

A Good Way to Use Hyomel

Besides breathing thru the inhaler a few times a day, many catarrh sufferers write that they find inhaling Hyomel from a bowl of steaming water each night before retiring a great aid in curing stubborn cases.

ROOSEVELT TO IOWA

FORMER PRESIDENT URGED TO VISIT STATE IN AUGUST.

HE IS GOING WEST FOR CONSERVATION SPEECH

Pinchot, It is Believed, Carried to Roosevelt Complete Statement of Situation in Middle West—Probable He Will Act as Peacemaker in Republican Party.

Special to Times-Republican. Des Moines, April 13.—Ex-President Roosevelt may come to Iowa in August.

He is due to speak at a meeting in Kansas about that time. He has been urged to come to Iowa. The missions which he visited in East Africa are largely the missions supported by the United Presbyterian church, which is strong in the west, and one of the men practically in charge is an Iowa man.

Perhaps this is the man quoted in the dispatches as assuring the ex-president that Iowa wanted him for president again. So it is entirely possible that the ex-president will come to Iowa to talk about missions and what he saw in East Africa.

It is also known positively that Gifford Pinchot, who was called to Europe by telegram from Roosevelt himself, carried with him a very complete statement of the political situation in Iowa, Minnesota, Kansas, Nebraska and the states of the west. The president will not be in the dark as to what the situation is and why it is so.

The extent and completeness of the confidence which Roosevelt has in Pinchot is not generally known. The fact is there has been one of the Roosevelt so-called "tennis cabinet" in whom the president placed such confidential confidence as the distinguished forester. While Roosevelt was president he hardly made a move politically without consulting Pinchot. In fact it was during the lifetime of Pinchot's father that the latter called in Secretary Wilson and induced him to send Pinchot abroad because the father felt that the president was wearing out the life of the young man.

But for the fact that Mr. Pinchot was called unexpectedly to Europe to meet the ex-president he probably would have come to Iowa last month on the trip which he had planned to the west. In fact it was almost certain he would have stopped off in Des Moines for a day.

Leading republicans do not anticipate that Ex-President Roosevelt will come out in any open way against the policies pursued by his successor, but from the fact that he sent for Pinchot they do now believe he will undertake to act as peacemaker in the party and induce the administration to lift the political boycott placed on the republicans of the west who have offended by sticking so closely to the principles of the party. They are now confident that at least the ex-president will not give any aid or comfort to those who are bent on the rule or ruin policy.

If Roosevelt comes west in August it is not entirely impossible for him to be in Iowa about the time of the republican state convention.

WATERLOO MILLS MAY CLOSE. Owners Favor Consolidation With Cedar Falls Plant.

Cedar Falls, April 13.—At a meeting of the stockholders of Waterloo, Cedar Falls Tannery Company the matter of selling the real estate on which the Waterloo mills are located was the chief topic for discussion. The facts in the case are as follows: Some of the stockholders are very much in favor of disposing of the real estate now occupied by their mills in Waterloo, owing to the fact that they can realize a fancy figure for it and then to increase the capacity of the mills in this city so that all the milling may be done here.

Those in favor of the move aver that the water power in this city is much better than that in Waterloo and that the work can be carried on at much less expense by having the business consolidated in this city. There is of course some opposition to the move and it may be in vain to defeat the proposition. It is hoped by the people of Cedar Falls the move may be made as it will mean much for the city at large as the present capacity of the mills will have to be doubled at least, which will mean much extra employment.

TRAINMEN ARE LAID OFF. Rock Island Retrenching in Freight Service.

Cedar Rapids, April 13.—It was learned today that many brakemen are being laid off by the Rock Island on account of the freight congestion being thoroughly relieved. Twenty freight brakemen were laid off in this city last Saturday, and it is said that more men may lose their jobs temporarily and that the situation might affect other members of train crews, such as firemen and engine drivers. The layoff means a considerable financial loss to the men affected for it is to extend over a period of from sixty to ninety days.

The clearing up of the freight congestion caused such a drop in the business that twenty-five engines which were brought to the northern district last winter from other districts and divisions were sent back to their respective yards to have their engines and freight trains they pulled were named mostly by men living in towns along the Iowa and Minnesota divisions. This means many working days lost for a large number of men.

HOFFER TOTTING MAIL

FORMER BASEBALL STAR TAKES UP NEW WORK AT CEDAR RAPIDS.

PITCHED FOR BALTIMORE IN CHAMPIONSHIP DAYS

When Star Began to Wane He Drifted to Minor Leagues and Finally Out of the Game—Saved Money and is Well-To-Do But Too Young to Quit Work—Other News.

