HIGH SCHOOL VICTORIOUS

In the last game of football to be played by the Inter-Scholastic League, the High School defeated the Kams by a score of 5 to 0. This is the first game that the High School succeeded in winning and they certainly played a stiff one. It was the hardest fought contest that has taken place on the Punahou field this year.

L. Judd, referee, blew the whistle for the kickoff at 3:40 p. m. and the struggle was on. The High School kicked off to Bill Meyer, who cleverly avoided the opposing side and when he was finally downed, he had gained just 35 yards. It was a beautiful run and Meyer demonstrated that he is a comer in carrying the ball. The Kams held the ball for four unsuccessful bucks and then had to turn the pigskin over to the school boys. The High School boys at once started a sledge hammer buck on the Kam's guards and tackles and carried the ball from one end of the field to the other. They played a hard, consistent game and earned every inch that they gained. When they reached a safe distance, the High School tried for a place-kick, but the ball was blocked. R. Chillingworth fell on the ball. The High School netted fifteen yards. It was the Kam's ball near the middle of the field, they tried to kick but the ball went low and was blocked—in fact it went out of bounds where a High School man recovered it. After a lengthy discussion of the rules the ball was given to the school boys on the two-yard line. Sherwood bucked the line for the first touchdown. W. Chillingworth missed the goal. Score, 5 to 0.

Time was soon called and the teams took full advantage of the ten-minute rest.

The Kams kicked off for the second half and High School punted. Enthusiasm was down the field in fine shape and downed the runner in his tracks. The Kams fumbled and it was the High School's ball.

D. Sherwood at this stage of the game showed the Kams a "thing or two" in how to carry the ball; he sprinted twenty-five yards and soon after forty-five yards. These were the finest plays of the day. It looked as though the sturdy bunch from the H. S. would score but an unfortunate fumble gave the ball to the Kams. The ball changed hands twice on quick notice, fumbles being the cause. The High School carried the ball to within 1-2 yards of the Kam goal where they were held on downs by some pretty defensive work by the Kams. Meyer booted the ball to safe territory and the Kam admirers felt easier. The whistle blew while the ball was in the center of the field and the hardest game of the league was over.

The High School showed marked improvement over their former playing. They played faster and stronger than in any previous game.

The boys lined up as follows: Kams—Kao, c.; Robinson, r.f.; Smythe, l.g.; Meyers, l.t.; Hamauku, r.t.; Mahukona, l.e.; Campbell, r.e.; McCandless, l.h.; Dasha, r.h.; Oliver, f.; Lyman or Morton, q.; H. S.—Green, c.; Lightfoot, r.e.; W. Chillingworth, l.g.; De Fries, l.t.; Padaken, r.t.; R. Chillingworth, l.e.; Enau, r.e.; Sherwood l.h.; R. Clark, r. h.; Holt, f.; H. Williams, q.; Timekeeper, Dr. Sawyer. Referee, L. Judd. Umpire, Anderson. This game ended the season of 1904 with Oahu College as champions.

BASKETBALL

An excellent game of basketball was played on the Punahou grounds last Saturday between the teams of Punahou, 2nd, and High School, 2nd, resulting in a victory for the latter team, 13 to 7.

