DIED.

MILLER—In Honolulu, March 29, 1909, Mary A. Miller, beloved wife of Charles F. Miller and mother of Captain Fred C. Miller of this city, aged 72 years.

The funeral will take place from the Methodist church this afternoon at 2 o'clock. Interment in Nuuanu cemetery.

The persistent rumor which pervaded the town on Sunday night, to the effect that there had been an automobile accident at Wahiawa during the afternoon, was caused by a simple puncture.

A car was stalled and was run off the road while the tire was being replaced. The occupants of another machine that was a little way in front noticed the stalled car, when they turned a bend in the road, and brought word that there had been an accident.

Local stocks took a decided jump yesterday, Oahu Railroad going to \$120. The other stocks remained firm at the prices they sold at on Saturday.

A SPRAINED ANKLE.

As a rule a man will feel well satisfied if he can hobble around on crutches in two or three weeks after spraining his ankle, and it is two or three months before he is fully recovered. This is an unnecessary loss of time, for in many cases in which Chamberlain's Pain Balm has been promptly and freely applied a complete cure has been effected in less than one week's time, and in some cases within three days. Pain Balm is most widely known, however, for its cure of rheumatism. For sale by all dealers. Benson, Smith & Co., Ltd., agents for Hawaii.
