Acting Governor Atkinson has the matter in hand at present.

CONCERT AT THE MOANA. The Hawaiian Government Band will give a concert this evening at the Moana Hotel, using the quaint bandstand beneath the hou tree overhanging the beach. There will be sufficient chairs and benches for a large audience. The concerts at the Moana are growing in popularity and Bandmaster Berger has prepared an excellent program for this evening.

### ENGLAND'S BUSY MINT.

Birmingham, Eng., has a mint which, in addition to turning out millions of English coins, does more in the way of supplying foreign governments with coin than any other money-making establishment in the world. A few days ago it shipped the first installment of a huge Egyptian order for 10,000,000 piasters. The consignment weighed five tons, was conveyed in sixty cases and valued at \$15,000,000. For well over a century Birmingham has taken the lead in this literal kind of money-making. As far back as 1797 one firm coined under contract for the British government 4,000 tons of copper coins, valued at about \$4,000,000. Among the countries and governments which have gone time after time to Birmingham for their money are India, Tunis, Canada, Turkey, China, Hongkong, Haiti, Sbravak, Tuscan Venezuela and Chile.

In some instances, notably in that of China, the coins were not made in Birmingham. As a matter of fact, no Chinese coin has, so far as is known, ever been made outside the celestial empire. The pride and prejudice of the Chinese have to be humored, so the firm sent out a complete plant, with men to operate it, and the coins were struck in China. No fewer than eight separate plants have been sent out to China in that way.

For the new kingdom of Italy the same thing was done in 1862, 1,600 tons of "blanks" being shipped to furnish the raw material. Again, in Marseilles, when the re-establishment of the empire under Napoleon III. rendered necessary a new copper coinage, 750 tons of metal were in this way turned into money on French soil.—Philadelphia Public Ledger.

Honolulu Branch of the Theosophical Society meets now and until further notice in Kapiolani building, room No. 22, at 7:30 on Tuesday and Thursday evenings. Visitors welcome.
