For Dressy Men
WHO WANT CORRECT SHIRTS

This Store is becoming a Men's Store as well as a Women's Store, and why, indeed, shouldn't Men consult their Pocket Books as well as Women? This week we are going to give every Man a chance to save many Dollars on His Shirt Bill for a year to come. This wise:

We have placed on our counters and in our "makai" window our Entire Shirt Stock, and they're going, Gentlemen, going...

EVERY SHIRT AT 75 CENTS

Without Reserve or Hold-over

Now these Shirts are not "old plugs" or relics of the vintage of '95. They are Up-To-Date Shirts...just such Shirts as regular furnishers charge \$1.50 and \$2.00 for. We are selling them in a lump, so we can afford to take less than them.

THE LARGE SIZES predominate, hence stout Gentlemen, who sometimes find it hard to get suitable patterns in 16 or 17, will have great fun among this stock.

In conclusion, if you can't come in yourself, let your wife come and pick out a few for you. Shirts are not like cars, and this is too good an opportunity to be missed.
