Itching, Burning Eruption from Head to Foot—Doctor Gave Her Up Entirely—First Application of Cuticura Brought Relief and Sleep.

CUTICURA REMEDIES EFFECT PERFECT CURE

"Four years ago I suffered severely with a terrible eczema, being a mass of sores from head to foot... After being given up by my doctor I was advised to try the Cuticura Remedies. After the first bath with Cuticura Soap and application of Cuticura Ointment I enjoyed the first good sleep during my entire illness. I also used Cuticura Resolvent and the treatment was continued for about three weeks. At the expiration of this time I was able to be about the house, entirely cured, and have felt no ill effects since. I would advise any person suffering from any form of skin trouble to try Cuticura Remedies as I know what they did for me. Mrs. Edward Neenan, 1112 Seina St., Watertown, N. Y., April 11, 1909."

PROGRESSIVES SMILE

CAMPAIGN OF REAL REPUBLICANS IN IOWA OPENS MOST AUSPICIOUSLY.

FINANCE COMMITTEE TO SECURE SMALL FUND

Big Political Meeting to Be Held in Des Moines Being Discussed—Other Side to Bring Some Big Eastern Man to Iowa For Speech—Van Wagenen and Government Ownership.

Special to Times-Republican. Des Moines, April 12.—There is evidence of much satisfaction in republican circles supporting progressive principles. Those who stand pat on the platform and have no intention of deserting the party leaders in Iowa this year are wearing broad smiles.

In the mail on Monday there came to Robert Fleming, chairman of the committee to handle the Cummins-Dolliver-Garst campaign just 25 Garst petitions signed up, which means 500 names of good republicans signed on the first day. Chairman Fleming sent out a few of the petitions on Saturday and the rest will follow in this bunch. A good many of the senders asked for more blanks. Some of them suggested they would be ready to contribute for the good cause.

No campaign ever started off quite so cheerfully and with such evident satisfaction. A great many letters have already been received either by Mr. Fleming or Governor Garst or some of those who are known to be active in maintaining party unity and harmony. They all indicate that the republicans have taken the only course left for discharging their duty. Had they been thrown down by the Jackson committee to mortal combat in every voting precinct of the state.

A finance committee will probably be named, for while it is the plan of the progressives to make a campaign with very little bluster and certainly no great expense, postage will have to be paid on the correspondence. As the campaign is for maintaining the party organization and keeping Iowa in line with its historic position in support of progressive principles, the committee now at work will appreciate all aid from every source.

In Des Moines there is very strong sentiment in favor of having a big political meeting here at a very early date. The Coliseum could be secured and there is no doubt it would be filled with enthusiastic republicans. If a speaker of national reputation can be got, or if one or both of the senators could come for such a meeting, it would be appreciated by the republicans of this part of the state. It is assumed that the others will bring on some great leader like Aldrich or McKinley or Taft, and tell the Iowa republicans what to do.

Life in the corn district of northern Iowa is on too high a plane for the army officers who traverse the state. Under present military regulations two army officers are assigned to duty regularly with the Iowa militia? The sergeant who has been doing work among the companies in northern Iowa has asked to be relieved of his duties here and to be sent back to his regiment on the ground that he can not afford to stay. He gets \$1.50 a day for hotel pay and he says that most of the hotels charge more than that sum, hence he is losing all the time. Either Iowa hotelkeepers will have to come down in price or the government will have to best wages and allowances for room rent and dinners.

Governor Shallenberger, in his Jefferson speech, told the story of how when the governors went down the Mississippi accompanying Taft and Cannon and a few others last fall the governor, were taken ashore at Hickman, Ky., so the natives could see what sort of men are chief executives of Nebraska, Iowa, Illinois, and other states. They had arrayed themselves in their best and thought they made a fine showing. Their pride fell when one of them overheard this conversation: "Say, Bill, who are these fellows?" "Why, they're the governors of all these states."

"Well," after a few moments of thoughtful pause, "it looks like the people have got so they don't care a d— who they elect governor any more."

Judge Van Wagenen, of Sioux City, who attended the Jefferson banquet, is one of the best informed men on government ownership of railroads in the country. Seven years ago, at a similar banquet in Des Moines the judge delivered an address on the subject which startled the democrats by its strong showing. There was some talk then of nominating him for governor and twenty-six scholarships have been awarded to honor students in the different colleges of Iowa by the graduate college of the State University of Iowa. Of these, all but four go to residents of Iowa. The students who will enjoy the making scholarships are: D. A. Anderson, Leonard, and Albert Kuntz, of Ridge-way, senior fellowships; N. D. Knapp, Garrison; D. E. Merrill, Guthrie Center; W. D. Miles, Oskaloosa, and F. O.

