DIG FLOUR MILL BURNS

Principal Industry at Nashua, Ia., Destroyed Entailing a Loss Of \$30,000.

John F. Irwin, of Keokuk, Accepts An Important Consularship In Portugal

Closing Day of the Story County Fair—Accident at Traer—Short Specials.

Nashua, Aug. 19.—The big flouring mill of the Nashua Water Power Company, located on the Cedar river at this place, caught fire from some unknown cause about noon yesterday and in spite of the most heroic efforts to arrest the progress of the fire the structure was burned to the ground in a short time and even its contents could not be saved.

The mill was five stories in height and was one of the most finely equipped mills in the state. It was owned by a company of citizens and farmers and was the principal industry of the city.

The fire was one of the most destructive in the history of the city and the loss caused by it is the more keenly felt inasmuch as many will be thrown out of employment and the whole community will suffer.

The fire, which started on the fourth floor, quickly spread to all parts of the building, throwing out intense heat, which made the work of saving surrounding buildings arduous in the extreme.

Three bucket brigades were formed and with the assistance of the hook and ladder company, the water works pumping station and water tank, which stood dangerously near the burning mill, were saved from destruction.

F. Granger is one of the heaviest losers. The mill was in charge of James Keys.

HON. JOHN N. IRWIN ACCEPTS.

Will Soon Depart For His New Position as Minister to Portugal.

Keokuk, Aug. 19.—Hon. John N. Irwin, of this city, who was the most popular mayor Keokuk ever had, which position he occupied several terms, member of the Iowa legislature and twice territorial governor by presidential appointment, of Idaho and Arizona, has accepted the position of minister to Portugal, and is making preparations to leave in the near future for the field of his mission.

He will be accompanied by his wife, two charming and accomplished daughters, and the youngest, a son, about 17 years old.

SPEDDY TIME AT NEVADA.

Auntie Shucks Wins 2:17 Pace in 2:13—Other Races.

Special to Times-Republican. Nevada, Aug. 19.—The speediest time ever made in Story county was witnessed yesterday in the races on the track of the fair.

The most notable event was the 2:17 pace, in which both Auntie Shucks, the famous Nevada mare, and Harry S. Ed Allen's bay horse from Marion, were entered. Six horses were booked to start, but only three lined up, the two above announced and Minnie Johnson, a likely black mare owned by J. F. Stevens, of Wynona, Neb.

Auntie Shucks drove the pole and went off like a shot, but broke at the turn and was passed by her opponent. Her owner, E. R. Silliman, acted as her driver, and was unable to bring her to her feet in time to win the heat, which went to Harry S. with Minnie Johnson a close second.

The second heat was a repetition of the first. Auntie Shucks broke again at the turn and losing to Harry S. It is supposed that the weight of her driver was the cause of her conduct. Matt Bibbins, formerly well known in this part of the country, but lately of Watertown, S. D., happened to be present and was secured by Mr. Silliman to drive Auntie Shucks the rest of the race. It was at once evident that the favorite of the day was in the hands of an expert, for the third heat went to Auntie Shucks in 2:14; Harry S. finishing a length behind. The fourth heat also passed to her credit, the time being 2:13. This is the best record ever made in Story county, Auntie Shucks' exhibition mile on Wednesday being made in 2:14 instead of 2:12, as first reported. The fifth heat, 2:13 1/2, was thrown to Auntie Shucks by her two contestants giving her the race, Harry S. second and Minnie Johnson third. The best time was 2:13, the purse \$200.

Greeley Lambert, T. C. Miller, Story City, went against his own record of 2:34 and made the mile in 2:25 1/2.

The half-mile farmers' dash was a victory for Maud, a sorrel mare from near Nevada. The prize was a saddle.

Three races started in the 2:25 pace which was won by Sarah Loo, owned by Ed Allen, of Marion; Cap Medium, owned by F. J. Strohm, of Wayne, Neb.; second, Colorado Prince, owned by A. K. Banks, of Nevada, third, Time, 2:24 1/2; purse \$50.

