FOUR YEARS OF STOMACH TROUBLE

IF YOU ARE A DYSPEPTIC SEE IF THIS CASE WAS LIKE YOURS.

It Yielded Readily to the Tonic Treatment Which Has Cured So Many Cases Thought to Be Chronic.

Nervous dyspepsia usually attacks those who have inherited a nervous constitution. It may, however, follow indiscretions of living, or result from a condition of nervous debility following acute diseases, such as fevers or the grip.

Sufferers from this trouble present varying symptoms. Some lose flesh, until they are extremely emaciated, complain of nervousness and headaches and great distress at the stomach.

In the case of Mrs. Caroline Rogers, of No. 4364 Labadie avenue, St. Louis, Mo., stomach trouble was due to the run-down condition following a fever. She says:

"I suffered with stomach trouble for about four years following a severe attack of malaria. My stomach was left in a terrible shape. Everything that I ate distressed me. There were severe pains across my stomach. I was very nervous, my strength gave out and I was unable to do my work. I had terrible headaches, which seemed to affect my eyes."

"I was under the care of a doctor for a number of months. He said I had nervous dyspepsia but he did not help me. My son finally advised me to try Dr. Williams' Pink Pills and I did so. I could see they were helping me from the start and used them until cured. I have since used the pills as a tonic and always get benefit from them."

The value of the tonic treatment with Dr. Williams' Pink Pills is shown by the thousands of cures the pills have made in the various forms of stomach trouble, as acid stomach, nervous dyspepsia, neuralgia of the stomach, gastritis and catarrh of the stomach.

A booklet, "What to Eat and How to Eat," giving valuable information will be sent free upon request.

Dr. Williams' Pink Pills are sold by all druggists, or will be sent, postpaid, on receipt of price, 50 cents per box; six boxes for \$2.50, by the Dr. Williams' Medicine Company, Schenectady, N. Y.
