

# For the Skin

You cannot have a clear and smooth skin unless the blood is pure. Blotches, eruptions, rashes, pimples, all show how impure the blood must be. Get all impurities out of your blood before you are seriously ill.

Miss Dorothy Maher, of Fitzroy, Victoria, sends her photograph and this letter: "I had a terrible eruption on my face which was of a very irritating nature. I tried many blood medicines, but without relief. Friends told me to try Ayer's Sarsaparilla, as it was a most famous blood remedy. I did so, and after taking only two bottles I began to see a great change. By the time the third bottle was used the eruption had entirely disappeared, and without leaving a mark on my face. I am perfectly well now, and I owe it all to this great blood-purifying remedy."

SENTRIES IN PITS.—THE LIVING FOR THE DEAD: OUTPOSTS RELIEVING GUARD NEAR THE SHA-HO.

Even careful burrowing cannot always protect the Japanese sentries from the Russian marksmen, and not infrequently, when the relief comes, a dead man has to be drawn out of the pit to make room for a living successor.
