**IT HURTS BRITISH TRADE**  
PROTEST AGAINST AMERICAN TARIFF IN NEW POSSESSIONS.  
Commercial Interests Desire Open Door to Cuba, Porto Rico and Philippines.  
LONDON, June 6.—British commercial interests are preparing to challenge the action of the United States in extending the domestic tariff and navigation laws to Cuba, Porto Rico and the Philippines. It is declared that the exaction of import duties is working widespread injury to Her Majesty's trade and that the shipping of the islands is chafing under the closing of what was an open door. During the Spanish regime, Englishmen declare that the policy of the United States is not in harmony with the declarations it made when it intervened in Cuban affairs, and your correspondent is informed that a formal protest will be registered at the Congress of Chambers of Commerce of the empire, to be held in London the last week in June. The assembled tradesmen will ask the Imperial Government to institute negotiations with Washington for the preservation of the privileges hitherto enjoyed by Great Britain in the former Spanish colonies.  
Colonel M. J. O'Brien of New York, president of the Southern Express Company, which operates in Cuba, said to your correspondent to-night:  
"The Britishers' point is not well taken, so far as Porto Rico and the Philippines are concerned. They are an integral part of our domain, and Englishmen cannot expect special free-trade privileges there any more than in the State of Texas. In the case of Cuba it should be remembered that the maintenance of the island is a tremendous financial burden, and the imposition of tariff duties is a legitimate, and in fact the only, source of reimbursement."  
Mr. C. S. Dicken, secretary of the agency of Queensland, which is the chief exporter of meat from the Australian Colonies, informs your correspondent that it is unlikely that England will formally join the United States in protesting against the German Kaiser's meat boycott, although it is probable that, both as to tenor and as to time, the notes of the two Ambassadors will be arranged with a view to achieving the effect of joint action.  
Orders have reached Captain Craig of the United States steamship Albany to take his new cruiser to Gibraltar as soon as it is released from the yards at Jarrow. Although the purpose of the Mediterranean assignment is not known at the American Embassy, it would be by no means surprising if the vessel's ultimate destination should be Turkish waters.

**OF PERSONAL INTEREST**  
The Rev. Alex. and Mrs. Mackintosh are making preparations for a six month's visit to the old home of Mr. Mackintosh, the Paris Exposition and other Continental points. At a meeting a few evenings ago, he instructed the Society concerning the work to be done during his absence.  
Frank Murphy of the Popular House is recovering from grip. Mr. Murphy says that during his long residence on the Islands he has never experienced such suffering. His illness has somewhat retarded the business growth of upper Fort street, as on the eve of his sickness he contemplated erecting a business block on that street.  
The Inan for the Aloha Aina Society Saturday, undoubtedly will be a great success, as preparations are being made on a large scale.
