 HOPKINS BLOCK

ALL ON FIRE.
 A Marshalltown Citizen Tells How Relief Came.

Ever have eczema? Have any itching skin disease? Itching almost drives you crazy? You feel "all on fire." Doan's Ointment brings quick relief! Cures eczema, itching piles, and all itches of the skin.

Mr. D. A. Penquite, of 511 South Fifth street, says: "Doan's Ointment is a marvel. A relative of mine, well nigh disabled by repeated hemorrhoids, which, despite the use of innumerable remedies said to be sure cures for just such conditions, defied all my efforts to get the slightest relief, let alone any permanent result. A relative of mine, well nigh discouraged by repeated failures to get assistance for hemorrhoids, thoroughly tested this ointment as well as I. His experience, added to my own, compels me to say that my appreciation of Doan's Ointment can far better be understood by myself than expressed in ordinary Anglo-Saxon. My advice to any sufferer from rectal troubles is to call at McBride & Will's drug store, obtain Doan's Ointment and results will follow."

For sale at all dealers. Price 50 cents. Foster-Milburn Company, Buffalo, N. Y., sole agents for the United States.

LIBRARY CONVENTION

Program For the State Association Meeting In This City Is Arranged

BIG MEETING IS PLANNED

Quarterly Bulletin of the Library Commission is Largely Devoted to the Interests of the Approaching Convention, to Be Held Here October 5-7—The Program.

The program for the fourteenth annual convention of the Iowa Library Association, which is to be held in this city on October 5-7, has been issued from the office of Miss Alice S. Tyler, Des Moines, secretary of the library commission, who, with Miss Harriet A. Wood, of Cedar Rapids, and Miss Mary E. Wheelock, of Grinnell, forms the program committee. As stated in these columns before the officers of the state association are planning for the largest convention ever held by the association, and are urging a general attendance from all portions of the state.

The quarterly bulletin of the Iowa Library Commission, which has just been issued, is devoted largely to the approaching state meeting, and considerable information is given to the delegates by Miss Tyler, the secretary. The program for the convention, as now arranged, is as follows:

Monday, October 5.
 8:00—Address of welcome by the president of Marshalltown Library Board, Mr. A. C. Daly.
 Response by Mrs. C. H. McVider, Mason City, vice president.
 Music.
 Address of the President, Mr. Johnson Brigham, state librarian.
 Informal reception and inspection of library.

Tuesday, October 6.
 9:00—Business session: Secretary's report, treasurer's report, appointment of committees, etc.
 Report of Secretary of Library Commission—Miss Tyler.
 10:00—General theme: Practical administration of libraries. Paper, "Efficiency of Library Funds"—Miss Edith Tobitt, librarian public library, Omaha, Neb.
 10:30—Discussion: As related to Iowa; amount of income; number of hours the library should be open; purchase of books; efficiency of the librarian, etc.—Miss Bessie Sargent Smith, librarian Carnegie-Stout library, Dubuque.
 General Discussion.
 2:00 p. m.—How should a small library be organized?—Miss Fanny Duran, Eldora. Discussion.
 3:00 p. m.—Necessary steps in the erection of a library building: Consulting librarian; considerations in selection of site; size of building and necessary rooms; architect of the building; contract and contractor; supervision of construction; heating, lighting and janitor service; shelving and furniture. Discussion by various trustees of libraries where buildings have been erected.

Evening.
 Reception by the Twentieth Century Club, of Marshalltown, at the home of Dr. and Mrs. C. C. Cottle.

Wednesday, October 7.
 9:00 a. m.—Business session: Reports of committees, revision of constitution, election of officers, etc.
 10:00 a. m.—Work of the State Historical Society—Professor B. F. Shambaugh, State University.
 10:30 a. m.—The Iowa summer school of library training—Miss Mary E. Wheelock, Public Library, Grinnell.
 11:00 a. m.—Round table of practical methods—Miss Aileen, editor "Public Libraries," Chicago.
 Library School reunion luncheon.
 3:00 p. m.—What is the free public library doing to justify its support by public tax?—Mr. A. F. Cooper, Cedar Rapids.

