

# MEN'S CLOTHING MADE TO ORDER

## Exclusive Cloths and Work But Modest Prices

We are anxious to have the investigation of most particular and critical men of our new to-measure tailoring department.

With the arrangement we have recently made with one of the largest and most reliable merchant tailoring establishments in the United States, we are in a position to make men's clothing that will satisfy the most fastidious in style and fit.

We take all the risk—if the clothes don't fit you need not accept them.

So confident are we of materials and workmanship, and our ability to satisfy those who depend upon us, that we are anxious to have men who have not had satisfaction in tailoring, examine our stock of cloths and compare our products and prices with any standards they may choose—even the ideal clothes they may have in their minds.

Over 500 samples of woolens from which to select, thus making the line almost exclusive.

### THE ZOO DRAWS

#### A BIG CROWD

Interest centered around the skating rink at the Zoo yesterday, although the big Fourth of July crowd paid some passing heed to the other attractions of the place. But the skating drew most of the people. There were some good races, too, and a most exciting game of hockey between the Diamond Heads and the Healanis during the afternoon, the Heads winning by rather a narrow margin.

The chase of the greased pig had been relied upon to get a lot of fun, but was something of a disappointment because the pig did not seem to have a fair chance to run. It was greased and turned loose in the center of the rink, but it did not have time to run before a big boy skated out into the middle of the place and fell on it. And that was the end. Next time the pig ought to be sent about a bit for exercise, so as to get into the spirit of the game, before the chasers are turned loose.

The crowd was good natured and easily amused, and most of it staid all day. In the evening, the masked carnival on skates wound up a most successful day's amusement.

### HONORS TO A PUNAHOU BOY.

Another old Punahou graduate has been honored by his professors this year. R. Meneses Davis, a 1903 man, has been appointed captain in his outing tour with his junior civil engineering class of Cornell University in their six weeks' survey. This break into the three months' vacation will prevent the young man from getting to the islands this year, but he is to be rewarded by having his sister spend his last year of college life with him. Miss Davis has almost finished her visit to California friends and will soon be in Chicago, where her brother will meet her, and, continuing the journey together, will take in Niagara Falls before reaching Ithaca.

# CRICKETERS CELEBRATE

## Wield the Willow and Eat Their Lunch at Moanalua.

One tallyho, two wagonettes and sundry private vehicles conveyed the festive cricketers to the Polo grounds at Moanalua yesterday morning, starting from the Opera House. A splendid day's sport and social time was had, and the occasion was graced by the presence of a number of lady friends, everybody being in the best of humor and contributing to make the outing a success. A liberal cold collation was served under the spacious marquee, with tea and all kinds of liquid refreshments in abundance.

Light showers fell at intervals during the day but not to an extent to interrupt play or causing inconvenience to the spectators. The turf was pretty heavy and the wicket slow, so that it was a banner day for the bowlers. The contending teams dubbed themselves the "Reds" and the "Blues" in honor of the national holiday, the former being captained by Stanley Beardmore and the latter by "Bob" Anderson.

The game was decided by the first innings, and the victory went to the Reds. The occupants of the last conveyance to leave for town had a strenuous time before reaching home, the balking team of horses giving a vast amount of trouble, but no one allowed these untoward incidents to mar his enjoyment.
