**LID ON AT ROCKWELL.**

Public Highly Elated Over Mayor's Action in Suppressing Lawlessness. Rockwell, June 5.—The lid is on here. Mayor Rood, who has been appointed mayor to fill out the unexpired term of Mayor Cahoon, who resigned because of removal from the town, has instituted a campaign against the lawlessness of the town, announcing his ultimatum to drunks, users of profane language and to the police. His first victims proved to be a couple of young fellows who defied the police, and after imbibing freely, proclaimed their intention of running the town. The police were notified to either arrest the men or resign. The arrest was made after a hand-to-hand battle, and after a hearing and a fine of \$25 and costs, peace reigned. The public are highly elated over the prompt action of the mayor in suppressing lawlessness on streets, and are backing him up in his endeavor to get officers who will do their sworn duty.

**NEW CLEAR LAKE CHURCH.**

Methodists Dedicate \$10,000 Structure, One of Finest in Northern Iowa.

Mason City, June 5.—Clear Lake Methodists dedicated a fine church building, which cost \$10,000, Sunday. The building is considered the finest edifice of the kind in northern Iowa. It will seat in the main audience room 1,000 people. The building's interior is finished in oak and the sittings and general fittings correspond. The dedicatory sermon was preached by Dr. Lewis, of Morningside College, Sioux City, and dedicatory cost of \$3,000 was raised. In the evening an additional \$500 was raised to pay the balance of what he lost in constructing the building. A large delegation went from this city to be present at the service, among them being the Empyrean quartet.

**COUNTY VACANCY FILLED.**

Supervisors Meet at Sac City, Naming Charles Brynston, Odebolt, Recorder.

Sac City, June 5.—The vacancy in the office of county recorder caused by the death of Harry S. Parker, was filled on Monday evening by the appointment of Charles Brynston, of Odebolt, by the board of supervisors. There were as many as a dozen applicants for the place, among whom was Deputy County Recorder, Bevie L. Highland.

**Eight Stratford Graduates.**

Special to Times-Republican.

Stratford, June 5.—A nice class of eight members was graduated from our high school on last Friday evening. Hon. A. M. Cloud, county attorney of Delaware county, delivered the class address, which was a forceful argument for sterling manhood. Rev. E. S. Benjamin, pastor of the M. E. church, delivered the baccalaureate sermon Sunday morning, May 26 at 11 o'clock.

**WEST CASE COMPLETED.**

Baby Farm Horrors Exposed During Trial at Des Moines.

Des Moines, June 5.—The case against Mrs. Fred West, proprietress of a baby farm who is charged with the murder of "Baby Jim," is being argued before a jury today, and a verdict may be reached before morning.

**WEST CASE COMPLETED.**

It is a strange web which has been woven about the lives of Mrs. Fred West, proprietress of the baby farm, and Miss Anna Beattie, her maid nurse, who have been on trial in the Poik county for the murder. There has been no such baby and never has there been a defense. The Iowa Supreme court, thru its state secretary, Mrs. Elizabeth Baird, caused the prosecution.

**Babies have been burned at the West baby farm before they were dead and thrown into the furnace to end their helpless cries," is a charge which Miss Flora Goble, the chief witness for the prosecution and a former nurse at the home, made in a sworn affidavit. She declares she saw Miss Beattie give ten drops of laudanum to "Baby Jim," under the direction of Mrs. West.**

**"Mrs. West asked me to give the laudanum to the baby and brought me the poison bottle," she said. "I refused, and Mrs. West told me not to be foolish, that it was the way they always did when the babies gave any trouble, they put them out of misery as fast as possible."**

**That there has been traffic in babies is admitted. The infants were bought and sold and when this was impossible, given away. Inmates of disorderly houses, it is said, bought the babies, using them as one would a poodle, to play with.**

**Only girl babies were wanted by those women, but they were willing to pay good prices. Mrs. Baird claims also to have discovered that the baby farm proprietors were running their several graveyards without legal formalities.**

**"Baby Jim" is alleged to have been adopted by a family who wanted a baby, to get a fortune but he became afflicted with an eye disease and was exchanged for another. Then he disappeared. Miss Goble declares that Mrs. West ordered him put out of his misery with laudanum. Mrs. West denies this and says she will produce him.**

**ROCKWELL CITY FIRE.**

Some Damage Done to Two Buildings, and Stocks Partly Ruined.