(a) Its relation to study clubs—Mrs. T. J. Fletcher, president I. T. F. W. C.
 (b) Its relation to schools—Professor W. L. Crane, superintendent schools, Marshalltown.
 4:00 p. m.—Drive about city, including Soldiers' Home, given by the City Federation of Women's Clubs.
Evening—Presbyterian Church.
 Organ prelude, "And He Will Call." (Stobbs)—Mrs. Ida Wasson-Hodges.
 Vocal solo—Mrs. F. L. Meeker.
 Address: Mr. John Cotton Dana, librarian, public library, Newark, New Jersey.

A railroad rate of one and a third fare for the round trip on the certificate plan has been secured for the convention, provided on hundred certificates or receipts for fare paid are returned in. This rate is good from all points in Iowa from October 24 to 10th. Persons buying tickets for Marshalltown should secure certificates of agent of whom ticket is purchased. Be sure to ask for certificate, as neglect on your part may be the means of losing the rate for the whole association. If tickets are purchased at more than one point (when change of cars is necessary) certificates should be secured at each point. Upon arrival at Marshalltown certificates should be handed promptly to the railway secretary, Mr. M. H. Douglass. A reduction for return ticket is possible only on condition that 100 certificates are secured.

The board of library trustees of every free public library in Iowa is urged by the commission to send the names of the members of the board to represent them at the meeting. Many libraries make it a custom to pay the expenses of the librarian to the meetings of the association each year, realizing that such expenditure is returned to the library many fold in the better service and higher ideals of the librarian.

A re-union of the students of the Iowa Summer Library School is planned for during the meetings of the association. This will afford opportunity to renew acquaintance and discuss the labors and pleasures which entered into a summer's sojourn at our State University.

The Pilgrim hotel has been selected as headquarters for the association.

CLUES FIZZLE OUT.
 Efforts of Police to Locate Fur Robbers So Far Unfruitful.
 H. Singer, the furrier, whose place of business was robbed Monday night of valuable furs, arrived home Tuesday evening, and immediately notified the police he would pay \$100 for the arrest and conviction of the robbers and the return of the property. So far all of the clues upon which the police were working have fizzled out, with no prospects of developments. Swan Anderson, the Swedish drayman, whose wagon was found near the scene of the robbery at 3 o'clock Tuesday morning, was released yesterday afternoon, as the officers were convinced that he knew nothing of the affair. He was intoxicated when found, and his rambling talk led the police to believe he might have some information. After a day or two, however, he said he did not know how his team and wagon came to be left in the alley.

Another clue was followed as far as Malcom before it proved to be the wrong trail. A lighted wagon, flying up by four horses, was traced out of here early Tuesday morning, and was overtaken by the Malcom officers last night near that place. They were instructed from here to search the vehicle, which they did, but nothing was found. The police and sheriff's officers are still at work on the case today, but so far no new developments have appeared.

DEATH ACCIDENTAL
 Coroner's Jury Returns Verdict That Death of D. M. Adams, the Dillon Postmaster, Was Due to an Accident—No Blame Is Attached to Company.

The coroner's jury, which was empaneled to inquire into the circumstances surrounding the death of Postmaster D. M. Adams, of Dillon, who was killed by a Great Western train Saturday evening on the Third avenue crossing, Tuesday night returned a verdict that the death was purely accidental. No blame was attached to the railroad company or its employes for negligence.

Of all the witnesses examined not one could be found who saw the accident. None of the persons on the depot platform witnessed it, and none of the train crew knew of its having happened until it was all over. H. J. Slayton, the engineer, testified that he saw no one on the track or near it at that point, and the first he knew of it was when he saw a lighted engine fly from in front of his engine. He said the headlight was burning and the engine bell was ringing. His fireman, William Mitchell, was not in the cab at the time, having just before they reached the street started to the engine preparatory to the engine taking water. Neither the conductor nor his brakeman witnessed the killing. From the evidence it is thought that Adams must have stepped in front of the engine from the north side when it was close upon him, so the engineer could not see him from his side of the cab. The jurymen were Charles Glick, M. S. McFarland and Harry J. Rodgers.

