

# KNEE TO ANKLE A MASS OF HUMOR

Suffering Simply Indescribable—Had to Scratch Till Blood Ran—Health Undermined from Lack of Sleep—Gave Up Hope but

## CUTICURA FREED HIM FROM SKIN-TORMENT

"About seven years ago a small abrasion appeared on my right leg just above my ankle. It irritated me so that I began to scratch it and it began to spread until my leg from my ankle to the knee was one solid scale like a scab. The irritation was always worse at night and would not allow me to sleep, or my wife either, and it was completely undermining our health. I lost fifty pounds in weight and was almost out of my mind with pain and chagrin as no matter where the irritation came, at work on the street or in the presence of company, I would have to scratch it until I had the blood running down into my shoes. I simply cannot describe my suffering during those seven years. The pain, mortification, loss of sleep, both to myself and wife is simply indescribable on paper and one has to experience it to know what it is.

I tried all kinds of doctors and remedies but I might as well have thrown my money down a sewer. They would dry it up for a little while and fill me with hope only to break out again just as bad if not worse. I had given up hope of ever being cured when I was induced by my wife to give the Cuticura Remedies a trial. After taking the Cuticura Remedies for a little while I began to see a change and after taking a dozen bottles of Cuticura Resolvent, in conjunction with the Cuticura Soap and Cuticura Ointment, the trouble had entirely disappeared and my leg was as fine as the day I was born. Now after a lapse of six months with no signs of a recurrence I feel perfectly safe in extending to you my heartfelt thanks for the good the Cuticura Remedies have done for me. I shall always recommend them to my friends. W. H. White, 312 E. Cabot St., Philadelphia, Pa., Feb. 4 and Apr. 13, 1909."

Cuticura Remedies are sold throughout the world. Write Dr. J. C. Clark, Dept. 300, Boston, Mass., for Medical Book, "Cuticura Book on the Care and Treatment of the Skin."

# WHO WILL BE SPEAKER?

SPECULATION RIFE AS TO NEXT PRESIDING OFFICER OF IOWA HOUSE.  
STILLMAN AND MOORE AND HARDING MAY RETURN

Each Was Once a Candidate for the Honor—Some Strong Candidates Out for Seats in Legislature—Agricultural Interests to Be Represented—Says Fruit May Make a Half Crop.

Special to Times-Republican.

Des Moines, April 28.—Who will be next speaker of the Iowa house? The good guessers ought to be able to figure it now that the nominations have been made. About forty of the present republican members of the house will be re-elected. This will include three who were candidates for speaker the last time—W. L. Harding, of Woodbury, Ernest Moore, of Linn, and Paul Stillman, of Greene. It is understood that Stillman is a candidate for state printer, but there are many of the old members who still hope that he may become the speaker of the house. Moore and Harding each have strength. Probably both will come back, though there is a three-cornered fight in Woodbury which may result in Harding remaining at home. However, all three of the men were active and aggressive legislators. White and Sullivan, before will be out of it. White is studying law in Yale and Sullivan is headed for the senate. Among other second term members who might be available for speaker are Eli C. Perkins, of Delaware, J. W. Jacobs, of Calmar, B. C. Felt, of Clay, William Larrabee, Jr., of Fayette, and A. C. Ripley, of Hancock.

There will be in the house a number of new members not wholly unfamiliar with public affairs. Among the candidates, W. J. Dixon, of Sac, was long on the board managing the college at Ames, W. C. Brown, who is vice president of the state board of agriculture, John Sunberg, of Monona county, knows how to raise the best corn in the state and he boosted the Corn Growers' Association and corn exposition. Dr. S. Bailey, of Mount Airy, is a great friend of the apostle of all true progressives; U. G. Whitney, who aspires to come from Sioux City, has long been county attorney.

Agricultural interests will be well looked after. In addition to having W. C. Brown as a candidate, there are two members of the board of agriculture who are in the race. They are Charles Escher Jr., of Shelby, and R. S. Pohnstun, of Columbus Junction. The latter will go to the senate. A. L. Ames, of Eckington, long connected with the Corn Belt Meat Producers' Association will be in the senate also.

As to how the legislature is likely to size up on factional lines nobody probably could give any intelligent idea. Certain it is that the progressives have paid no attention whatever to this feature and know nothing of the alignment of candidates.