Special to Times-Republican.

Rockwell City, June 5.—A fire which might have been much more disastrous had it not been for its timely discovery, occurred Monday night about midnight, in the J. H. Gregg building, now occupied by the Plimney meat market. The fire was in a rear corner of the building, which is a frame structure, had burned its way thru the wall, and was burning the wall of the adjoining

building, which was but four inches from the building in which the fire originated, and which is occupied by Frank Burnham, who conducts a general merchandise business. Owing to the narrow space between the two buildings in which the fire was burning, it was very difficult to reach it, but after hard work it was extinguished. Well soaked lumber and a quiet night were favorable to the firemen's efforts. The stocks of goods in the buildings were not greatly damaged. The principal damage was to the Gregg building, which was considerably demolished by fire, water and the axes of the firemen. The fire started in the butcher shop smoke house.

**WEBSTER CITY RUCTION**

City Superintendent Has Failed to Start Work on New Well

Mayor Hyatt Makes Threat May Exercise His Rights and Name New Superintendent—Question Arises Whether Superintendent Is Working Under Council's Orders or the Mayor's—Water Impure.

Special to Times-Republican.

Webster City, June 5.—Because City Superintendent S. C. Green has failed to start work on the new municipal well, which the council recently instructed him to dig, Mayor Hyatt has threatened in an open meeting of the council to exercise his rights under the new law and name a new city superintendent. The mayor's attitude has raised the ire of the water committee of the council, under whose supervision the new well was to have been dug, and the city officials have locked horns over the affair. Mr. Green has not yet been deposed, neither has work begun on the new well. Ames college chemists have declared the city water to be impure, and the mayor swears by all that is good and bad Webster City that he will have pure drinking water. The water committee agrees with him, but the method of obtaining it is causing the biggest kind of a ruction among the city officials. Last summer the water was declared to be impure. Another sample sent to Ames this spring was also shown to be impure, then it was that the council ordered the city superintendent to dig a new well under the direction of the water committee, the council superintendent work under the mayor's attitude that the head of the water committee, that the water was seeping into the wells and ordered the superintendent to repair the seepage and then to send another sample of water for analysis. All this took time, and meantime there was no sign of activity toward the sinking of a new well. While under the old law the city council elected the superintendent of municipal plants, that official, together with the street commissioner, weighmaster, sexton, clerk, etc., is now appointed by the mayor. Hence, when no signs of a new well were to be seen, Mayor Hyatt informed the council that if some action were not forthcoming, that soon there would be a new city superintendent. This was like hurling a bomb into their midst, and the water committee, composed of Aldermen Miller, Ainslie and Helmick, were on their feet at once. They considered the mayor's attitude an affront to them, as Superintendent Green was working under their orders. Mayor Hyatt, however, stood pat, and the city now awaits the next move with unusual interest. Superintendent Green states that future action on his part depends upon the analysis the Ames experts make of the last sample of water which he submitted to them. If impure, he will proceed with the new well.

**DEATH AT LAKE CITY.**

C. W. Guenther Was Well Known Business Man and Church Member.

Special to Times-Republican.

Lake City, June 5.—C. W. Guenther died at his home Monday night, after a few days' illness of pneumonia. Mr. Guenther was the senior member of the grocery firm of Guenther & Son. He was a man of very methodical business habits, and an active member of Lander Post, G. A. R. He was also a member of the Presbyterian church, from which place the funeral was held this afternoon.

**Former Boone Resident Dead.**

Special to Times-Republican.