NOTABLE DOUBLE FUNERAL. All Mason City Stirred Over Passing of Mr. and Mrs. Denison. Special to Times-Republican. Mason City, April 12.—Never before in the history of the city has the entire population been more stirred than over the recent death of both the heads of one of the city's most prominent families, Mr. and Mrs. Owen T. Denison. Every business place in Mason City was closed yesterday afternoon during the funeral. Probably never before in the history of the city has a death so affected the entire population.

The double funeral was held at the Denison home on East Seventh street, at 2:30, in the afternoon. Rev. Mr. Towner of the Congregational church officiated. Great floral decorations enveloped the caskets of the two mourned residents who have passed to the beyond. The Knights Templar escorted the bodies to the cemetery. Interment was made at Elmwood.

PROGRESSIVES ARE PLEASED. Carroll Republicans Enthusiastic Over Announcement of Garst for Governor. Carroll, April 12.—The progressive republicans here are enthusiastic and jubilant over the announcement of Hon. Warren Garst that he will be a candidate for governor. They believe he is as much entitled to a second term as Governor Carroll and in addition he is right on the issues of the day.

An additional source of gratification to progressives is the conversion of Paul Maclean, editor of the Carroll Herald, who formerly was editor of the Creston Advertiser, one of the strongest standpat newspapers in the state, and who was a staunch supporter of Congressman Hepburn.

RIVER ATTACKS A PARK. Expenditure of \$65,000 Needed at Sioux City For Revetment Work. Sioux City, April 12.—Congressman Hubert H. Hubbard, to whom Sioux City appealed for government aid in saving Sioux point from the ravages of the Missouri river, has telephoned that Major Schulz estimate of the cost of the revetment work is \$65,000. He says the government probably would appropriate half this sum if the citizens and corporations interested will give the other half. The Missouri is threatening to carry away a part of Riverside Park, the city's most popular playground.

Wife Collected, Hubby Paid Bills. Waterloo, April 12.—Claiming that his late wife, from whom he was divorced during the January term of the Blackhawk county district court, conducted a boarding house, pocketed all the proceeds and left him to foot the grocery, meat and other bills, which he was unable to do, E. W. Mellinger has filed a petition in voluntary bankruptcy. His liabilities are scheduled at \$350 and his assets as nothing.

According to the attorney for Mr. Mellinger, that gentleman would be glad to pay all his liabilities, but has been unable to do so because his creditors have pressed him too hard and it has become a physical impossibility. Illegitimate Son Seeks Estate. Sigourney, April 12.—Judge W. G. Clements has opened court here for the purpose of hearing the case of Frank M. Tout vs. Mary E. Woodin and others. This action involves the entire estate of the late E. H. Skillman, amounting to between \$200 and \$300,000 worth of property. Tout claims to be the illegitimate son of Skillman and the only heir to the estate. The defendants are sisters of the deceased, and with their children, claim the estate. It is claimed on the part of the plaintiff that he was recognized by Skillman during his lifetime as his son. The case is attracting wide attention.

Fred Grant to Anamosa. Special to Times-Republican. Logan, April 12.—To send a sentence in punishment for an assault to commit rape, Fred Grant was taken to the reformatory at Anamosa by Sheriff Rock yesterday. Parole is recommended in eleven months by the court and others.

ROCK ISLAND BUYING

IN THE MARKET FOR NEW LOCOMOTIVES AND FREIGHT CARS.

READY TO SPEND \$3,000,000 FOR VARIOUS EQUIPMENT

This Sum is in Addition to \$2,000,000 in Orders Recently Placed—New Cars to Be of Steel Frame Type—Engines Desired For Both Passenger and Freight Business.

Cedar Rapids, April 12.—It was officially announced yesterday that the Rock Island is in the market for approximately \$3,000,000 worth of new equipment and power, which will be in addition to orders recently placed and necessitating an expenditure of over \$2,000,000.