In the three-eighths of a mile running race George Clark, owned by Al Rhodes, of Des Moines, took first money; Banner Girl, owned by J. F. Wares, Prairie City, second; Bernice K., owned by J. G. Scott, Cambridge, third; Serena Simmons, owned by P. P. Cross, Colfax, fourth, time, 38 1/2; purse \$50.

The half-mile running race was won by Prairie King, owned by E. S. Bates, Indiana; Harry Bluff, owned by Al Fleming, Russell, second; John Knot, owned by K. Cole, Monmouth, Ill., third, time, 50 1/2; purse \$50.

The oratorical contest in the forenoon resulted in first place being awarded to Mr. C. L. Dawson, of near Nevada, and the second to Mr. Thomas Hall. The prize was a two years' scholarship in Wheaton College, Ill.

The Nevada band took first premium for best music and the Maxwell band second.

A TERRIBLE ACCIDENT.

Dalton Galloway Run Over by a Loaded Wagon Near Traer—Other News.

Special to Times-Republican. Traer, Aug. 19.—Last Wednesday evening Dalton, the 14-year-old son of John Galloway, of Grant township, received severe injuries by falling under

the wheel of a wagon. He attempted to jump onto a load of oats, but lost his footing and fell under the rear wheel. The wheel passed over his hip and shoulder before his father, who was driving, could stop the team. Dr. Parsons, of Traer, and Drs. Vanderver and Connor, of Reinbeck, were called. It was ascertained that it would be necessary to trephine the skull in order to raise a piece of bone which had been depressed by the blow. During this operation a piece of bone two inches by an inch was removed. If inflammation does not set in the chances for recovery are about even.

Grandmother Pratt, who has been sick for several years, died Thursday night. She was 78 years of age.

Work on the new railroad is progressing. Parties of laborers, with dumps and teams, are working on either side of town. The location for the depot is not decided, but will probably be in the extreme eastern edge of Traer or outside the corporation altogether.

The graders who had to quit work on the B., C. R. & N. west of town are back again and have the steam shovel at work lowering the grading.

Mrs. James Jeffries died Friday, August 11, aged 33 years, at her home southwest of town. She leaves a baby a week old.

Mrs. James Corrigan died Sunday morning. She leaves two children, aged 18 months and 12 days.

The premium lists are out for the Traer fair September 12, 13 and 14. Marcus Kahler is secretary.

They were compelled to find lodging with the residents of the city. At this meeting it will be decided whether or not the Cosmopolitan college will be built. It is the general opinion that the board of directors will vote to construct the building, which will occupy a nine acre tract adjoining the present camp grounds. If the college is not constructed this year, then the entire ground will be thrown open to campers next year. The attendance this year includes residents from nearly every state in the Union.

Liquor Seller Enjoined.

Special to Times-Republican. Clarion, Aug. 19.—One day last week a temporary injunction was served upon J. D. Denison, of this place, enjoining him from selling intoxicating liquors. Such action has been awaited by the good people of Clarion for some time.

The little son of Mr. Leeper, who is running a threshing outfit near town, undertook to get down from a load of grain yesterday, when one of the horses kicked him on the leg and broke it. The fracture was reduced by Dr. Garth and the boy is doing well.

San Fernando, P. I., July 5.—The first gray streaks of dawn were lighting up the east on the glorious Fourth in the Philippines, the tired boys in brown welcomed the day, for it meant relief from the strain of our long sojourn.

Work on the new railroad is progressing. Parties of laborers, with dumps and teams, are working on either side of town. The location for the depot is not decided, but will probably be in the extreme eastern edge of Traer or outside the corporation altogether.

THE GRINNELL NEWS.

John Jones Taken to County Jail—Grinnell, Aug. 19.—Postmaster Roberts has received orders to measure the distance from the depot to the site of the new postoffice.

March Green took John Jones, the colored fellow who assaulted George Roth, to the jail in Montezuma yesterday afternoon. The car will serve out a fine of twenty dollars.

Carl Verbeck, city water commissioner being troubled with carache, got hold of a bottle of carboic acid instead of witch hazel and got two or three drops into his ear before discovering his mistake. The ear was quickly and thoroughly cleansed with water, but it is feared that he will have trouble with it yet.