A surprisingly small number of former house members are seeking translation to the senate, the principal ones being John Sullivan, of Polk, Loren Inman, of Floyd, and A. L. Balfour, of Scott.

The secretary of the senate and the clerk of the house both expect to turn up at the next session wearing senatorial togas. "Wake" Neal has no opposition in Washington and "Rush" Benedict is an almost sure winner in Shelby.

# THE TREATMENT OF Rupture IS MY LIFE WORK

DR. H. H. DEPEUW, Fifth Floor Utica Bldg., Suite 531. Takes Elevator. Des Moines, Iowa.

Cut out this coupon and send to me with your name and address plainly written and I will mail you free my Blue Book on "Rupture and Its Cure" together with the affidavits and testimonials of hundreds of people whom I have treated and cured.

Madison he ran for congress in this district.

Much amusement was created here by a great attempt made in the local organ of standpat factionalism to show how the progressive newspapers are all turning standpat and supporting Carroll and the Jackson committee scheme. Much stress was laid on the Denison Review, which is being advertised as one of the great acquisitions to the cause of standpatism. When it is recalled that the Review is owned and edited by Judge Conner, former congressman, the humor of the situation appears. Conner was picked by Governor Carroll for a place on the board of control when he had determined year ago to let the Review sit at the board and to supplant John Cowme, the former member. Hence Conner could hardly do otherwise than return the compliment by supporting Carroll. Next thing we know, the progressives say, Ex-Secretary Shaw will be featured as a recent convert to standpatism.

WANTS TO RETAIN TERMINALS.

Clinton Business Men Send Petition to Northwestern Headquarters.

Clinton, April 28.—Bearing the names of more than 250 of Clinton's representative business men, professional men, shippers and other citizens, the monster petition to the Northwestern railway was mailed to Chicago Tuesday evening and the company's answer is expected in the next few days. The petition is one in which the signers promise to assist the railway company in every way necessary to retain the freight terminals of the Iowa and Galena divisions at Clinton. If the company will send a representative to Clinton to tell them what the company deems essential to prevent the removal of the terminals to the east side of the river, it was circulated as the result of a conference of a number of business men.

Should it be impossible to prevent the removal of the terminals to East Clinton it is likely that some mode of transportation for the men will be arranged, so that they may continue to reside in Clinton.

# HAMPTON MAYOR RESIGNS.

E. D. Haacker Accepts Cashiership of Sheffield Bank.

Special to Times-Republican. Hampton, April 28.—E. D. Haacker, for over a year past mayor of this city, has tendered his resignation, to take a position that has been offered him as cashier of the Citizens' Bank at Sheffield.

Mr. Haacker was offered this position some time ago, it is understood, but has been undecided as to whether or not to accept until Monday, when he called a special session of the city council, made a report on the city and gave official notice that he wished his resignation to take effect on May 3. It is expected that he will take up the work of his new position about June 1.

The city council will probably meet in a few days for the purpose of electing a successor to Mr. Haacker. There remains about ten months of the present term.

The campaign for signatures to the petition for place of party nominations of official ballot will be started at once. The ticket in addition to the nominees previously announced includes: Clerk of supreme court—W. A. Piper, of Strawberry Point. Railroad commissioner—C. E. Sinclair, of Livermore, and H. R. # BUSINESS MAN TO LEAD

M'EACHRON, OF WATERLOO, WHO HEADS PROHIBITIONISTS NOT AN ORATOR.

HE ACCEPTS NOMINATION; WILL MAKE NO CAMPAIGN

MacEachron a Prominent Lumberman But Active in Church and Y. M. C. A. Work—Convention at Des Moines Completes Ticket and Names Committeemen.

Special to Times-Republican.

Waterloo, April 28.—Archer MacEachron, nominated for governor by the prohibitionists at Des Moines Wednesday, announced today that he will accept the nomination. He was not at the convention and he first learned of the nomination when he was notified by long distance phone last night. He was the party's candidate for congress in this district in the presidential campaign and has been a candidate for several local offices. He is a member of the Congregational church and former president and director of the Waterloo Y. M. C. A. and a member of the committee that erected the building. He is president and manager of the Iowa Lumber Company, of this city. He came from Chicago to Iowa ten years ago and to Waterloo from Goldfield five and one-half years ago. He is not an orator and will make no speeches during the campaign. He has always been a consistent prohibitionist.

