ROOSEVELT'S TOUR IN STATE OF INDIANA

MAKES EARLIEST ADDRESS TO THE QUAKERS AT PLAINFIELD.

At Greencastle He Calls Attention to Utterances of Prominent Democrats Who are Supporting McKinley.

GREENCASTLE, Ind., Oct. 12.—Leaving Indianapolis at 9:10 over the Vandalia, Governor Roosevelt made his first stop at Plainfield, Ind., where he spoke to a large crowd from a platform at the railroad station. He said:

"I understand that this community is composed largely of the members of the Society of Friends, who stand for social and industrial virtue in a way that entitles them to the respect of all people."

"I am glad to address the members of the society that stood by President McKinley and gave influence toward international arbitration at the peace conference at The Hague. It is not possible, as yet, for we have not advanced far enough to be able to settle all our difficulties peacefully by arbitration, but in every case we should avoid an appeal to arms where possible. For we, as a party, are pledged to peaceful settlement until war becomes a last resort. We believe in being slow to enter upon war, but, having entered upon it, we believe in seeing it through; we believe we have a right to appeal to all lovers of peace to stand with us in the Philippines. If we turn the islands over to the Tagal handits who have been fighting our brothers, sons and kinfolk, we turn them over to bloody chaos and anarchy."

BRAZIL, Ind., Oct. 12.—At Greencastle a large crowd greeted Governor Roosevelt, who said:

"Judging from the cheering I hear, they evidently play foot ball in this country, and I want to assure you, from what I have seen in Indiana, that the score on the 6th of November will be about 16 to 0. I am glad to see such utterances as those of life-long democrats like General Brazor of Wisconsin, the northern democrat, and General Buckner, the southern democrat of Kentucky, who announce that they decline to follow their party when it goes after strange gods, when it loses the spirit of orderly liberty, when it loses every particle of that good sense which is the pre-requisite of economic prosperity at home, and when it loses finally its sense of devotion to the honor and interest of the flag. I have been going through the state with former democrats like Colonel Jewett and Captain English on the train with me, because they felt that every principle of national interest and national honor demands the defense of the Bryanized democracy this fall."

At Brazil, Governor Roosevelt addressed a large crowd.

ANDERSON, Ind., Oct. 11.—Governor Roosevelt began the second day of his campaign tour in Indiana by making ten-minute speeches at Marion, Fairmount and Alexandria, after which the duration of the stops was increased to twenty minutes. In all the towns large delegations from the country were present, Marion giving a noteworthy parade.

At Anderson the crowd to which Governor Roosevelt spoke filled a ten-acre lot. In the throng were 100 steel and file factory employees in Rough Riders' uniforms, and as many more mounted. The factories shut down to permit the employees to attend, their wages continuing.

MRS. PARKER AGAIN A BRIDE
"Tootsie" Dowsett Becomes Wife of Frederick S. Knight.
SAN FRANCISCO, Oct. 12.—The marriage of Mrs. Elizabeth Parker, the daughter-in-law of Samuel Parker, the well known capitalist of Honolulu, to Frederick S. Knight, son of Geo. Knight of this city, will take place at 5 p. m., Monday, October 15th, in Trinity church. Mrs. Parker is the daughter of the late Mr. Dowsett of the islands. He was one of the wealthiest men in Honolulu and had large and varied interests. Mr. Dowsett was an Englishman by birth and went to Honolulu when quite a young man. Mrs. Parker, when she reached the age of 16, was sent to New York, where she was educated. She is a brilliant musician. Mr. Knight is the second son of George Knight, the well known lawyer. The wedding will be very quiet, only a few of the intimate friends of the bride and groom are to be present. After the ceremony they will go to San Jose and on October 31st will sail on the Alameda for Honolulu, where Mr. Knight will go into business.

Cuts and Bruises Quickly Healed.
"For three days and nights I suffered agony untold from an attack of cholera morbus brought on by eating cucumbers," says M. E. Lowther, clerk of the district court, Centerville, Iowa. "I thought I should surely die and tried a dozen different medicines, but all to no purpose. I sent for a bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy and three doses relieved me entirely. I went to sleep and did not awake for eight hours. On awakening a few hours ago I felt so gratified that the first work I do on going to the office is to write to the manufacturers of this remedy and offer them my grateful thanks and say, 'God bless you and the splendid medicine you make.' This remedy is for sale by Benson, Smith & Co., general agents, Territory of Hawaii."

SITUATION IN CHINA

GROWS MORE SERIOUS

An Outbreak Feared in the Vicinity of Canton—Cities in Hands of Rebels.

LONDON, Oct. 13.—The Times has the following from Hongkong, dated yesterday: "The situation in the Wei-Hai-Wei Perfection is serious. In six districts the cities are in the hands of the rebels. If an outbreak should occur in Canton its suppression would be difficult."

Dr. Morrison, writing to the Times from Peking, under date of October 11, says: "The Chinese officials declare that stringent orders have been sent to provincial officials not to oppose the advance of the allied column."

Reformer's Flag Raised.

HONGKONG, Oct. 12.—The reformer, Sun Yat Sen, according to dispatches from Canton, has unfurled the reform flag in the important town of Weichow, on East River. This act has given rise to considerable excitement in military circles in Canton, as it is believed the object of the reformers in raising their flag at Weichow is to denude Canton of troops, so that they can seize the city.

Russia Holding Troops.

LONDON, Oct. 12.—The Moscow correspondent of the Standard attaches significance to a speech made by the Russian general in command at Wilna to some troops who had been ordered to China, but were recalled to Odessa on the very eve of sailing. He says that the general in addressing the men made this explanation:

"The czar decided it was necessary to bring you back to Wilna so you might be ready here to join us against a foe we shall be ordered to meet."

The correspondent adds that the foe hinted at can only be Germany.