SHOOTS AT OFFICER

Negro, Suspected of Being One of the Singer Fur Robbers, Is Arrested

ONE GARMENT IS SECURED

Thought That Others May Be Found When a Search is Made—Negro Found With a Ladies' Fur Garment Shoots at Officer Lase and the Officer Returns the Fire.

What may prove to be the beginning of unraveling the mystery surrounding the big Singer fur robbery of Monday night occurred this afternoon in the south part of town, when Officer Lase attempted to arrest a negro, said to be named Austin. The man was found on Turner street with a ladies' fur coat in his possession. The officer called to him to halt, when the negro opened fire and shot twice at the policeman.

Officer Lase immediately brought his own weapon into play, and fired three shots at the negro as he ran. Lase followed him, within halting distance, for several blocks, and finally ran him down near the glueose factory. The garment was secured and the man lodged in jail. The finding of a fur coat, on South Ninth avenue, yesterday may be explained by the fact that the negro was on Turner street. It is thought that undoubtedly the goods are being stored in a fence in that part of the city. The officers are on the alert and are taking advantage of every bit of information that will lead to the recovery of the goods and the arrest of the thieves.

Austin is said to live in Oskaloosa. His game is, so it is claimed, to work as a hotel porter until he becomes familiar with local situations, then he begins his work.

THE DOTSON-LUSBY WEDDING.
 Celebrated Tuesday Evening at 8 O'clock at S. B. Lusby Home.

The marriage of Mr. J. P. Dotson, business manager of the Times-Republican, and Miss Susie L. Lusby, was celebrated Tuesday evening at 8 o'clock at the home of the bride's parents, Mr. and Mrs. S. B. Lusby, 512 1/2 Third avenue. The ceremony was performed by Rev. J. G. Van Ness, D. D., of Mt. Vernon, formerly pastor of the First Methodist church of this city, of which the bride is a member. Only the members of the immediate family of the bride witnessed the ceremony. The bride was becomingly attired in a pretty gown of white silk, trimmed with lace. She carried a shower bouquet of American beauties.

Mr. Dotson is well known in the city in both business and social circles. His bride is also well known, having lived here since girlhood. She is a most excellent young woman, and is loved by a large number of friends.

Mr. and Mrs. Dotson left Tuesday night at 11:35 for Chicago, where they remained today. They will spend their honeymoon in the east and will go from Chicago to Buffalo and Niagara Falls. From there they will go to East Aurora, N. Y., where on Friday they will be entertained by Mr. Ebert, Hubbard and dine with the Roycrofters. They will go to Boston from East Aurora, and return to Albany, taking a trip down the Hudson to New York, and from there to Washington. They will be in this city on Saturday part of the month, and will be at home after Oct. 15 at 111 North Third street.

Present at the wedding from out of the city were Mrs. C. D. Lusby and daughter Margaret, of Tappan, Kas., and Miss Margaret Turner, of Eldora.

CASE GOES TO JURY.
 Judge Caswell Overrules Motion to Take Titus-Milwaukee Case From the Jury.

Judge Caswell at 3 o'clock this afternoon overruled the motion of the defense, in the case of Titus vs. the Chicago, Milwaukee & St. Paul Railway Company, to take the case from the jury. The arguments were made this afternoon, and before court adjourns this evening it is thought the case will be submitted. The next case assigned is the Iowa Central personal injury case, brought by R. W. Hughes.

In the case of Dr. M. M. Evans vs. Marshalltown county, heard Tuesday, no decision has as yet been given.

MAY COVER WITH ASPHALT.
 Council to See What Can Be Done to Improve East Main Street.

The city council is going to see what can be done to improve East Main street, which is paved with brick. The East Main street work was the poorest ever done in the city, and has never been very satisfactory. The streets and alleys committee has been authorized to ascertain the cost of covering the brick with asphalt, and if this can be done the street will be put in excellent condition.

MAKES OFFER FOR BUILDING.
 R. A. Elzy Will Pay \$3,900 For Old City Hall Property.

Chairman Webster, of the buildings and grounds committee of the city council, has received an offer from R. A. Elzy, of \$3,900 for the old city hall property on West Main street. The city will sell the property to Mr. Elzy at that figure, providing a higher bid is not received before 7 o'clock on the evening of September 28.

