

# LOCAL AND GENERAL NEWS.

The Miowera is due to day from Victoria.

The J. A. Cummins arrived from Hela yesterday morning.

A large number of people attended church services on Sunday.

The dedication of the new Salvation Army tent took place on Sunday.

The W. G. Hall received freight during the day for Labaia and Hawaii and will probably sail to-morrow.

J. W. Pratt, who has been appointed clerk of the Water Works, vice Albert Lucas, assumed his duties this morning.

Several persons were arrested yesterday for refusing to comply with the Board of Health regulations to clean up their houses.

There were a few rumors around yesterday in regard to new cases of cholera. They proved fortunately to be without foundation.

The army will be relieved from its quarantine duty in a few days and can devote its full time to the study of "war" and court martials.

The work of disinfecting and cleaning the town goes on to-day and will be continued until the town is in a decent sanitary condition.

The band concert on Emma Square on Saturday was well attended. The public appreciated the opportunity of hearing some music again.

The Chinese who arrived by the Rio de Janeiro were released from the Quarantine Station to-day and will be shipped to the different plantations.

Some of the Punahou lots advertised for sale by Bruce Waring & Co. can be had at a reduced price for a few weeks. There is no time to lose by intending purchasers.

Don't whitewash the outside only. Go a step further and buy some of the beautiful men's undergarments offered by L. B. Kerr. The silk underwear is cheap, durable and elegant.

A full assortment of fine Table Linen in Bleached, Unbleached and Colored; also in Fancy Wool, Mixed Wool and Silk. Table Covers of all sizes and colors can be found at N. S. Sachs', 520 Fort street.

In season or out of season every family should have a bottle of DIARRHOEA MIXTURE in the house. There is none better than DWIGHT'S, which has been dispensed by the HOLLISTER PHARMACY for the last twenty years.

After the cleaning out and boiling down day has passed a number of men want new clothes. The suitings offered by L. B. Kerr, are just the thing to take the fancy of the fastidious man on town. A large assortment always ready for inspection.

W. G. Irwin & Co. donated 25 barrels of lime to the Board of Health yesterday to assist it in the cleaning of the infected districts. The firm had previously sold to the Board 175 barrels at regular market rates to help it out during the present shortage of lime.

About 200 barrels of lime will be taken from the limekiln. The lime is pronounced to be of a superior quality and suitable for all purposes. Mr. E. B. Thomas is to be congratulated on his success. There is no reason why Honolulu should be obliged to import lime as the vicinity of the town abounds in limestone.

Allen Hutchinson, the well-known sculptor who has resided in Honolulu for several years, and who is engaged in making the bust of King Kalakaua for the Kalakaua Monument Committee, and is now in San Francisco to model a bust of C. R. Bishop for the Kamehameha School buildings, was married in San Francisco last month to Miss Ella F. Ferrie.

The funeral of the late Thomas Sorenson took place from his residence on Sunday afternoon at 3 p. m. Rev. Alex. Mackintosh officiating. The following were the pall bearers: Messrs. J. A. King, L. A. Thurston, H. A. Parmelee, J. A. Lyle, S. Douglas, J. F. Eckardt, A. W. Carter, J. H. Soper, Robert Lewers and C. J. Hedemann. The interment took place in Nuuanu cemetery.

Geo. C. Beckley, on behalf of the quarantined inter-island fleet, has presented Mr. L. T. Kenake, the popular delivery clerk at the Post Office, with a purse of \$60, for his courtesy and attention shown during the quarantine to the passengers, officers and crews on board the vessels. Mr. Kenake, it will be remembered, was the only person allowed to go near the vessels, which he did daily when bringing the mail out.