It is in order to say that the crowd from Ottumwa, numbering 4,000 or so was a quiet, well-behaved and an orderly one. The cars were quickly and thoroughly cleaned with water, but it is feared that he will have trouble with it yet.

Many of the fast horses went from here direct to Malcom, which town holds its fair next week. There will be good racing there the coming week.

Mrs. Edith Frost, of St. Paul, is visiting R. W. Clark, of Marshalltown. William Hays has rented his house for a year, and will take his daughter Miss Myrtle on a trip to the Pacific coast. He intends to be away a year among friends on the slope.

A Montezuma paper is chucking over the alleged fact that the Ottumwa packers drank two carloads of beer the day of the picnic. If the publisher will take the trouble to inform himself he will find that either the wish was father to the thought, or he has been played by a Chinaman. They brought no beer at all.

Good Templars' Assembly. Humboldt, Aug. 19.—Prof. G. W. Hill is conducting for the Good Templars of Iowa a summer assembly with a large attendance. The afternoons and evenings are filled with music recitals and lectures. The programs have been of the highest order. Rev. W. W. Dawley, of Minneapolis, delighted his large audience with his two lectures, "Facts and Fancies," and "Crumbly Bread and Crumbly Lives." Rev. J. N. Cleary, D. D., gave a masterly address on temperance, while Rev. Robert McIntyre addressed 700 people on "The Evolution of Abraham Lincoln." A full-blooded Mohawk Indian woman, Dr. Princess Victoria of New York, is among the prominent lecturers, subject, "Social Purty."

Mrs. D. L. Hill has a large class in physical culture that drills daily. The large pavilion is crowded twice every day at the public service. Mr. Edward Smith, of Pipestone, Minn., and Mrs. J. P. Van Ness, of Marshalltown, are winning many laurels, as soloists, while the readings of Mrs. Jennie Hubbell, Mrs. Dante Lovet Hill and Miss Beth Hill, delight every one. Prof. Bartlett, of Des Moines, is conducting a fine chorus class with the best of results.

Prof. E. A. Sutherland, of Battle Creek College, has created great interest in his lectures on health foods. This assembly is in every way a success, and no one will go away without great benefit.

Sac City Locals.

Special to Times-Republican. Sac City, Aug. 19.—A small party of men left Sac City this week to view some of the lands for sale in Minnesota and North Dakota by the Northern Pacific Land Company. Some of the party talk of investing there.

R. S. Wilcox, a brakeman on the Northwestern road, Wednesday fell from the pilot of the engine and received serious injuries. The train was just leaving Sac City. His face was badly disfigured and he received several bruises about the head, so that it is feared the base of his skull may be fractured. He was unconscious when taken from Sac City the same evening. The brakeman's home is at Tama.

The Sac county fair begins Monday. It will be by far the best fair Sac county ever had. The attractions are almost equal to the state fair. The race track is new and the best in the north-west, so horsemen say. Sixty-eight fast horses have entered and more are to follow. The fair association has not failed to supply the demand. Dr. Cady, the marksman, with his diving horses and diving elks, will be here.

Insane Man at Large.

Fort Dodge, Aug. 19.—Joseph Christopher, a dangerous insane patient at the county poor farm, has escaped and the authorities and citizens are anxiously looking for him. Christopher became crazed over christian science. He had a headache cured by the rubbing method and being astounded by the marvelous cure, brooded over it till he became insane. The best indication of his family had of his insanity was when they found him in the back yard, where he had tied the pet cow, to whom he was expounding Mrs. Eddy's publications. He threatened to kill his wife and was at last taken into custody. From there he was written to his family that he never escaped, he would kill them and it is feared he will commit some violence before he is captured.

Proposed Elopement Failed.

Cedar Rapids, Aug. 19.—Thursday evening at this point, a society from Huron, S. D., came here, and late last night his wife and a lady friend, who had been visiting at Gildren, arrived. They had arranged to meet McCullough's hired man here, but the latter stole a lot of silverware, and when McCullough searched his trunk at Huron letters were found giving all the details of the proposed elopement. McCullough took his little girl baby and returned home, while the wife went to Shellsburg with her lady friend.
