

BIG CROWD HEARS GOVERNOR CUMMINS

Dedication of Rhodes High School and Presence of Governor Attracts Many

OVER 900 IN THE AUDIENCE

Ex-Speaker Byers Accompanies Governor and Delivers Short Address—Professor J. E. Stout, of Cornell, Gives Dedicatory Address—Building Now Worth \$15,000.

The dedication of the Rhodes high school and the presence of Governor A. B. Cummins for an educational address in the evening attracted a big crowd to Rhodes Monday. Over 900 people were present at both the dedicatory exercises in the afternoon and Governor Cummins' address in the evening.

The Governor's Address. Governor Cummins' address was on "The State Motto," and was both educational and historical in its make-up. Politics was not even hinted at.

Something of the School. The people of Rhodes, patrons of the independent district, have just completed a \$4,000 addition to their school building, which makes the school property, exclusive of equipment, worth \$15,000.

The school board of the Rhodes district is in every way a progressive one. Henry G. Burk is president, E. V. Fitzgerald secretary, and Ed. F. Bishop treasurer. The other members are Levi S. Flora, A. J. Bonham, John Breunig, and S. H. Lanlis.

Fourth Ward—N. S. Ketchum. A Reciprocity Resolution.

The Marshall county delegation will present before the district convention a reciprocity resolution that was unanimously adopted at the county convention, as introduced by Gov. S. B. Packard.

"We believe that the failure of the United States senate to concur in the reciprocal trade treaties contemplated in provisions of Section 4 of the Dingley act, and negotiated by President McKinley, has antagonized foreign nations upon whom we depend for a market for our surplus farm products."

"Be it, therefore, resolved, that it is the sense of this convention that the schedules of the present Dingley law afford abundant opportunity for reciprocal trade concessions, and that our congress ought to authorize the president to negotiate trade arrangements within certain provisions of Section 4 of the present Dingley law, without the further consent of either branch of congress."

"And be it further resolved, that Marshall county's delegation to the congressional convention respectfully present these resolutions for the consideration of the district convention."

due's court this morning, paid the costs and were discharged.

DANHY DISCHARGED.

President Peckham Lets Umpire Go—Brennan or Warner Will Succeed Him.

President L. S. Peckham, late Monday night telegraphed Maurice F. Danhy, who has been umpiring at Ft. Dodge, to turn over his mask and umpire to President Ford, of the Boone association. Danhy, so President Peckham says, has caused him so much trouble with players and managers that he could not bother with him longer.

President Peckham has wired Umpire Brennan, who officiated last season, but who has a relief umpire in the Western Association this year. Brennan replied that he would be compelled to give five days' notice to the president of his league before he could secure a release.

LOCALS LOSE ONE MORE AT FINISH

Boone Hammers Tretter in Closing Inning and Wins Close Game 5 to 4

BROWNIES SCORE ON ERRORS

Visitors' Infield Went to Pieces When the Bases Were Full in the Third Inning, and the Locals Scored Three—Game Was Slow and Tedium—Same Teams Play Today.

Today's Games. Boone at Marshalltown. Waterloo at Ft. Dodge. Keokuk at Oskaloosa. Ottumwa at Burlington.

Yesterday's Results. Marshalltown, 4; Boone, 3. Ft. Dodge, 11; Waterloo, 3. Oskaloosa, 2; Keokuk, 1. Burlington, 13; Ottumwa, 3.

Standing of the Clubs. P. W. L. Pct. Ft. Dodge, 13 10 3 .769

Boone, 11 6 5 .545. Ottumwa, 13 6 7 .462. Waterloo, 11 5 6 .455.

Marshalltown, 12 5 7 .417. Oskaloosa, 12 5 7 .417. Keokuk, 11 2 9 .352.

The weakening of another young twirler, this time the local man Tretter, beat the Brownies again during the wind-up of the first of the Boone series.

In yesterday's game, the same as in the two previous ones, the beating of the locals did not come until the very finish, but the responsibility for it rests with the pitcher, or with Boone's ability to hit him when they needed the run to win the game.

The Brownies, in their fielding, gave the finger Tretter all the support any pitcher could expect. They kept the errors down to one, and backed him up with a steady, careful game in both the out and infield. Their hitting, however, was erratic and ineffective.

The left-hander, McKenna, had them in distress most of the time, and also hit him spasmodically. Had it not been for the very bad breaks the visiting infielders pulled off, the score would probably have been 5 to 1.

The first three tallies the Brownies made were all brought home by a bunch of errors in the third inning when the bases were full. Three scores on a single hit is a new record for explosions. Those mistakes put the locals in the lead, but after that Boone refused to fall down at critical times.

In the third inning Boone took two tallies by reason of two singles and fielders' choice.

