

SUM OF \$600 RESULT OF BIG CHARITY BALL

HOSPITAL BENEFIT AFFAIR
PROVED BRILLIANT SUCCESS
SOCIAL AND FINANCIALLY.

OVER \$4,000 IS RAISED FOR HOSPITAL DONATION

Over 300 People Attend the Social Function Friday Night—Everything For Ball Donated, and All Expense Eliminated—Elevator Will Cost at Least \$2,200.

The charity ball Friday evening at Red Men's hall, for the purpose of raising a fund for the installation of an elevator at St. Thomas hospital, the need of which was made so apparent at the time of the recent Green Mountain wreck, was a grand success and redounds greatly to the credit of our club, under whose auspices the affair was given.

With an estimated amount of probably \$3,500 besides the sum of \$600

alone, besides the sum of about \$525 realized from the ball itself, an elevator at the hospital will be a question of only a short time. Inquiry as to the cost of installing it, reveals that it will take not less than \$2,200, and a committee of citizens from among those who have contributed will be chosen to meet later with the club committee to decide what shall be done with the surplus, whether it shall be applied on the hospital debt, or devoted to other needed improvements. Messrs. B. F. Cummings and F. L. Meeker and Dr. F. P. Lierle formed the committee which solicited subscription. Not a penny of expense was connected with the ball, absolutely everything being donated to the cause. Fully 325 were in attendance.

With Mrs. F. L. Meeker as general chairman, the work was systematically divided among the members of the club, and most effectively accomplished. Mrs. F. G. Pierce and Mrs. W. H. Thompson, Mrs. H. A. Weisman and Mrs. F. P. Lierle looked after the soliciting for dishes, napkins, cakes, sandwiches, and everything pertaining to the refreshments. Messrs. B. F. Cummings and F. G. Pierce formed the committee on printing; Mrs. B. F. Cummings had charge of putting the tickets on sale in the different districts of the city, with about a dozen helpers working under her direction. Mr. and Mrs. Fred Wilbur were given charge of the decorations, and the hall and corridor were beautiful, with dozens of palms and immense bowls of handsome pink and white carnations, the donations of I. O. Kemble and W. H. Ford, while festoons of tiny colored lights across the corridor at the entrance of the hall, provided by electricians of the city, added to the charming effect. Beautiful gowns blended with the general brilliancy of the scene. The entire floor was given over for cloak and card and smoking

rooms. The corridor was also used for card tables.

The program preceding the dancing was carried out as announced, opening with the Arlon overture, (Alexia) by the orchestra, following which Miss Maude McIntosh sang the spring songs, "Whitethroat" (Astrual), "Awakening" (D'Hardol), "O, For a Day of Spring" (Andrews), "The Birth of Morn" (Leon), "The Year's at the Spring," and "Where Blossoms Grow" (Sans Souci), in her her usual pleasing manner. Mr. Ralph M. Hix was her accompanist. Splendid music was enjoyed for the dancing.

Delicious refreshments were enjoyed, consisting of coffee, sandwiches, olives, pineapple ice and cake. The serving was done by the ladies of the club, who worked in relays during the evening. As each one was served, favors were extended in the shape of a white ribbon badge bearing the red cross emblem. Dancing was enjoyed until midnight, and later, a number of the young people in attendance prevailing upon a portion of the orchestra to furnish music for another hour of dancing.

The musicians who furnished the evening program gratuitously was composed of eleven pieces, selected from the orchestras of P. M. Adamson and Mrs. E. L. Jones. Mr. Adamson acted as director and pianist, accompanying the following orchestration: Will Smith, Lou Carmichael, Arthur Cross, and Charles Bruce, violins; James Carlton, cornet; Arthur Dixon, trombone; John Nolan, flute; Harry Mackaman, clarinet; C. C. Woodmansee, string bass; and C. L. Brown, trap drums.

MARSHALLTOWN DAY IN IOWA CHURCHES

UNITED BRETHREN OF STATE OBSERVE SUNDAY AS BOOSTER FOR LOCAL CHURCH.

CHURCH YOUNG PEOPLE BACK OF THE MOVEMENT

In All Churches Observing Event Rally Song, Written Especially For the Occasion, Will Be Sung—Hope to Raise \$2,500 in Rally Day Movement.

Sunday will be rally day for Marshalltown in the United Brethren churches of Iowa, and the majority of the churches in the state have set aside the day as one in which the collections of the service are to be donated toward the work of building the new church in this city.

The young people of the state are back of the movement, which was started last winter at a meeting held at Toledo. It is hoped that \$2,500 will be raised in the different churches Sun-

day, and the succeeding Sundays in April which some of the churches have set aside instead of April 17. The call for the rally day movement specifically set aside April 17, but gave the option to the churches of using any other Sunday in April, following the 17th, that might better suit their convenience.

Independent of Pledges.

The church in Marshalltown, including the site, will cost, it is estimated, \$15,000. The money to be raised on rally day will be exclusive of the pledges made by the different churches for the building. There has already been pledged by the churches of the state the sum of \$2,000. It is the desire of the local building committee to have at least \$7,000 in hand before the work of building is begun.

Sing Marshalltown Song.

For rally day a Marshalltown song has been written especially for the occasion by W. Lomax Childress, of Jennings, La. The song is to be sung to the tune of Meribah, as found on page 266 of Otterbein hymnal. The four verses of the song follow:

We have a song we want to sing,
And o'er these prairies make it ring.
A song that will not down,
Till those who hear will fall in line,
And boost and build for "Otterbein"
In good old "Marshalltown."

The brood of those of long ago,
Whose toil and triumph willed it so,
That we should have renown;
Far flung our host from sea to sea,
And we must have a U. B. C.
In good old "Marshalltown."

So in the strength of love and truth,
We pledge our heart and hope and youth,
And faith the work will crown;
And in the strength of God we rise,

To gain for Jesus Christ a prize,
In good old "Marshalltown."

Then here's our pledge whatever fate,
To rise and build and dedicate
A light no dark can drown,
To shine upon the triumph way,
Till in our church we sing and pray
In good old "Marshalltown."

Uniform Program Used.

A uniform order of service is to be observed in all the rally day exercises. The feature addresses of the program are entitled, "Why Are We Here?—The Aim and Purpose of Marshalltown Day," "Our Splendid Undertaking—United Effort, the Basis of Effectual Work," and "How to Kindle and Keep Abiding Enthusiasm For Our Marshalltown Mission."

The programs also give a short sketch of Marshalltown and the church work here and the needs of the United Brethren church in this territory. The building committee of the local church is composed of the pastor, Rev. C. E. Pilgrim, chairman; W. E. Rupert, secretary; A. L. Gillett, treasurer; Franklin E. Brookes, D. D., president of Leander Clark College, Toledo; A. D. Shockey, Thomas Moran, and E. V. Fitzgerald.

SNOW BUT NO FROST.

Cloudy Sky and Wind Saves the Fruit Buds.

An overcast sky and a breeze are all that prevented a hard frost Friday night, and the probable destruction of the many fruit buds and tender vegetation of all kinds that has been forced rapidly by the recent summer-like weather. Altho the temperature dropped to 33, one degree above freezing during the night, there was no frost. The temperature at 7 o'clock this morning was 34, eighteen degrees colder than at the same hour Friday morn-

ing. The maximum temperature Friday was 59.

Snow began to fall about 9 o'clock this morning, and by 10 o'clock a merry little snow storm was raging. An hour later the snow had ceased.