The present need of the company is for 2,000 freight cars and ninety-five locomotives for delivery this year. These orders, together with others recently given, will bring the Rock Island's equipment and power efficiency into prominence by comparison. Of the freight cars to be ordered 800 will be box cars, 500 will be automobile-furniture cars and 500 will be stock cars, all of 80,000 pounds capacity, while 200 will be ballast cars of 100,000 capacity. The locomotives to be purchased are twenty-five of the Pacific type for passenger service and thirty-four are to be consolidation freight engines. The passenger engines will be equipped with all the modern improvements, including super-heaters, and each will weigh 226,000 pounds, of this weight 150,000 pounds will be on the drivers. The freight engines will weigh 208,000 pounds, with 188,000 pounds on the drivers. The freight cars will all be of the steel frame type which has been adopted as standard by the Rock Island.

Water Service Extension. Superintendent Phillips, of Eldora Waterworks, Advises Expenditure. Special to Times-Republican. Eldora, April 12.—Superintendent H. G. Phillips, of the water works department, has suggested to the city council that the condition of the city finances are such at the present time as to warrant the extension of the water mains in some of the needed sections this spring. Mr. Phillips believes that the council should order the mains extended at once on East Putnam street and on Harrison street, as the fire protection in that section is not good. He says also that if it is at all possible an extension should be made east on North street, from the intersection of North and Madison streets to a point 1,200 feet east.

The city has some pipe on hand and with the purchase of the material necessary to the construction of the additional mains, together with the labor, the cost would total about \$1,000.

FOUND ROLL OF BILLS. But Thus Far Has Been Unable to Find It Over.

Atlantic, April 12.—The Telegraph has on hand a small roll of bills which was picked up Sunday on the street by Miss Ollie Hughes, daughter of S. S. Hughes of Marne. Mr. Hughes has been trying for several days to find the owner of the money and has been unsuccessful. The money was found in front of the E. E. Marquis store. There is a certain peculiarity about the money that it can be easily identified by the owner. If no one calls for the bills the money will be returned to the honest girl who found it and she will donate everything possible to find the owner.

LIFE IN NEW HOME SHORT. Mrs. Nelson Switzer, of Franklin County, Succumbs to Brief Illness. Special to Times-Republican. Geneva, April 12.—After an illness of only a few days Mrs. Nelis Switzer died at her home near this place. Mr. and Mrs. Switzer have been residents of this county for many years. About three months ago Mr. Switzer purchased the D. J. McMillan farm, one of the finest improved farms in Franklin county. They have only been settled in their new home a few weeks, where they celebrated their silver wedding, two weeks ago.

Candidate for the Legislature. Sioux City, April 12.—U. G. Whitney, for ten years county attorney of Woodbury county, has come out as a republican candidate for the legislature from this district. He is popular in country and city and probably will be elected. Representative Harding has declared himself a candidate for reelection.

Alta, April 12.—A. E. Harrison of Denison has been elected superintendent of the Alta schools for next year, to succeed L. D. Curtis, who has filled the place for the past five years. The new man has been principal of the Denison high school. On Wednesday night a laymen's banquet will be served at the M. E. church, as an echo meeting of the laymen's convention at Sioux City last month. Several speakers from Sioux City and other parts of the northwest will be present. J. H. Wadsworth is erecting a cement block office building, which will be occupied by professional men.

The republican campaign before the primaries is active in Buena Vista this year, fifteen candidates having been announced for various county offices. E. H. Cunningham is unopposed for representative, as are Ole L. Helsa for auditor, C. C. Colwell for clerk and W. C. Edson for attorney. J. A. Woodard of Storm Lake, Henry Kischer and O. P. Patterson of Albert City, and D. W. Thomas of Rembrandt are candidates for sheriff. Much hard work has already been put in and the campaign is warm for all offices where there is more than one candidate. On state politics little has been heard. Nomination papers for Carroll and Garst have been circulated and it is apparent that the progressive sentiment is strong.

There's a Better Soap than the kind you're using. Its name is "Bob White." It is a new soap—of almost snowy whiteness, hard, firm, sweet-smelling, good to look at, a joy to work with—just the sort of a soap you would make for yourself if you knew how. Bob White Soap isn't a cheap soap—really good things never are cheap. On the other hand, it isn't a dear soap. The price is 5 cents a cake. And a cake is big enough to do the washing for a good-sized family. The thing you'll notice, above all others, in connection with Bob White Soap, is the suds it makes. It is remarkable—a perfect mass of bubbles, as white as snow and as light as air. The Protector & Humbler Co.