Not to be outdone by the visitors, Spencer led away in the locals' half of the same inning with a single. Krueger hit to Boone and was thrown out at first. Corbitt hit to Fagan, who fumbled. Baxter fouled out, and Williams hit to Alberts, who fumbled.

Spencer coming home. In an attempt to cut Corbitt off at the plate, Johnson threw the ball away up the race track, and Brown came home, Williams going to second. Three tallies.

Johnson's home run tied the score in the sixth, and Kennedy's triple and Jamison's single netted the visitors another in the seventh. The locals called back and tied the score in their half of the seventh with Krueger's single and Corbitt's double, the former scoring. Then Boone clinched the battle by McKenna, first up in the ninth, hitting to right for two bases. Fleming singled and McKenna counted on Kennedy's hit. The Brownies failed to make the circuit, although Brown got as far as second in the ninth. The score in detail:

Table with columns: Marshalltown, Boone, Spencer, Krueger, Corkill, Brown, Baxter, McKee, Harris, Thomas, Tretter, P.

Totals, 38 4 27 17. Score by innings: Marshalltown, 0 0 3 0 0 1 0 0 4. Boone, 0 0 2 0 0 1 1 0 1 5.

Earned runs—Boone, 3; Marshalltown, 1. Left on bases—Boone, 8; Marshalltown, 11. Stolen bases—Jamison, 1. Home run—Johnson. Three base hit—Kennedy. Two base hits—McKenna, Spencer, Brown, Harris, 2; Corkill. Hit by pitcher—Jamison, 2; Kennedy, Thomas. Double plays—Alberts to Johnson, Harris to Krueger to Brown. HEALTH REGAINED VIA FOOD. A man may try all sorts of drugs to help him get well, but after all the "food cure" is the method intended by nature.

Anyone can prove the efficiency of the food cure by making use of the following breakfast each morning for fifteen or twenty days:

A dish containing not more than four heaping teaspoonfuls of Grape-Nuts food, enough good, rich cream to go with it, some raw or cooked fruit, not more than two slices of entire wheat bread, and not more than one cup of Postum Food Coffee, to be sipped, not drunk hurriedly. Let this suffice for the breakfast.

Let one meal in the day consist of an abundance of good meat, potato, and one other vegetable.

This method will quickly prove the value of the selection of the right kind of food to rebuild the body and replace the lost tissue which is destroyed every day and must be made up or disease of some sort enters in. This is an age of specialists, and the above suggestions are given by a specialist in food values, dietetics and hygiene.

The ninth grade trials will be held this evening. The eleventh will have no team in the meet because of the small number of boys in the junior class this year.

A Camera Club, with a membership of thirteen, was organized at the Railroad Y. M. C. A. Monday night, and the following officers were elected: J. L. Williams, president; A. R. Welker, secretary and treasurer. For a time at least, the club will meet at the Y. M. C. A. every Monday night.

Case is Continued. Preliminary Hearing of C. L. Tallman Case Goes Over Until June 11.

By a mutual agreement of the attorneys the case against C. L. Tallman, charged with issuing a forged note, was continued in Justice's court until this morning until June 11. An effort has been made to induce both the county attorney and the prosecuting witness to drop the case. County Attorney Nordrup said this morning the case would be prosecuted.

HORSFORD'S ACID PHOSPHATE. For Indigestion. An effective remedy for obstinate indigestion, nervous dyspepsia, headache and depression.

A Unique Post Card. A most unique post card, in the shape of a photograph, showing a day's catch of fish, has been made in this city.

On last Tuesday, May 15, the opening day of the game fish season in Iowa, Dr. N. E. Mighell, Theodore P. Marsh and Adjutant G. F. A. Walker, of the Soldiers' Home, together with J. E. Marsh, of Clear Lake, spent the day at the lake and caught 150 pounds of fish. The fish were strung out and with those who caught them in the background, were photographed.

Friends of the Soldiers' Home are demanding to know just how much they had to pay for the hire of the fish while the photo was being taken. Dr. Mighell was only able to remain at the lake for one day's fishing, but the others were there for several days.

Literary Club Election. Miss Igera Getz, 12 South Third avenue, entertained the Literary Club Monday evening at its last meeting of the season.

Six Graduates Take Positions. The Central Iowa Business College has lately placed six of its graduates in positions, all paying desirable salaries.

The college enrollment has been very large the past year, but Mr. Gilbert has been able to place every student soon as graduated. He says the demand is increasing for competent stenographers and bookkeepers, and the salaries offered are most attractive.

Local Weather Record. The extremes in temperature Monday were 84 and 57, as against 74 and 51 for the day preceding, 77 and 50 a year ago, and 85 and 61 two years ago.

At 7 this morning 60 was registered, as against 57 for the corresponding hour Monday morning, 61 a year ago, and 70 two years ago.