Boone, June 5.—Word has just been received in Boone, telling of the death of Mrs. Thad Gregory, a former resident of this city. Her death occurred Sunday at Valley, Wyo., following a long illness from tuberculosis of the bowels. Her home was in Coffey, Wyo., but on account of her sickness, she was taken to Valley, where it was hoped that the change would do her good, but she gradually declined until death ensued. While in Boone, her husband was the representative of the Standard Oil Company, and the family was well known.

sound of the squeaking wheels and clattering hoofs was drowned by the voices singing hymns. Mr. Reeves and his family came out a few minutes later full of good thoughts, and found that others had been busy with evil thoughts. The detectives were put on the case, but the robbers have not yet been apprehended.

**Sioux City.**

Holding that the transfer of the title to the library building from the old library board of trustees to the city of Sioux City was void, the supreme court yesterday rendered a decision which forces the city to pay George E. Westcott a \$4,000 judgment or lose the building thru an execution sale. City Attorney Fred Sargent will carry the case to the supreme court.

**Vinton.**

Officers Blair and Sealey, after a long drawn out man hunt of over a year and a half, have finally succeeded in recapturing Bert Gaylor, an inmate of the Benton county jail, who succeeded in making good his get-away from former Sheriff Yousef. They have been secretly working on this case for some time past and traced him down to Alva, Okla., at the home of his sister, where they wired for his arrest.

**Davenport.**

Judge Jackson overruled the motion for a new trial in the case of the state vs. John C. Kuehl, steward at the Benton county fair, who recently was convicted of assault and battery on one of the inmates, Jacob Heiber. Judge Jackson, after denying the defendant a new trial, imposed a fine of \$50 and costs. County Attorney A. W. Hamann appeared for the prosecution, and George W. Scott represented Mr. Kuehl.

**Vinton.**

An effort is being made upon the part of some of the prominent Benton county citizens to raise a fund for the purchase of an oil portrait of Governor Sherman, who died in this county. Several years ago an artist at Iowa City, Mr. Shurig, was commissioned to paint pictures of two of the governors of the state for the state capitol building at Des Moines. Thru some mistake another artist received the same commission and two sets of paintings were

made of the two governors. In adjusting the matter one picture was taken from each artist, thus leaving the painting of Governor Sherman on the hands of Mr. Shurig. It is the desire to buy the painting to hang in the new court house building.

**Orange City.**

The commencement exercises of the graduating class of the Orange City high school were held at the opera house. The class had eleven members. They were Hendrika Toering, Grace Chase, Jennie ve Steeg, Thilla Dyk, Anna Van Wechel, Anna Bolsma, Rena Raak, John Scholten, Herman Van Pelt, Henry de Kraay and William Popma. After the conclusion of the exercises the class gave a reception to the alumni and the members of the board.

**Waterloo.**

The court Friday made an order for judgment in a slander suit brought by David Gibson against Mary Atkins for \$500. The petitioner claimed that during the latter part of the year 1905 defendant industriously circulated a story to the effect that plaintiff had stolen her hog and killed it on Sunday, afterwards going to church to have his sins forgiven. Defendant answered the allegation, disclaiming any knowledge of the remarks. The court found judgment for plaintiff in the sum of \$10 and costs of case.

Dubuque Has Plans For Elaborate Entertainment of G. A. R. and Auxiliaries

LARGE ATTENDANCE ASSURED

Big Drum Corps Composed of War Veterans—Hornets' Nest Brigade to Hold Reunion—Secretary Taft, Governor Cummins, Major Lacey, George D. Perkins to Be Present.

Special to Times-Republican.

Dubuque, June 5.—Adjutant General George A. Newman of Des Moines has just been in Dubuque in conference with the local committee which has in hand arrangements for the annual encampment of the G. A. R. of this state, which is to be held in this city next week, commencing Tuesday and ending Saturday. Before he left for Des Moines he stated that the local committee had everything in good shape and that everything indicated the encampment this year will be the best and most largely attended of any ever held in the state.

All arrangements have been completed for the appearance during the entire week of a monster drum corps composed of the members of the National Association of Civil War Musicians, Mr. Freeman of Audubon, Ia., the president of the association, states that there will be fully fifty of the old musicians in line with their quaint old drums and fife which they used during the war times.

