

MILD RALLY IN WHEAT

Early Weakness Due to Lower Cables and Continued Free Movement

EASY TONE IN CORN MARKET

This Was Due to Cash Houses' Moderate Sales of May Delivery, Favorable Weather and Fairly Liberal Receipts—Dull Tone in Oats, But Market Steady—Provisions Steady.

Chicago, Nov. 27.—Buying by shorts caused a mild rally in wheat today, following slight weakness at the opening. The early weakness was due to lower cables, and to the continued free movement of wheat in this country. December opened at 1.03 1/2, and advanced to 1.03 3/4. Minneapolis, Duluth and Chicago receipts were 1,354 cars. The market continued firm the remainder of the day, and December closed 1/4% higher at 1.03 3/4.

Corn was easy, owing to moderate sales of the May delivery, by cash houses. The weather was favorable for the movement, and arrivals today were fairly liberal. December opened at 63 to 63 1/2. Receipts were 193 cars. A weaker tone developed later, owing to reports of large offerings in the country. December closed down 1/4% at 62 1/2.

Oats were dull and steady. December opened at 48 1/2, and declined to 48 1/4. Receipts were 102 cars.

Provisions were steady, on moderate demand.

ROMANCE ENDS IN MARRIAGE

Iowa Couple Are Wedded After Years of Separation. Dubuque, Nov. 27.—The marriage tonight of D. A. McKinley of Twin Falls, Mont., member of the Montana legislature, and Mrs. Harriet Friedman of Dubuque was the result of a revival of romance of their younger days. While sweethearts years ago in Guttenburg, Ia., Mr. McKinley went west, where he prospered. In the course of time both married and later their life partners died. Recently they met again and the spark of old days was rekindled. The groom's son and the bride's daughter were the attendants at the nuptials.

VAN CLEAVE TO GIVE TESTIMONY

Head of Manufacturers' Association Will Plead for Revision Downward. Washington, Nov. 27.—Chairman Payne of the ways and means committee has sent a special invitation to President Van Cleave of the National Manufacturers' association asking him to come to Washington and testify in the tariff revision hearings. Mr. Van Cleave probably will give testimony on the tariff revision committee, which also testify. Both will advocate downward revision. From the testimony offered before the committee at yesterday's hearing it is evident that some reduction possibly 10 to 20 per cent, will be made in duties on iron, steel and metal products.

THE SPORTS IN BRIEF

AMES HOLDS CHAMPIONSHIP

Defeats Drake in Great Contest, 12 to 6. Des Moines, Nov. 27.—Ames is the foot ball champion of Iowa for the third year in succession. Before a crowd of 8,000, the largest one of its kind ever gathered in this state, Drake went down to a glorious defeat by the score of 12 to 6. The Haskins field has been the scene of many a great foot ball battle, but none more thrilling, more spectacular, more truly earned, than that of yesterday.

Leander Clark Plays Tie Game. Toledo, Nov. 27.—With a large crowd in attendance and with a fine field, the Des Moines college and Leander Clark eleven met in a fiercely played game that resulted in a score of 0 to 0. In the first half, Des Moines appeared to be the superior team, but in the last half Leander outplayed the visitors and twice came within ten yards of the goal, while the nearest Des Moines came to scoring was once in the first half when they were within twenty yards of the goal. Leander Clark used old style foot ball and attempted no forward passes; there were no stars, the whole team working like a machine. The kicking game was a standoff between Coles and Yount.

Iowa Falls is Champion

Special to Times-Republican. Iowa Falls, Nov. 27.—In the closing game of the season here yesterday, the high school teams of Clarion and Iowa Falls met in a rather one-sided contest, the local team winning by a score of 10 to 0. Both teams had a long list of victories to their credit, and the game was looked upon as deciding the high school championship of northern Iowa, the Clarion team having won nearly all the games on its schedule, and Iowa Falls having beaten but one, and then by Marshalltown, a central Iowa team.

Beats Rockwell City Again

Special to Times-Republican. Sac City, Nov. 27.—Sac City won by a score of 5 to 0 in the Thanksgiving game of foot ball, between Sac City and Rockwell City, making the second victory this month for the home boys, over Rockwell City.

No Game at Ida Grove

Special to Times-Republican. Ida Grove, Nov. 27.—The foot ball game here today, between Ida Grove and Oskaloosa high schools on Thanksgiving was called off, on account of the muddy condition of the field.

Lawn Tennis Singles

Meibourne, Nov. 27.—In the singles for the Davis international lawn tennis cup here today, Norman Brookes, of Australia, beat F. B. Alexander, of America; Beals C. Wright, America, beat A. F. Wilding, Australia.

