OLD TIMES RECALLED

Emma Square in Fresh Guise Reopened by the Band.

Emma square looked old times yesterday afternoon, when the Territorial band resumed the giving of concerts there with a fine New Year's program. It looked like the past days of two or three decades in all but the place itself, for the form of its features has been changed from hirsuteness of tropical vegetation to the smooth-facedness of a rectory lawn.

Two or three hundred people in holiday apparel occupied the comfortable benches along the other margin of the square. Various nationalities composed the assemblage, Caucasian strains predominating with a considerable dash of olive and chocolate tinting. Fully half the attendance consisted of women, comely and well dressed, and little children, daintily and picturesquely attired. There were small tots, not mewling and puking in the arms of their nurses but, with bright and happy eyes under red and blue caps, joyously looking out on the brand-new world of theirs. An older grade of youngsters, in brilliant trowadour costumes, trolled along the smooth walks upon shining Christmas velocipedes. The old inhabitant was there, marked with reminiscent mien. There were the mechanic and the clerk, too, taking their most welcome rest of all the year esthetically as well as rationally. It bespeaks bodily and mental sanity in the young man, to see him appreciative of repose and of art in his leisure.

Captain Berger was the same old sixpence, leading the band as he has done for a generation—alert, emphatic, enthusiastic—the only evidence of flected years he could show being covered by his cap, barring, maybe, a little more forward tilt of the Teutonic military shoulders from decades of application to the setting of scores for the disciplined musical thralls. It was evident the veteran kapellmeister reveled in the tones of the new silver-throated instruments with which the United States Government has endowed the band. No better evidence of perpetual youth is there than the capacity of enjoying things new and progressive.

Among the spectators, upon a side bench midway down the square, was seated Joe Rosen, the former crack cornetist of the band. He left the band in some kind of a huff a few years ago, but the old love was strong upon him now. Joseph was not mean in showing it either. When Godfrey's "Reminiscences of All Nations" was being played, he clapped his hands in ecstasy at the piccolo solo. The piece included the national airs of Great Britain, Ireland, France, Austria, Russia, Switzerland, Spain, etc., and was never more charmingly played by the band than on this occasion.

The program comprised the following selections: "A Happy New Year," Faust; "Festival," Suppe; "The Light of the World," Adams; "Reminiscences," etc.; Godfrey; "The Prince of Pilsen," Luders; "Holy Days," Hall; "Always Jolly," Waldteufel; "Uncle Sammy," Holzman; "Aloha Oe" and "The Star Spangled Banner." It was the six thousand and oddth band concert at Emma square.

ABOUT COLDS.—In all countries and among all nations of the globe, cough medicines are used and used probably more extensively than any other one class of medicines. Every human being is subject to throat and lung troubles, which may terminate his existence. People everywhere realize the dangerous consequences of a neglected cold, for the majority of fatalities have their origin in and are characterized first by a simple cold. The more careful and prudent persons do not permit a cold to run its course, but treat it promptly. For many years Chamberlain's Cough Remedy has been in use throughout the United States and many other countries and time has proven it to be the best adapted of any remedy yet made for all throat and lung diseases, and especially coughs, colds, croup and whooping cough. It always cures and cures quickly. For sale by all dealers. Benson, Smith & Co., Ltd., agents for Hawaii.

Petty Thieves Run Down.

The police department has run to earth a gang of petty thieves concerning whom there have been complaints for months. High Sheriff Henry has in custody a white man named Stanton, who has already been convicted on one larceny charge, and the detectives have traced several other thefts to him. It is believed by the High Sheriff that Stanton was the man who stole a lot of tools from Mr. McCandless, many of which have been traced to Chinese and Japanese purchasers.

PRISONERS' NEW YEAR

Celebration Under Kamani Tree in Jail Yard.

The prisoners in Oahu jail gathered under the kamani tree that stands in the center of the prison yard, and there were flags draped from the tree branches, and a great banner bearing the words, "A Happy New Year."

It seemed rather pitiful than otherwise. For how can men in the stripes that are the badge of the convict be happy at the new year or at any time? All the same those prisoners were smiling and wishing each other a happy return of the day—with a mental reservation, perhaps, that the return should not find them in that place—and were no doubt genuinely glad to see the visitors who had come to lighten the tedium of the imprisonment by some exercises in honor of the time and the service of the Master.

Led by J. M. Martin, who had for his assistants Rev. Father Valentin, Rev. E. W. Thwing and a number of ladies who work among prisoners, the program of exercises was carried out. "We are come here," said Mr. Martin at the beginning, "to endeavor to bring a message to you men in the name of the Master. I know that you will be glad to see us as we are glad to come. And, as a beginning, though Mr. Ellis will be pleased to sing for you, I want my Oahu sextette to show these people that there are singers here who have not come out yet for—well, for reasons."

