

SUPERSTITION

It may be that there is virtue in the left hind foot of a rabbit killed on a dark night at the time of the full moon, but it would probably serve better to ward away rheumatism than it would to protect you against loss of home or furniture by fire. Property owners with foresight assure themselves of safety by taking out policies on their property. After the fire it is too late.

HOLLY FLOUR

Makes More Bread

Gluten absorbs much more water in bread-making than the starchy part of flour. A quart of Holly Flour will make much more dough than any other flour because it contains more gluten. For this reason bakeries always use Holly Flour.
