"SUCCESS" GARDEN HOSE

It certainly is a "SUCCESS"—Just what its name implies. For a long time we have experimented in hose—to produce just what will last longest under the peculiar conditions found here. The results of our investigations are highly satisfactory. In the "SUCCESS" hose we combine all the good points and eliminate all the weak ones.

IT IS RED; IN 5-PLY AND WEARS LIKE IRON

If you doubt, look about you—in seven out of ten yards you find the Red "SUCCESS" hose used, not because it's red, but because it wears—**THE BEST BY TEST.**

AMUSEMENTS

Standing Room Only.

The Orpheum had its usual crowd last night and before the first motion picture was thrown on the screen there was standing room only, and not much of that. The program varied somewhat from the previous performances and Miss Stella Gray had her first chance here in the spotlight. She rendered a song that was all right except for the fact that her enunciation did not permit the audience to know what she was singing. The motion pictures were good and, by request, the Italian cavalry were seen again. A gentleman in the audience who has been privileged to see the men in real life going through this drill says the picture is as true to the real thing as photography can bring it. Mr. Earle was good, as usual, and the deep voiced Moswen had everybody going some. The afterpiece was very funny. It portrayed some of the discomforts and annoyances of a theatrical manager and from the facial expressions it must have been very real.

All Features.

There was no room at the Park after the first picture was shown last night and the audience certainly enjoyed the