The annual reunion of the Iowa Hornets' Nest Brigade will be held during the week and an uncommonly large attendance is anticipated. The annual reunion of the ex-pensioners of war is expected to bring large numbers from all parts of Iowa, Wisconsin and Illinois.

The Sons of Veterans and the Spanish-American War Veterans and the veterans of the Philippine wars will be here in large numbers and take part in the parade.

Numerous campsfire will be held each evening and other entertainments are being arranged for the week.

Secretary of War Taft will be in the city one day, as also will Governor Cuyahama, Hon. George D. Perkins of Sioux City, Major Lacey of Oskaloosa, General Chellain, of Galena, Ill., and numerous other important personages from this section of the country will be in attendance.

The committee states that the homes of the city have been opened to the visitors and that all who come will find the best of quarters at their disposal.

**ROCK ISLAND OBTAINS LEASE.**

Will Obtain Entrance to Mason City by Means of Iowa Central.

Special to Times-Republican.

Mason City, June 5.—Authoritative statements today from railroad men are to the effect that the Rock Island road has leased a portion of the Iowa Central from Manly to Mason City, and will thus find ingress to this city. This, it is understood, is the preliminary arrangements for the final entrance of the Rock Island into this city. Already freight arrangements are made between the Central and the Rock Island for the handling of freight from the Northwestern States cement plant. A spur has been built from the Central to the plant and a part of the way, the road being carried by a steel structure over a deep and road way. It is also stated that the Des Moines "Short Line" has leased two miles of the Great Western tracks, and will also have the privilege of using the latter road's yards and superintendent of construction for the "Short Line," says that his road will be running trains into Hampton by July 4.

**Garrison News.**

Special to Times-Republican.

Garrison, June 5.—Mr. and Mrs. George Stauffer enjoyed a visit from Mr. and Mrs. James Stauffer, of Blairtown, last Sunday.

A number of farmers in this vicinity shipped hogs and cattle on Tuesday. Among those who shipped were O. Bollenbaugh and Henry Ravenscroft.

Bert Tyler has purchased a gasoline engine and cement mixer, which will enable Mr. Tyler to make as fine a cement walk and do it as quickly as the best of them.

Leu Dautremont has been about laid up with a gathering under his arm, but is now some better.

Ed. Rucker is not progressing as rapidly as desired, and is still quite sick.

L. F. Heiden is having his house painted.

Mr. and Mrs. Mark Reese went to Vinton Tuesday evening for a short visit.

Our schools will close this week. There will be no commencement this year, owing to the addition of a year to the course.

Through the blood, diseases are carried from one generation to another. Parents transmit them to their children, and so it goes on down the family line for years and years unless the taint is removed from the blood. Especially is this true of Scrofula, for it is a disease that is "bred in the bone," and unless the blood is purified and every trace of the trouble removed the miserable disease will finally undermine the entire health and wreck the life of its victim. The usual symptoms of Scrofula are enlarged glands of tumors about the neck, which often burst and become discharging ulcers, weak eyes, Catarrh of the head and throat, skin diseases, etc. The trouble being so firmly entrenched in the blood often attacks the bones, resulting in White Swelling, or hip disease, while a waxy, pallid appearance of the skin, loss of strength and energy, and often lung affections, show that the disease is entirely destroying the bright red corpuscles and rich, nutritive qualities of the blood. Scrofula being a constitutional disease, one affecting the entire circulation, must be treated with a remedy that builds up and strengthens every part of the system, which has so long been denied the strength and nourishment it should have received from the blood. S. S. S. is the best of all blood purifiers and the greatest of all tonics, and is therefore the ideal remedy for Scrofula. S. S. S. searches out and destroys all germs, faints and poisons, gives strength, richness and vigor to the blood and cures Scrofula permanently. It so thoroughly removes the trouble from the blood that no more of it ever seen again, and posterity is started out in life with a clean, pure blood supply, which is their rightful inheritance. S. S. S. while thorough, is gentle in its action, and the healing vegetable ingredients which compose it build up every part of the system. Book on the blood and medical advice free.
