was left to the committee, to report at the next meeting. Councilman Clark reported some trouble over a new walk in front of 519 Bromley street, which other residents of the block reported as being above grade. The question was referred to the streets and alleys committee and the city engineer.

J. L. Williams, who examined the city's books, reported them in good condition. The same discrepancy between the city clerk and city treasurer in the grading fund, heretofore reported, was cited again. In Mr. Williams' opinion the manner of handling the city's accounts in the city clerk's office is more comprehensive at the present time than ever before, and the accountant says that the methods in vogue greatly facilitate the work of checking.

John A. Bowman was awarded \$5 as damages to a horse which had become frightened at a passing fire wagon.
