STRONG AS STEEL.

The Kind of Nerves That Can Do Things.
 A young athlete writes concerning the method by which he acquired steady nerves, and also of some good missionary work he has done:
 "About a year ago," he says, "my nerves began to grow unsteady and I found myself troubled with sleeplessness. I set an inquiry on foot, and became convinced that the coffee I drank was the cause of the trouble and determined to quit it right there."
 "So I got a package of Postum Food Coffee and mother and I prepared it. We did not boil it long enough the first time and were not much impressed by it. The second time, however, we followed the directions carefully and were more than pleased with the result."
 "I can sleep like a log now, since I am using Postum, my nerves are as strong as steel, and my muscles, which used to tire easily, are hard and enduring as iron. Heavy athletics no longer give me pain in the side and chest as formerly."
 "I have begged our whole family to use it, and it has done every one of them good. My father has found his asthma almost entirely relieved since he gave up coffee and began to drink Postum." Name given by Postum Company, Battle Creek, Mich.
 There's a reason. Read the little book, "The Road to Wellville," in packages.

As a matter of convenience it is better to grow hair than to buy it. Miladay's hair if it be her own, is never "off-color." It is never too coarse or too fine. If it is healthy hair it is rich, glossy, luxurious, abundant—far superior to any to be found at the hair dresser's. As a thing of beauty it is, indeed a joy forever.

But beautiful hair means healthy hair—hair that won't come out in the wash—the kind of hair that invariably follows the conscientious and intelligent use of Dr. Mairs' Dandruff Cure, the only preparation known that wakes the hair up—that makes it active, vigorous, energetic.

Dr. Mairs' Dandruff Cure has covered a multitude of heads. It will cover yours. If it fails, tell us and get your money back. It's wise to begin it's use today. Take care of your hair today and tomorrow it will take care of itself.

Dr. Mairs' Dandruff Cure goes to the roots of the hair. It begins right at the right place. It is not a tonic—it's a HAIR FOOD. It keeps the dandruff out of your hair and your hair out of the comb. It is a dressy dressing to keep on your dresser.

Buy it of your drug man or mail us One Dollar for a large bottle, prepaid. Manufactured and guaranteed by Dr. H. T. Mairs, Marshalltown, Iowa.
