Hall's Catarrh Cure is the only positive cure known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease. It gives the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials. Address, P. O. Give the Children a Drink Called Grain-O. It is a delicious, appetizing, nourishing food drink to take the place of coffee. Sold by all grocers and liked by all who have used it, because when properly prepared it tastes like the finest coffee, but is free from all its injurious properties. Grain-O aids digestion and strengthens the nerves. It is not a stimulant, but a health builder, and children, as well as adults, can drink it with great benefit. Costs about one-fourth as much as coffee. Fifteen and 25 cents.