Six stalwart prisoners stood up, at this, and ranging themselves at the direction of Warden Kamana behind the little organ that had been placed under the kamani tree sang "Rocked in the Cradle of the Deep" very effectively. Afterwards, with Father Valentin at the organ, this program was carried out:

- "God Be With You Till We Meet Again"..... Audience.

ANNUAL LUNCH OF Y. M. C. A.

The annual reception and luncheon at the Y. M. C. A. yesterday from 12 to 2 was largely attended, and the hall where the luncheon was served was crowded most of the time. Members of the association, members of the Y. W. C. A., sailors, soldiers, carmen availed themselves of the fine spread.

The directors received the guests in the library. The latter were then ushered into the hall above where the feast was served. Mrs. W. H. Mays was in general charge of the luncheon and was assisted by the following ladies:

Mrs. C. H. Atherton, cakes; Mrs. D. L. Withington, bread and butter; Mrs. H. P. Brock, meats; Mrs. Marston Campbell, baked beans; Mrs. Fred. Woods, salads; Mrs. Angus, coffee; Mrs. Dyer, pickles and jellies; Mrs. E. W. Jordan, dishes; Mrs. H. C. Brown, waitresses.

Dr. Hobby made a reputation as a carver of hams.

The hall was attractively decorated with greens by Messrs. Dutot, Fitzgibbons, Pope, Nishwitz, Morris, Young and Potter.

JOLLY TIMES AT PEARL HARBOR

Yesterday morning, through the kindness of Jack Young of Young Brothers, a large party of young people went down to Pearl City in the tug Waterwitch, returning about five in the evening. Invitations for this affair were given by members of the "Minutes." Everyone had a most delightful time. A fine lunch, prepared by the young ladies, was eaten on the grounds at the Peninsula, and after that there was dancing, the music be-

Muslin Underwear

3,000 Dollars Worth

New, crisp, clean and fresh underwear just arrived direct from eastern factories. An excellent display.

This immense stock could easily have taken the town by storm at regular prices, because of their immaculate daintiness and excellence of fabric and finish.

The superior generalship of our buyer in New York city has, however, worked consternation in the camp of underwear factories.

ALL SHOULD HASTEN TO PROFIT BY OUR LOW PRICE VICTORY.
A DEAL THAT REQUIRED NERVE.

Some folks, it is said not only enumerate their poultry before it is incubated, but see double while doing it.

Such a one may be our New York buyer who is an optimist from Optimistville. In any event, in his lexicon there is no such word as "FAIL."

This functionary encountered an opportunity to corral an immense bargain—that is if he could comply with one condition, viz:

FOUNDED IN HONOUR.

No doubt you have seen in the papers such announcements as this concerning some medicine or other: "If, on trial, you write that this medicine has done you no good we will refund your money."—Now, we have never had reason to speak in that way concerning the remedy named in this article. In a trade extending throughout the world, nobody has ever complained that our medicine has failed, or asked for the return of his money. The public never grumbles at honestly and skillfully made bread, or at a medicine which really and actually does what it was made to do. The foundations of **WAMPOLE'S PREPARATION** are laid in sincerity and honour, the knowledge of which on the part of the people explains its popularity and success. There is nothing to disguise or conceal. It was not dreamed out, or discovered by accident; it was studied out, on the solid principles of applied medical science. It is palatable as honey and contains all the nutritive and curative properties of Pure Cod Liver Oil, extracted by us from fresh cod livers, combined with the Compound Syrup of Hypophosphites and the Extracts of Malt and Wild Cherry. This remedy is praised by all who have employed it in any of the diseases it is recommended to relieve and cure, and is effective from the first dose. In Anemia, Scrofula, Nervous and General Debility, Influenza, La Grippe, and Throat and Lung Troubles, it is a specific. Dr. Thos. Hunt Stucky says: "The continued use of it in my practice, convinces me that it is the most palatable, least nauseating, and best preparation now on the market." You can take it with the assurance of getting well. One bottle proves its intrinsic value. "You cannot be disappointed in it." Sold by all chemists everywhere.

Primo Lager
IS PURE

Not all beer in the Hawaiian Islands is pure. The reason is that in shipping beer through various climates to Hawaii the beer must be preserved with substances which should not be in it and which are injurious to the health. It is better to be always on the safe side and drink Primo Lager.

LEONARD Cleanable REFRIGERATOR
KEEPS FOOD FRESH AND PURE.

If you want a real good refrigerator—one that has been tested and not found wanting, we do not hesitate to recommend the "Leonard Cleanable Refrigerator."

Refrigerators that are damp and allow food to become mouldy give lodgement to germs.

A microbe hasn't a chance to live in a "Leonard."

It is dry, safe and reliable because it is made on the most scientific principles of refrigeration. It has eight walls, porcelain lined, air tight doors and its perfect air circulation will not permit the different articles of food to taste of each other.

When you see it you will instantly recognize its superiority over other refrigerators.
