our citizens at home and abroad and to use all proper measures to secure for them, whether native born or naturalized, and without distinction of race or creed, the equal protection of laws and the enjoyment of all rights and privileges open to them under the covenants of our treaties of friendship and commerce; and if under existing treaties the right of travel and sojourn is denied to American citizens or recognition is withheld from American passports by any countries on the race or creed, we favor the beginning of negotiations with the governments of such countries to secure by treaties the removal of these unjust discriminations.

We demand that all over the world a duly authenticated passport issued by the government of the United States to an American citizen and shall entitle him to the treatment due him as such.

ELECTION OF SENATORS.

We favor the election of United States senators by the direct vote of the people.

STATEHOOD FOR TERRITORIES.

We favor the admission of the Territories of Oklahoma and Indian Territory. We also favor the immediate admission of Arizona and New Mexico as separate states and a territorial government for Alaska and Porto Rico.

We hold that the officials appointed to administer the government of any territory, as well as with the District of Alaska, should be bona fide residents at the time of their appointment of the territory or district in which their duties are to be performed.

CONDEMNATION OF POLYGAMY

We demand the extermination of polygamy within the jurisdiction of the United States, and the complete separation of church and state in political affairs.
