"THE SPY" TOMORROW

Best Amateur Play Yet Staged Is Now Ready.

"The Spy" is on the boards for tomorrow evening at the Hawaiian Opera House and promises to be the most polished amateur performance ever staged in this city. The production is to be given for the most laudable purpose of raising much needed funds for the National Guard of Hawaii, a fact which will undoubtedly attract as well as the known merit of the play and the popularity of the players.

Last night and Monday night there were full rehearsals for the properties, timing the scenes, acts, etc. A final full dress rehearsal will be held in the Opera House this evening which will put on the last finishing touches.

JUDGE HATCH SUES COLONEL NORRIS

F. M. Hatch filed suit in assumpsit against Samuel Norris yesterday. He alleges that in July, 1898, he was retained by Col. Norris to defend him in two suits: Hawaiian Agricultural Co. vs. Sam Norris and J. O. Carter vs. Sam Norris. Norris paid Hatch \$500 as a retainer. Mr. Hatch defended the Colonel successfully in both cases and claims that his services were worth \$1500 more. Norris refuses to pay, and Hatch prays for judgment for the sum and costs.

GERMAN BAZAAR READY SATURDAY

At noon next Saturday the German Bazaar will open and will remain so until late in the evening. The Bazaar will be conducted on the lawn at the residence of German Consul Isenberg, corner of Punahou street and Wilder avenue. It will open with a German lunch, which is being prepared especially with a view to attracting business men. Pretty maids and matrons in quaint German costumes will be the waitresses. The restaurant booth will occupy a large space on the lawn and will be provided with small tables daintily covered. The German band is preparing for the occasion and will play during the lunch hour, as well as during the afternoon and evening.

The Bazaar will have on display a large quantity of German-made toys which arrived recently from the Fatherland on a sailing vessel. There will also be wares for sale from German Samoa.

TAKETA IS NOW A MURDERER

Taketa, the Jap arrested at Kahuku nearly two weeks ago for stabbing a fellow countryman will now be charged with murder. Fujita, his victim, died last night at the Queen's Hospital at 8:45. A coroner's jury was immediately sworn in and taken to see the body. The inquest will take place at noon today. The jury is made up of W. R. Chilton Jr., Geo. L. Desha Jr., L. D. Timmons, Albert Lucas, A. S. Crook and Walter Coombs.

THREE EXPERTS TO REPORT BETTER SYSTEM OF ACCOUNTS

W. W. Harris, L. L. McCandless and R. H. Trent, were yesterday appointed as Commissioners to examine the Territorial Accounts with a view to introducing a better system than at present prevails. This commission is authorized by a joint resolution of the past Legislature.

"The question came up," said Governor Carter yesterday, "as to whether a member of the legislature could hold such a commission. The Organic Act reads:

"No member of the legislature shall, for the term during which he is elected, be appointed or elected to any office of the Territory of Hawaii."

"What is an office? An office is a position created by law of regular standing, or for which the legislature has made an appropriation.

"A man who is on the pay-roll is not an office-holder, but one who is on a salary is an office-holder. For instance, a laborer who is on the pay-roll is not an office-holder.

"If this commission were appointed for permanent work, or authorized by law for permanent work, as any other Bureau of the Territory, it would be different. But it is in a measure like appointing a member on the County Act Commission. But this is work of a temporary character and that puts it in a separate class.

"The object of appointing members of the legislature to the office is this: The study of our system of accounts, and the time put on it, will give any person engaged in the work a good insight into the whole workings of the territory and each office under it and the commissioner will have a good idea of the whole situation.

"A legislator on this commission will be well informed as to the workings of the government and the country will benefit by his experience. That is the reason I have selected members of the legislature, including Mr. Trent. I have picked out men whom I thought were public spirited and who will be able at some future time to give back to the Territory the benefit of their investigations."

CHILD CAST IN THE COMING OPERETTA

If the Sierra arrives Wednesday morning as expected the children who have been invited to take part in the operetta "The House That Jack Built" are desired to meet Miss Martin, the director, at the Castle Kindergarten, King street, Thursday afternoon immediately after school, that is, shortly past two o'clock.

Attendance at rehearsal is imperative in order that Miss Martin may be able to put on the operetta in the time promised. No children who are persistently absent from rehearsals the first weeks can expect to be in the production later on. A roll call will be made at each rehearsal and children unless ill are expected to be prompt.

Below is a general list of the children who have consented to help. If by chance some child's name is not in this list (who has been asked to help) he must come to rehearsal any way, as in a list of over two hundred children some name could easily have been overlooked unintentionally. A more descriptive list will be made later on for the programs.

OLD PLANTERS

THE HAWAIIAN GAZETTE CO. HAS, AT CONSIDERABLE EXPENSE, SUCCEEDED IN COMPLETING A LIMITED NUMBER OF SETS OF PLANTERS' MONTHLIES FROM VOL. I OF 1882 UP TO THE FIRST OF THE PRESENT YEAR.

OF THE EARLIER NUMBERS, LONG SINCE OUT OF PRINT, MANY ISSUES WERE ENTIRELY EXHAUSTED, MAKING IT NECESSARY TO RESET AND REPRINT ALL SUCH NUMBERS, THUS ADDING MATERIALLY TO THE COST. THIS EXTRA EXPENSE WAS MORE THAN JUSTIFIED, HOWEVER, BY THE VALUABLE NATURE OF MUCH OF THE MATTER CONTAINED IN THESE OLD NUMBERS, MATTER THAT CANNOT BE FOUND ELSEWHERE THAN IN THESE BOOKS AND THAT IS VALUABLE REALLY BEYOND PRICE TO THE PLANTATION INTERESTS.

THESE PLANTERS ARE UNIFORMLY BOUND IN FULL LAW SHEEP, GIVING THEM AN ATTRACTIVE APPEARANCE IN ADDITION TO THEIR DURABILITY.

ANYONE DESIRING A COMPLETE SET, OR ANY PART OF A SET, WOULD DO WELL TO COMMUNICATE WITH THE GAZETTE CO. AT AN EARLY DATE, AS THERE ARE BUT VERY FEW SETS AVAILABLE AT THE PRESENT TIME, AND IN ORDER TO COMPLETE MORE SETS IT WILL BE NECESSARY TO RESET AND PRINT MORE BACK NUMBERS, THUS INCREASING THE COST STILL MORE.

MATTRESSES

When the business of J. Hopp & Co., furniture dealers and upholsterers, was established about twenty-seven years ago one of the first articles delivered by the concern was a mattress. The firm is still making mattresses and during the past few weeks has moved this department of its business into clean, airy and fireproof work-rooms—and old employees are still making the mattresses. Two of our mattress makers have been making mattresses for us for over twenty years with the result that their experience in making ones that will last has become very valuable.

We make two grades of hair mattresses, two kinds of floss mattresses, moss, excelsior, straw, and have them in stock and can make them so that they will fit any bed. Sometime ago we imported the Patent Ostermoor Elastic Felt Mattress. Over half of the entire shipment has been sold and all who have purchased them are well satisfied.

Look over your mattresses. If you need new ones we will be pleased to figure with you.