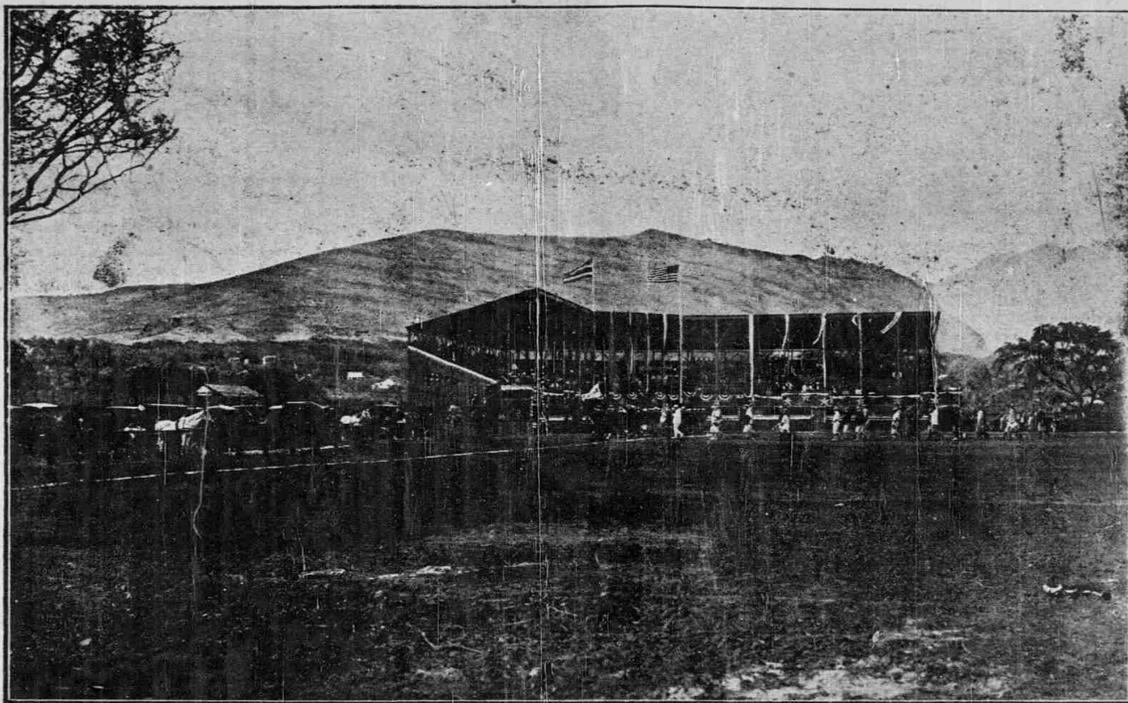

The teams lined up as follows: High School: Forwards, Ella Dwight, Leinella Emith; centers, Etta Cummings, Agnes Cassidy; guards, Maude O'Sullivan, Josephine Stone.

Punahou: Forwards, Ethel Taylor, Phoebe Herman; centers, Rena Bertle- mann, Alice Hedemann; guards, May Fraser, Claire Williams; substitute, Agnes Smith.

Mrs. Wesley K. Hamilton was referee. The Kamehameha 2nd and Punahou 2nd play next Saturday.

THEY SAY BRITT AND GANS FAKED

Some of the Eastern papers have taken up the Britt-Gans fight and are trying to make it appear as a fake. It looks to the people in the West as though the East were sore because they did not get the bout. The following is taken from an eastern sporting paper:

"Herford too smart for the Britts. That sums up the Gans-Britt contest at San Francisco in a nutshell.

"The terrific bombardment of this contest, framed as it was by dishonorable means, by this paper aided by the San Francisco Post, compelled the conspirators to alter the original program.

"Let me cite a circumstance to you that will convince all thinking men that the affair was a job.

"Bill Naughton, the apostle of honesty, the man who saw Jeffries and Fitz fake when no one else could see it, admits that Gans went to the floor without a blow on several occasions.

"Now, no one knows better than Eddie Graney that a man who goes to the floor without being hit, to evade punishment is committing a foul.

"This foul is as bad as hitting a man who is on the floor.

"If Gans committed a foul by going to the floor without being hit, why didn't this square referee disqualify the negro?

"Why did he go out of his way and disqualify the white boy when the blow that Britt is alleged to have hit Gans was not a decisive one in the battle. The apostle of honesty, the upholder of decency, W. W. Naughton, the pooh bah of pugilism in California, says in a de-patch to the East that: 'Gans was wide-eyed and open-mouthed. He was actually drabored from exhaustion and punishment. He had not one chance in a million of saving his championship laurels.

"Now the blow that caused the disqualification of Jimmy Britt is admitted to be a blow that could not change the result of the battle.

"As far as actual fighting went, Gans was outclassed.