TOO COLD FOR CONCERT.
 Thursday Night Concert Postponed Until Weather Moderates.

The band concert, the last of the season, postponed from tonight until Thursday night, has again been postponed, this time indefinitely. Until the weather moderates, no band concert will be given.

Will Hasten Plans.
 Engineer Daniel W. Mead, of Chicago, who was engaged by the water

RHODES BANK ROBBED

Farmers' Bank Entered Monday Night and \$1,000 Stolen From the Vault

UNABLE TO FORCE SAFE

Safe Blowers Entered Thru the Roof of Building and Cut Thru Vault Top—Safe Is Cracked, But Not Much Damaged—Sheriff's Office Has No Clue.

Robberies are apparently to be a nightly occurrence in the city and county, and following closely upon the big fur robbery in this city Monday night, the Farmers' bank at Rhodes, was entered Tuesday night, and \$1,000 in silver stolen. The thieves made their escape without being detected, and no one knows just when the robbery occurred. S. T. Goodman, of Rhodes, is owner of the bank, and Ben Richards cashier.

It is presumed that there were two men who did the work, and that they gained their way into the building by cutting a hole thru the roof, which was of wood, the building being a frame structure. The opening was made immediately over the vault, and after landing on it, they dug their way thru its top and into the interior. Placed inside the vault in trays was about \$1,000 in silver, all of which was taken. A hole was drilled in the top of the vault safe, and a charge of dynamite touched off. The opening was made in the steel box, nothing was taken from it. There is no clew whatever for the sheriff's officers to work upon, although they were notified by telephone early this morning, as soon as the theft was discovered.

Card of Thanks.
 We desire in this manner to express to our many friends our sincere thanks for their kindnesses during the illness and death of our husband and father, Mrs. C. M. Collins and family.

Foley's Honey and Tar is peculiarly adapted for chronic throat troubles and will positively cure bronchitis, hoarseness and all bronchial diseases. Refuse substitutes. Sold by B. A. Morgan.

Reduced Rates to Clear Lake.
 Commencing Saturday, July 11, and each Saturday thereafter, Sept. 20, the Iowa Central will sell special round trip excursion tickets to Clear Lake, Iowa, at very low rates, limited to return the following Monday. See your local ticket agent for further information.

LEE, BENEDICT & CO.
 Chicago—Woodbury W. McGie, from Duluth, a student in Northwestern University, is under arrest charged with robbery and larceny.

ART OF REST.
 Complete and restful poise of the body and mind is an art not easily gained.

Perhaps nothing brings one as much content, comfort, happiness and restful poise as those conditions of easy, restful, resourceful and well balanced mind and body, that make of work a pleasure and the daily life happy and peaceful.

The nervous housewife busy with a hundred duties and harassed by children; the business man worried with the press of daily affairs, debts, etc., cannot enjoy the peace and restful repose and healthful nervous balance unless they know how.

There is a way. First and foremost the stomach must be consulted. That means leaving off coffee absolutely, for the temporary stimulant and the resulting depression is a sure ruin to the nervous system, and the whole condition of health and happiness rests upon the stomach, nerves and mind.

Start with the stomach, that is the keystone to the whole arch. Stop upsetting things that break down its power, unsettle its nervous energy, and prevent the proper digestion of the food and the consequent manufacture of healthful blood and nerves, brain and tissue.

When you quit coffee, take on Postum Food Coffee. That is the stopping payment of interest and starting on a career where you are loaning money and receiving interest. The good results are double. You stop poisoning the system with coffee, and start building up the broken down nerve cells by powerful elements contained in Postum. These are pure food elements ably selected by experts for the purpose of supplying just the thing required by nature to perform this rebuilding.

These are solid, substantial facts and can be proven clearly to the satisfaction of anyone by personal experience. Try the change yourself and note how the old condition of shattered nerves and worried mind changes to a restful nervous system.

The managing physician of a hygienic sanitarium in Indiana says that for five years in his practice he has always insisted upon the patients leaving off coffee and taking Postum Food Coffee with the most positive, well defined results, and with satisfaction to the most confined coffee taker.
