## FAST BASEBALL TEAM ON MAUI

Morning Stars of Wailuku Hold the Championship of the Island.

While Honolulu and Hilo both claim to have the best baseball teams which can be found in the islands, it should not be forgotten that the Island of Maui also has a claim to put in for the championship. On Maui there is what is known as the Winter League, in which the Kahului, Waikapu and the Healanis take part, as well as the Morning Stars. The latter team, of whom a photograph is reproduced on this page, won the championship of the past season.

The Morning Stars started out badly, but made a fine finish. In the commencement of the season they lost the two first games that they played, but then followed this up by winning the next seven, which gave them the honors of the season. Besides this, they had the honor of winning the best game of ball seen on Maui for a long time. This was against the Waikapu, whom they defeated by a score of 1 to 0 after a twelve-inning contest. Not a single member of the losing team was able to get as far as second base in the entire game.

It is just possible that at the end of the coming baseball season a series of games between the pick of the teams from this island, from Hawaii and from Maui, may contest for the championship of the Territory. In this case the Morning Stars will probably be seen in action here.

## GOLF TOURNEY NEXT SUNDAY

The golf tournament which will take place on Sunday at the links of the Oahu Country Club should be very largely attended and it is hoped that every golf player in the city will avail himself of the chance to play. The course which has been selected will be a new one and the map, giving its full details, will be published in the Advertiser on Sunday morning. All those who expect to play are requested to cut this out and take it with them for their guidance while in the tourney.

## CHICAGO AMERICANS TO PLAY ON THE COAST

SAN FRANCISCO, December 23.—Jack Gleason, representing Recreation Park Baseball Association, closed a deal last night by which the Chicago White Stockings will play six games with the San Francisco team in this city. While it has been known all along that Charles Comiskey, owner of the team, was dickering to make the Western trip, there was no definite arrangement until a dispatch was received last night from Tip O'Neil, who has been conducting negotiations from the other end of the line.

According to the contract that has been signed, the White Stockings will play Friday, Saturday and Sunday, March 6, 7 and 8, and also Friday, Saturday and Sunday, March 13, 14 and 15. There is a chance also that two Sunday morning games will be played in Oakland.

Comiskey will bring a party of about fifty with him, including newspaper men, and in all will have some thirty-two players. These players will be divided into two teams, and while one team is playing in the north against the Seals, the other squad will be going against the Angels. The following week the teams can be changed so the fans of both cities will see all the men.

If it is possible there will be exhibition games arranged at Bakersfield, Visalia, Santa Barbara and Salinas. McCredie is very anxious to have a game arranged with the Beavers for Salinas, as the fans of that city were much disappointed last year when they missed seeing the New York Giants.

Comiskey's motto is "Work in the shape of playing games," and for that reason he will not settle down in any one spot for training, but get the men into contests as much as possible. The White Sox, who in 1906 beat the Cubs for the world's championship and put up a good fight this last season, need no introduction and the fans are lucky to have a chance to see them go.

## SQUIRES MADE GOOD SHOWING

BAKERSFIELD, December 20.—In the sixth round of a fast heavyweight fight, Jim Flynn of Pueblo, Colo., landed a right uppercut on the jaw of Australian Jim Squires tonight and knocked him out. Flynn had a decided lead in all except the fourth round, but Squires was fighting with bulldog grit and was dangerous every minute of the fight. In the fifth period he staggered the Coloradan with a hard right to the jaw, and had he the strength might have ended the fight there.

The fight throughout was a grueling contest, and there never was a dull moment. Squires made his best showing since his arrival from Australia. He displayed unlimited gameness and courage, taking a hard beating and always coming back for more.

He landed on Flynn almost at will, but lacked speed and a guard for his jaw. He covered up well in the fighting and made Flynn's stomach an easy mark in the clinches.

The big fellows waded in immediately with the sound of the gong. The first round was comparatively even, both huskies having the other bad at one time. In the second round Flynn's speed began to tell, and he began wearing the Australian down. The third gave him a decided advantage, though at times Squires landed hard. The ex-fireman was cautious, however.

The fourth round was Flynn's easily. In the fifth, near the close, Squires took the round by a splendid rally, having Flynn holding on from a stiff one to the jaw.

In the sixth Flynn started after his man with renewed vigor. He rushed

## NEW YEAR'S WEDDINGS.

Rev. H. M. Kaniho seems to hold the record for marriages performed on New Year's day, at least so far as the returns now show. He has reported to the Registrar of vital statistics four couples united by him on January 1, and no one else has reported anything like that number yet. His record far exceeds even that of Rev. G. Motokawa who performs most of the marriage ceremonies at the Immigrant Station and who undoubtedly holds the record for Honolulu for the past year.
