

FOUND SOMETHING TO CURE ECZEMA

Trial Results in Complete Cure of Fifteen-Year Case in Two Weeks.

In a letter published in his lodge paper, Mr. F. O. Thompson, of Elizabeth, N. J., states that he was a sufferer from eczema for fifteen years, and one day spoke about his trouble to Dr. L. E. Todd. "Dr. Todd replied that he had something that would relieve if not permanently cure me," says Mr. Thompson, "but after treatment for so many years I had grave doubts. The doctor produced a box of postum, and I promised to give it a faithful trial. I followed directions, and in two weeks time I myself entirely cured. The 50 cents I paid for the box was the best investment I ever made."

Not alone eczema, but every surface skin disease is permanently eradicated by postum, itching being stopped at once. Write to the Emergency Laboratories, 32 West Twenty-fifth street, New York City, for a free trial package of postum. With this simple alone complexion may be cleared and pimples banished from the face. McBride & Will Drug Company as well as all good druggists everywhere, always carry postum in the regular sizes at 50 cents and \$2.

SECOND GOLD WAVE DOES MORE DAMAGE

VEGETABLES AND FRUITS THAT ESCAPED LAST WEEK ARE BLIGHTED BY FREEZE.

LEAVES OF ORNAMENTAL AND SHADE TREES BLIGHTED

Temperature Which Reached 27 Above Zero Last Night and Which Was Accompanied by a High Wind, Destroyed Practically All Vegetation Exposed—Hardest of Plants Frozen.

Serious and fully, if not even more, widespread damage was done to fruits, vegetables, and trees by the freeze of Friday night than by the cold snap of last Saturday and Sunday. Hardly a vegetable that went thru the first storm, succumbed to the freezing temperature of Friday night and was destroyed. Also the temperature Friday night did not go as low by seven degrees as it did last Saturday night, very hardy vegetables that escaped before were ruined.

Temperature 27; Ice Froze. The temperature dropped to 27, five degrees below the freezing point. Moist earth was frozen solid and ice was frozen on water in exposed places. At 7 o'clock this morning the temperature had risen but two degrees, and snow fell in burrows most of the forenoon. The weather today indicated a similar fate. Since the freeze of a week ago cherry trees had put forth blossoms from buds that escaped. These were destroyed. Hardly any early vegetables like lettuce, radishes and onion, that went thru the last week's storm, looked this morning as though a blighting blast had struck them. Flowers were frozen and many of them may be destroyed. The blossom bearing shoots of roses were frozen and many of the earlier flowers, such as peonies and tulips, which will stand a low temperature, were withered to the ground. Shade Trees Suffer. Some damage was done to the shade and ornamental trees a week ago, but the damage of Friday night even exceeded that of the first storm. Last night leaves on all varieties of the common trees were frozen and withered. This may result in denuding some of the varieties of leaves and the younger trees that had put out their leaves may be killed. Additional damage was done to the small fruits, such as the strawberries and raspberries that came thru the first storm, also most of the latter varieties were frozen then so badly that they have borne but little if any fruit.

MRS. B. MDANIEL DEAD. Well-Known Old Resident of Gilman Succumbs to Paralysis. Mrs. B. McDaniel, a well-known old resident of Gilman, died at her home Friday of paralysis, following an illness of several years. Mrs. McDaniel had been a most patient sufferer, and for the past five years had been practically helpless. She has suffered all without complaining, and manifested a spirit of Christian fortitude that has been remarkable for one so sorely afflicted. Mrs. McDaniel was born Mary Sparks at Everett, Bradford county, Pennsylvania, Oct. 14, 1837, and became the wife of Mr. McDaniel May 30, 1859. Her husband died in the west. Mr. and Mrs. McDaniel moved to Mercer county, Illinois, a few years after their marriage, and after a six years' residence there came to this county in 1867 and purchased a farm in Green-castle township, three miles west of Gilman, which is still in the possession of the family. In 1890 Mr. and Mrs. McDaniel moved to Gilman, which has since been their home. Mrs. McDaniel is survived by her husband, a brother, John Sparks, who lives on Montana, and a nephew and niece, Gay Bennett and Mrs. J. S. Everts, of Gilman. One daughter, Christine Miller, was born to Mr. and Mrs. McDaniel, became the wife of M. Mooney, and died in this county April 29, 1890. The funeral will be held from the Methodist church at 2:30 Sunday afternoon. Rev. H. P. Barnes officiating. Interment will be in Prairieview cemetery.

VETERAN DIES SUDDENLY. R. Y. Tebay, of Lehigh, Falls From Chair After Eating Supper. Robert Y. Tebay, a member of the soldiers' home from Lehigh, Webster county, died very suddenly at 5:59 Friday evening in his room in the old men's building. Mr. Tebay had eaten an early supper and had gone to his room, where he sat down to read. He had been reading only a few moments when other occupants of the room saw him topple over and fall to the floor. When picked up the man was dead. Heart failure was pronounced the cause of death. Mr. Tebay was 78 years old, and was a native of Mercer county, Pennsylvania, where he was born Nov. 26, 1831. He enlisted at Moline, Ill., in the Fourteenth Missouri cavalry, Aug. 1, 1861, and was discharged Oct. 16 of the same year at St. Louis. Mr. Tebay was admitted to the home July 28, 1904. Aside from his widow, Cora E. Tebay, who lives at Lehigh, Mr. Tebay is survived by two children, Edwin J. Tebay, of Glen Flora, Wis., and Mrs. Ida Adamson, of Lehigh. Mrs. Tebay has been notified of her husband's death.

HARTMAN JURY DISAGREES.

Unable to Reach a Verdict, Jury is Recalled and Discharged. Unable to reach a verdict after being out for twenty-four hours, and with no prospect of being able to reach an agreement, the jury in the Hartman-Ely case was called into court this morning and discharged by Judge Bradshaw. Since about noon Friday the balloting showed the jurors to be divided either 8 to 4 or 9 to 3 for Hartman. The jury, when called in this morning, reported that it stood 9 to 3, with no indication that an agreement was likely to be reached. The disagreement means that the case will be tried again.