Special to Times-Republican. Cedar Rapids, April 13.—William L. Hoffer, once a star of the first magnitude in the baseball world, is now a carrier on the local postoffice force. Hoffer, who has long been a resident of Cedar Rapids, was famous a few years ago as the premier pitcher of the famous Baltimore Orioles, when that team was the winner of championships. Hoffer's consistent work in the box was a great factor in the success of the Baltimore team. Previous to his National League experience, Hoffer served his time in the minor leagues, and after his star began to wane he returned to the minors, where he did good work for a number of years.

His last work with a team in a recognized league was last year with the Cedar Rapids team of the Three-I League. However, he only pitched a few games last year.

Hoffer quit baseball in good financial circumstances, having saved his money. However, he was not content to remain in idleness. So he took the civil service examination, passed, and was placed on the carrier list as substitute. He quickly secured a regular position, and now he declares he likes the work and will stick to it. He is again in uniform, but instead of a baseball uniform it is the uniform of one of Uncle Sam's faithful carrier boys.

LIKE GLARE OF DAY. Missouri Valley Sets Good Example in Street Lighting System.

Missouri Valley, April 13.—The business men of Missouri Valley are setting a good example for some of their more pretentious competitors in other western Iowa cities by the superior manner in which the business section of the city is now illuminated at night. The new lights have just been turned on and excite the wonder and admiration of everyone.

There are installed about 150 of the new forty candle power Tungsten lights and an etting effect can not be imagined. Each block on Erie street has four of these lights on each side and by so distributing the lights, an even glow is obtained the full length of the street. The alleys also have a light at each intersection so that a policeman can distinguish a man in hiding at a block distance. The cost to the city is about the same as under the old plan, but the good effect can not be estimated in mere dollars and cents.

HAS NEW PASTOR. Rev. W. M. White Accepts Call to Christian Church at Cedar Rapids. Special to Times-Republican.

Cedar Rapids, April 13.—Rev. Walter M. White, of Mexico, Mo., has accepted a call to the pastorate of the First Christian church of this city, succeeding Rev. G. B. Van Arsdale, who recently went to Denver. Dr. White is an able preacher and organizer, and comes to one of the most prosperous Christian churches in the state. The congregation will probably at once undertake the erection of a fine new church building, which it was some time ago voted to build.

SUDDEN DEATH AT MANLY. Mrs. Adolph Platts Found Dead in Bed From Heart Trouble. Special to Times-Republican.

Manly, April 13.—On Tuesday morning Mrs. Adolph Platts, residing west of town, was found dead in bed, having died during the early morning hours of heart trouble. Her sudden death was a great shock to her family, as she apparently was enjoying good health. She leaves a husband and eight children, also numerous other relatives.

SIMPLY SLIPPED AWAY. Des Moines Police Drag River For Woman Who Went to Another Town. Des Moines, April 13.—The police of Des Moines engaged a part of yesterday in dragging the river in search for the body of Mrs. Bertha Watkins, daughter of Dr. Beck, on a report that she had thrown herself into the river. Later in the day it was found that she had gone quietly to another town, deserting her family of small children.

Two Clarksville Funerals. Special to Times-Republican. Clarksville, April 13.—Mrs. P. M. Dickey died at her home here Sunday morning. She was born in Maine, April 27, 1843. After her marriage to Mr. Dickey their home was in Boston, Mass., and they came west. They moved here from Humboldt, Iowa, about six years ago, to be able to live near their only child, Mrs. J. N. Austin, who lived but about one year after they came here. She is survived by her husband and four grand children, the youngest of whom has always lived with her grandparents, the others being with their father at Montrose, Colo. Neither Mr. nor Mrs. Dickey has any other living relatives, an unusually sad circumstance for Mr. Dickey, who has the sympathy of the many friends they have made since their residence here. Funeral services were held at the late home Tuesday afternoon at 2 o'clock, with interment beside her deceased daughter, Mrs. Austin, in Lynnwood.

The body of Mrs. Laura Crosby Walsh, wife of Arthur Walsh, who died at her home in Omaha, where they had lived the past twenty years, was brought here Friday night and the funeral was from the home of her nephew, Bert Crosby, Saturday, and interment in Lynnwood. She is survived by her husband, and only son, Thomas, who has five brothers, Albert and Henry, of Avon, S. D.; George and Edward, of Clarksville; Willis, of Omaha, and one sister, Mrs. Emma Joslyn, of Platte, S. D. All were in attendance at the funeral, as were other relatives from out of town. Mr. and Mrs. Walsh both grew up here, where they have many old friends. Mrs. Walsh's age was about 62.