"He had come to a weight which had taken away all chances of his winning, and the dirty work prevented by exposure in this journal had to be amended.

"Why, to prove the rottenness of this job, to show to my readers the flimsy structure of the game that Coffin, Graney and Herford had framed up, all that I need cite is a wire that I received from Alec Greggains on Oct. 29.

"I wired Greggains:

"What are the odds on the fight?"

"He answered:

"Gans favorite at 10 to 8. Plenty of Britt money but not a cent on Gans."

"This is what caused the change.

"It was found impossible, even with all of Big Bill Naughton and his Nursery Tales, to control the public of the great city of California.

"The job was so raw, so palpable, that even the newsboys and bootblacks on the street wanted to back Britt to win."

FOOTBALL TEAMS ARE HARD AT WORK

Both Punahou and the H. A. C. football teams are doing their utmost to put strong teams in the field Saturday. Each team realizes that it is going into a hard fight and that condition and team work will tell the story. They are both recalling the furious contest that took place last season in which neither team was able to score, thereby leaving the championship blank for the season of 1903. After this game both teams agreed to let the championship go over until this season.

Since their defeat at the hands of the Malles the Punahou have taken a decided brace and when the blue and gold trot on the field Saturday afternoon an entirely different line up will be seen. They have practiced hard and faithfully this week and will put up a glorious struggle to defend their reputation. All the old heroes—Waterhouse, Turner, Walker, Fuller, Morse and Anderson—are out in suits and doing everything they can to round the team into line for the battle. A general "shake up" has been made in positions and Sam Johnson, "Fish" Alexander and Judd will be seen on the line. Just who will play quarter has not been decided. Judd will go to fullback where he has been playing on the college team. In all, the team will present a much stronger front than was seen on Thanksgiving Day.

The H. A. C.'s have had no chance to show themselves this season, but it is whispered that they will bring out a stronger aggregation than they had last season. At first things looked blue for the giants, but of late they have got together and are playing in good form. They have had two teams on the field each evening, something entirely new to them. Barney Joy, the premier tackle of last season, is in fine shape and can be depended upon to play a smashing game. He has been carrying the ball in brilliant style and will gain many a yard for his team. Blaisdell, the gritty little quarter, will be behind the line and do the punting for the reds. Daves, the new halfback, will be "tried out" and should make a good showing. He is an old hand at the game and plays well both on offense and defense. Mark Houghtailing and Henry Cockett, the two giant guards, should be able to tear all kinds of holes in the Punahou line.

The game is sure to be a hard fought one and the team that wins will certainly appreciate the fact that they have been playing ball. Much interest is being attracted as the championship of last year is being involved.

From the way reserved seats are selling at Woods & Sheldon's there will be a record-breaking crowd in attendance. The arrangement of reserved seats and the condition of the grounds will combine to make it ideal for the spectator. The management has decided to let children under the age of 17 years in for half price, or twenty-five cents.

The relay race between the Healan and Myrtle swimming teams is off. The race will be held at some future date so as to give the boys a better chance to condition themselves.

NEXT BOXING SHOW ON DECEMBER 17

The Honolulu Athletic Club will hold their next show on the 17th of December. There will be six contests in all and some fast and clever work by the best available material here will be seen. There will be 28 rounds of fun. Sherman and Bettencourt, who put up such a hard and clean go at the last meet, will be seen in one of the principal events. Scott and Anderson may be matched. A card like the last should attract a large crowd as this is the sort of boxing that the sports of Honolulu like to witness.

A TIMELY SUGGESTION.—This is the season of the year when the prudent and careful housewife replenishes her supply of Chamberlain's Cough Remedy. It is certain to be needed before the winter is over, and results are much more prompt and satisfactory when it is kept at hand and given as soon as the cold is contracted and before it has become settled in the system. In almost every instance a severe cold may be warded off by taking this remedy freely as soon as the first indication of the cold appears. There is no danger in giving it to children for it contains no harmful substance. It is pleasant to take—both adults and children like it. Buy it and you will get the best. It always cures.