Ketchel Defeats Papke

San Francisco, Nov. 27.—Stanley Ketchel of Grand Rapids regained the middleweight championship of the world and reversed his defeat of last September when he sent Billy Papke, the Illinois "thunderbolt" crashing to the floor before a well directed blow that caught his opponent flush upon the chin at the end of the eleventh, prior to which Ketchel showed clearly that he was master of his opponent at any kind of fighting. Round by round Ketchel forced his opponent and when opportunity showed itself planted right and left to body, causing without damage in return. Believing his appearance and forcing the fight through every minute Ketchel was stronger up to the moment of the knockout blow than was his opponent. Once during an aggressive moment they fell in the ringside and copied thru the ropes, wrapped in a close embrace. It was a left to the stomach that sent Papke to the ropes at this juncture.

ASSETS JUGGLED AWAY

Situation of Ohio German Insurance Company Grows Worse.

Toledo, O., Nov. 27.—The affairs of the Ohio German Fire Insurance company are in worse condition than supposed, and it is learned on reliable authority that the circuit court will appoint trustees for the company under an Ohio law which gives such trustees even more authority to administer the affairs of the company than a receiver would have. Frederick D. Prentice, vice president and secretary of the Ohio German Fire, has made a full confession to Superintendent of Insurance C. C. Lemert, and other state officials. In his confession, which was verbal, but which was transcribed by stenographers, Mr. Prentice says the irregularities and falsification of records were made with his full knowledge. The confession, the state authorities say, does not implicate Judge Michael Donnelly, president of the company, or former Superintendent Miles. President Donnelly has since his entire fortune retrace the \$350,000 in the cash and is on the verge of breaking down.

Little for Creditors

From accurate inside sources it is learned that the company's liabilities are approximately as follows: Capital \$200,000. Outstanding losses 120,000. Other liabilities 25,000. Total \$345,000.

The assets consist of \$123,000 of bonds, stocks and mortgages which have been placed in the Dollar Savings bank of Toledo, the receipt being given by the bank to Counsel Tracy of the Ohio German and Attorney General Denman. Of these assets thus deposited with the bank \$154,000 belongs to the Ohio German and a written agreement to return them given to the real owner, so there is likely to be a contest regarding their ownership.

SENSATION IN PARIS

Believed Plot in Which President Faure Was Killed Will Be Revealed.

Paris, Nov. 27.—Paris, with Mme. Steinheil's confession in connection with the murder of her husband and Mme. Japy, is in the maelstrom of a national political and social scandal more exciting to the imagination than the Humbert, Dreyfus and Syveton affairs combined. The mysterious death of a president of the republic, the late Felix Faure, Parisians believe, is about to be solved, and certain eminent statesmen and high government officials are being more and more completely stripped of the last shred of respectability, prey for the tongues of France.

President Faure died suddenly in the house of M. and Mme. Steinheil, Feb. 16, 1899, and no arrests ever were made. Late Sunday night, the artist Adolphe Steinheil, rich and famous painter, and his highly respected and esteemed mother-in-law, Mme. Japy, were strangled to death. The artist's beautiful and accomplished wife in the next room escaped unharmed.

A least one newspaper in Paris openly accuses Mme. Steinheil with administering poison to President Faure. Yesterday Mme. Steinheil confessed her attempt to find the assassins and innumerable fantastic fables furnished the police and the newspapers were only a desperate farce to conceal the author of the crime whom she knew and things that journalists knew and dared not tell about the death of Faure are being shouted into the air by angry crowds.

Unprecedented scenes were witnessed at the palace of justice while the woman who is charged with the murder was required to restrain the crowds from entering. On the boulevards men fought for special editions of newspapers having in their accounts of the case, while in the lobbies of parliament the nationalists created a hubbub by threatening to demand government to account unless orders were given immediately to probe the scandal to the bottom.

A Leading Question

(San Francisco Chronicle) Superintendent McLaren of San Francisco's system of public parks was inspecting the work of restoring

now that the St. Francis has been removed. "I'm for heat" thus an out; it's a bum little bush remarked a gardener with a brogue.

"Which one" inquired McLaren. "You don't mean" this beautiful little Scotch heather. All it needs is more water and it will grow as tall as you are. "You're not very tall yourself, Mr. McLaren." "Not extraordinarily so." "I say, Mr. McLaren," reflected the gardener thoughtfully, "did you ever try water on yourself?"

CURE IT IN ONE DAY.

Coughs and Colds Disappear Like Magic When Hymel is Used.

If the thousands of people who suffer from hacking coughs and agonizing colds would arouse themselves sufficiently to follow this advice, they would cease to complain within twenty-four hours.

Here is the advice, if you take it and you are afterwards sorry that you did, it won't cost you a penny. Go to McBride & Will Drug company and purchase from them a Hymel (pronounced High-o-me) outfit. It will only cost you \$1. Take it now; use it according to directions, and if it does not cure your cough or cold, take it back and they will refund the purchase price.

When you use Hymel you don't swallow nauseating drugs. You simply breathe in the soothing, pleasant and antiseptic Hymel air thru the little pocket inhaler that comes with each outfit. As this medicated air passes over the inflamed and raw passages almost at once, and cure follows.

"I can't speak too much in praise of your Hymel treatment for catarrh. I have been using your remedy for about two weeks, and I have found more relief in that time than anything that I have ever tried.