Rev. Mr. Auercher returned to his home at Cedar Rapids Monday, after holding quarterly meeting services at the U. E. church Sunday.

Chelsea and Vicinity. Special to Times-Republican. Chelsea, April 13.—Married, at the home of the bride's parents, Mr. and Mrs. Frank Squiers, in North Chelsea, Miss Lola Squiers and Mr. John Albert Comte, of Chelsea, Rev. Charles Dragoun officiating.

Miss Nan Wilson left Monday to open up the wing school in No. 8, Indian Village township.

Charles Cleveland has moved his family to Monticello, where he is engaged in butter making.

Mrs. Horace Shaler and two children went to Boone Monday, where they expect to locate.

School opened Monday after a week's vacation.

Miss Mary Stoddard is teaching the spring school at Rector, and Miss Anna Stoddard in the Cole district.

Nearly Closed Half Off. Bridgewater, April 13.—A 2-year-old son of Mr. and Mrs. Arthur Antsdel had one hand nearly cut off. An older brother accidentally chopped the hand with an ax.

DEVILTRY OF HOODLUMS.

Jeopardize Northwestern Trainmen's Lives at Webster City.

Webster City, April 13.—Chicago & Northwestern trainmen running thru here on freight trains complain to the city authorities that their lives are jeopardized and they are greatly inconvenienced by the actions of a gang of miscreants that hang about the railroad yards. They report that this gang of hoodlums scatter about the yards while trains are switching after night and set the air brakes on cars, uncouple cars, leave the air connection on, causing the train to break in twain when started and the demoralization of the air system of the train as well as making serious or fatal accidents to trainmen a probability.

The gang has also at various times thrown chunks of coal and other missiles at the trainmen and the engine when the train was in motion, making it extremely hazardous for the trainmen to do their work.

City Clerk Short in Accounts. Kookuk, April 13.—Expert accountants who have been examining the books of City Clerk H. T. Moore created a sensation last night when they reported to the city council that Moore is short in his accounts \$3,400.90. More had held office for two years and following the usual custom the council employed E. H. Bell and George E. Radasch, expert accountants, to check up the books. In their report they said that bad bookkeeping is responsible for most of the shortage. Moore is under bond and his sureties men are investigating the case. No criminal action has been started.

Richmond is Recovering. Council Bluffs, April 13.—Chief of Police George H. Richmond is recovering from the attack of heart trouble which occurred Sunday evening, and hopes to be about town soon. He is still weak, but is able to be about the house. He desired to come down to the city hall yesterday, but was not strong enough to do so. He may be able to attend to his official work today. He received several visitors yesterday, most of them being members of the police department.

Better, Healthier Women

are known to exist in this country by thousands because freed from pain and suffering by Lydia E. Pinkham's Vegetable Compound.

Could such a record be made without actual and superior merit? Read what this woman says, and realize that the results secured in her case could not have been made except by a very good medicine.

Lawrence, Kans.—"I was a great sufferer from a weakness, irregular periods, headaches, backaches and other female troubles, which caused a weak and broken-down condition of the system. My side was so sore I could not lie on it. I saw in my daily paper that Lydia E. Pinkham's Vegetable Compound was good for all female troubles and had done so much for other suffering women, so I felt sure it would help me, and it has helped me wonderfully. I got relief from the first bottle. My aches and pains all left me and as I continued taking the Compound I grew stronger. Within three months I was a perfectly well woman, and I want this letter made public to show what benefits women may derive from Lydia E. Pinkham's Vegetable Compound."—Mrs. Julia A. Snow, Route No. 8, Lawrence, Kans.

Science in surgery and electricity has advanced much in the past 30 years, but the treatment of disease by the old fashioned roots and herbs method has never been improved upon. The fact that this leader of them all—Lydia E. Pinkham's Vegetable Compound—is to-day the largest seller of any similar medicine in the world, is proof positive of its value and superiority, for with all our enterprise and advertising we could not keep fooling the people for 30 years. Merit and merit alone is what has made Lydia E. Pinkham's Vegetable Compound the standard medicine for treating diseases peculiar to women.

For 30 years Lydia E. Pinkham's Vegetable Compound has been the standard remedy for female ills. No sick woman does justice to herself who will not try this famous medicine. Made exclusively from roots and herbs, and has thousands of cures to its credit.

If the slightest trouble appears which you do not understand, write to Mrs. Pinkham at Lynn, Mass., for her advice—it is free and always helpful.
