MINISTER'S TRIAL. Coffee Hit Him Hard Indeed. A minister of the gospel writes about Postum: "I was for years a sufferer from headaches; sometimes they were so violent that groaning in agony I would pace the floor or garden holding my throbbing head for relief.

"I tried all sorts of remedies known to the allopathic and homeopathic schools, sometimes I thought it was caused by the stomach or biliousness and again I would suspect it was purely nervousness and treated myself accordingly, but nothing ever gave me permanent relief. Having to appear before the public nearly every night, it was sometimes almost impossible for me to fulfill my engagements. Finally I came to suspect that the use of tea and coffee had something to do with my disorder and abruptly discontinued the use of both and took on Postum for a trial.

"From that happy hour I commenced to mend; gradually I got better and better and now I do not have a headache once in six months and all my other troubles are gone too. I am now using Postum exclusively and want no better beverage.

"I know of others who have been benefited by the use of Postum in place of coffee. A friend of mine here in Key West, a hardware merchant suffered for years with stomach and other ailments he quit and began using Postum and got well. He is devoted to Postum and when worn and weary with business cares takes a cup of it piping hot and in a short time feels rested and nourished.

"Some I know have become prejudiced against Postum because careless ignorant cooks tried to make it as they would coffee and will not allow it to boil fully fifteen minutes, but when they try it again, well boiled, it stays, for it is as delicious and snappy as the mild, smooth, high grade Java." Name given by Postum Co., 411 E. Creek, Mich.

Piles Can Be Cured

By Internal Treatment
Without the Aid of Narcotics or the Knife
You who suffer with piles know what a glorious boon it would be to you to be absolutely and painlessly cured. You know from actual experience that salves, ointments and other local applications do not cure. You may get relief, but you keep on suffering. There is a cause for every human ill. Remove the cause and you cure the complaint. Piles have two distinct causes: First, constipation of the liver; second, constipation resulting from poor digestion.

Dr. Perrin's Pile Specific

The Internal Remedy
Absolutely removes these causes by increasing the flow of digestive juices in the stomach, and relieving the congestion of the liver. It is a tonic for the entire bowel system and helps each particular member of this system to work easily and naturally.
