INTERURBAN CONTRACT LET.

Surveys Completed, Right of Way Secured and Work to Begin Sept. 1.

Davenport, April 23.—The contract for the construction of the Iowa City-Ottumwa interurban line was let Thursday, at a meeting of the interurban company and the parties who will organize a construction company to do the work.

The meeting was held at Iowa City, and took up the greater part of the day. Work is to be commenced by Sept. 1, and to be completed within two years.

The interurban company is incorporated with a capital stock of \$3,000,000, and has closed a contract for floating \$3,000,000 worth of bonds, the contract being taken by London parties.

All the surveys and plotting for the line have been completed, and the right of way has been secured. It is stated that practically the entire capital of the company was raised in the territory which the new line will serve, all of the inhabitants being highly enthusiastic in regard to the matter.

The line is being given a warm reception throughout the section of the country. It will run thru a highly productive section of the state, and is not paralleled by another railroad line for a distance of about thirty miles on either side.

One terminus will be in the coal producing section of the state, which is expected to be a source of traffic, as well as the industries located along the new interurban.

Franchise rights have been secured or are practically secured in the cities to be served. Terminal rights are also practically assured.

If the line between Iowa City and Davenport is constructed it will afford interurban connections as far as Ottumwa, by means of the Ottumwa-Iowa City line.

NEGRO SLAYS IOWA FARMER.

Moses Jordan, of Keokuk, Killed by Abraham Anderson.

Keokuk, April 23.—Moses Jordan, a well-to-do Lee county farmer, aged 45 years, is dead as the result of a wound inflicted Wednesday night by Abraham Anderson, a negro.

His skull was fractured and he died without regaining consciousness. He was struck on the head with a piece of iron.

The quarrel is supposed to have originated over the wife of Frank Anderson, the latter a brother of the accused who is locked up in jail in Keokuk. What Mrs. Anderson's relations were with Jordan and Abe Anderson will probably be revealed at the inquest. Anderson is charged with murder.

HOLDS ONTO HOMESTEAD.

C. H. Williams Solves Clear Lake School Board Difficulty by Resigning.

Clear Lake, April 23.—The difficulty experienced by the school board here has now been cleared up by the resignation of C. H. Williams. It will be remembered that Mr. Williams' right to a position upon the board was questioned a short time ago, on account of his having filed upon a homestead in Montana. This brought up the question as to whether he was a resident of Montana or at this place. It was put up to him either to relinquish his homestead or his position on the board. His resignation was tendered Thursday.

H. E. Watts was elected to fill the vacancy.

TO DECIDE ANCIENT LAND CASES.

Federal Court to Act Upon O'Brien County Suits.

Sloux City, April 23.—At the next term of the federal court, which opens in Sloux City, May 26, the O'Brien county land cases, fourteen in number, which have been on the docket since

1904, will be disposed of. A ruling of the circuit court of appeals recently in two of the cases, virtually ends the litigation, and those remaining in court will come up for final disposition. Among the more important actions which may come up for trial at the coming term will be that of the government against the Northwestern railroad for an alleged violation of the twenty-eight hour law, which provides that cattle must not be kept in cars without food, rest or water for a period of longer than twenty-eight hours. It is probable that other actions will be commenced under that statute before the last day for filing cases for the May term of court.

FASTEST BOAT ON RIVER.

Davenport Young Men Costruct Craft to Break Mississippi Record.

Davenport, April 23.—What will probably be the fastest 20-foot power boat on the Mississippi river this year has just been completed by the Davenport Young Men's Association.

The new "1910" is 19 feet and 10 inches in length over all, and from this fact, as well as from the fact that it was built for the season of 1910 its name is derived.

The two young men constructed the entire boat alone, and hope to be able to reclaim the championship of the 20-foot class at the end of the season.

Wealthy Cedar County Citizen Dead.

West Liberty, April 23.—Amos Kimberly, a prominent old farmer of Cedar county, and at one time one of the wealthiest men in the community, died late Thursday night at his home in West Liberty, where he had lived for the past two years. He was 73 years old and had been in Cedar county for 61 years.

He was married first in 1857 to Rachel Flick and to them were born five children, one of whom died in infancy. He was married a second time in 1877 to Miss Mary Wilson by whom he had four children. The funeral will be held Sunday afternoon at 3 o'clock from the Presbyterian church in West Liberty, with interment in the Oakridge cemetery.

Fine Residence Burned.

Special to Times-Republican.

Corning, April 23.—Tuesday afternoon one of the best dwelling houses in Corning, that of T. B. Turner, caught fire from a defective furnace flue. The upper story was badly damaged, and the furniture and other things in that part of the house were mostly destroyed. It seems that the fire was not entirely extinguished, for at about 4 o'clock the next morning the fire broke out again and damaged the house beyond repair.

Mr. Turner intends to rebuild at once. He carried \$3,400 insurance on the house and contents, and the loss will not be heavy beyond that.

The High Cost of Living.

Increases the price of many necessities without improving the quality. Foley's Honey and Tar maintains its high standard of excellence and its great curative qualities without any increase in cost. It is the best remedy for coughs, colds, croup, whooping cough and all ailments of the throat, chest and lungs. The genuine is in a yellow package. Refuse substitutes. McBride & Will Drug Company.

Stolen Goods Found There.

The goods consisted of a bundle of rugs, a lamp, a chair and a few trunks. Some of the rugs were on the floor and a portion of the chinaware was in use. Salyard has been back to Rock Island for trial.

Holland.

Wumbe Wumkes in Lincoln township has 155 brood sows on his farm this spring. His style of prosperity indicates that he has his hog crop for the year well run close to the thousand mark. When an ordinary hog brings \$25 the man with a thousand head ready for market can get a trade out of the best business house in the county.

Allison.

Attorney E. A. Dawson of Waverly has effected a settlement with the Chicago, Burlington & Quincy railway for injuries sustained in an accident at Rochelle, Ill., by three well-known Buttrick county young men—Dr. Hesse and Rube Sillmer and Clarksville and W. Thompson of this city. The young men were riding in an automobile when they were run down by a passenger train. Their automobile was demolished and the occupants badly hurt. Dr. Hesse's arm was permanently crippled. The sums received from the railway were as follows: By Dr. Hesse, \$4,000; by Mr. Sillmer, \$3,000; by Mr. Thompson, \$600. Mr. Sillmer's compensation was mostly for the automobile.

Waverly.

Friends of Louis Lipman, a former Waverly number jester, fear that he has committed suicide because of despondency. He was last seen in Seattle the middle of last week. His daughter, Adeline, who is married and lives in that city, received a letter from him last week. It contained an account of his trip to Seattle and stated that she would never see him again. He advised that no effort be made in searching for him. While the letter did not contain an open hint that he meant to do violence to himself, its general tenor is construed as meaning that he contemplated suicide. He left large property interests intact behind him. Mr. Lipman spent his boyhood and young manhood in Waverly, where he was well known and highly esteemed.

Gundy Center.

A party from Rock Island was here and swore out a warrant for the arrest of E. Salyard, of Reinbeck, on the charge of having stolen goods from him some time ago. Sheriff Black and County Attorney Cray went to Reinbeck. Salyard was staying with his wife's mother, Mrs. Bogart Reinbeck. Her house was searched and the