Des Moines, April 28.—E. A. McEachron, of Waterloo, will head the party prohibition ticket this fall. Undaunted by the fact that the prohibition party has lost a place on the official state ballot by its failure to poll 2 per cent of the total vote cast and can only regain position by a statewide petition, the Iowa party prohibitionists in state convention yesterday afternoon nominated a full party ticket. The campaign for signatures to the petition for place of party nominations of official ballot will be started at once. The ticket in addition to the nominees previously announced includes: Clerk of supreme court—W. A. Piper, of Strawberry Point. Railroad commissioner—C. E. Sinclair, of Livermore, and H. R. Bradshaw, of Fort Dodge. Judge of the supreme court—William Orr, of Clarinda, and H. F. Johns, of Woodbine. Supreme court reporter—Mrs. Annie E. Edworthy, of Des Moines. C. lected chairman of the state central committee by the acclamation of the convention. The new state central committee members are: First district, undecided; Second, C. H. Bohstedt, Third, Ina Carney, of Victor; Fourth, W. W. Williams, of Lime Springs; Fifth, Malcolm Smith, of Cedar Rapids; Sixth, R. H. Williams, of Oskaloosa; Seventh, Lars Scromme, of Roland; Eighth, L. J. U. Smay, of Lorrain; Ninth, undecided; Tenth, L. S. Corbin, of Fort Dodge; Eleventh, P. H. Arlington, of Sac City.

# SHELBY COUNTY POLITICS.

Well Known Aberdeen Breeder, Democratic Candidate for Representative.

Special to Times-Republican. Harlan, April 28.—Charles Escher, Jr., of Botma, has announced that he will be a candidate before the democratic primaries on June 7 for representative from Shelby county. Mr. Escher is one of the best known Aberdeen Angus breeders in the United States and has a great reputation as such. He is at present a member of the state board of agriculture and also chairman of the county board of supervisors of this county. He is a very popular young man and when Roosevelt carried Shelby county for president by 756 votes Escher was the only democrat in the county to be elected, and he received a majority of over 400. He will have no opposition for the democratic nomination.

The republicans have induced Frank D. Nelson, a young farmer of Center township, to make the race against Mr. Escher.

# AMES STUDENTS PROGRESSIVE.

Form Political Club and Endorse Active Republicans.

Ames, April 28.—The first college progressive republican club of the country was organized here by the republican students of the college.

A meeting was called and was addressed by Dr. Hibbard. He spoke on some of the principles of progressive republicanism and the things that brought this sort of an organization about. A constitution was adopted and the following officers elected for this year: vice president, Henry Wallace; secretary-treasurer, H. A. Patterson.

The object of the club is to further the interests of the progressive republicans and to create an interest among college students for the right sort of politics. The membership is restricted to republican students of the Iowa state college.

Congressmen Pickett, Haugen, Woods, Kendall, Good and Hubbard, Senators Dolliver and Cummins, H. W. Byers of the Ninth district and Judge Prouty of the Seventh district were endorsed.

# TIRE OF MUNICIPAL OWNERSHIP.

People of Clarion May Dispose of Electric Lighting Plant.

Clarion, April 28.—A citizens' meeting was called here for the purpose of considering the advisability of selling the municipal electric lighting plant. The mayor, F. H. Goslin, issued the

call for the meeting. The city has received an offer for the plant from Messrs. Turner and Curtis, of Des Moines and Omaha, respectively. Turner is a boiler inspector and has been in Clarion occasionally on business connected with the Hartford Casualty Company. His friend, Curtis, of Omaha, is ready to help finance the undertaking. These gentlemen have made an offer to take over the lighting plant for the sum of \$7,000 provided they can be given a twenty-five year franchise. They agree to furnish lights at the same cost the city has been charging and light the streets for \$1,500 annually. The rate for meters is now 15 cents per kilowatt with 24 cents reduction of the bill is paid by the 15th of each month. The plant has been just about self-sustaining but the sentiment seems to be to sell to some one if suitable terms can be agreed upon. The sentiment of the meeting was to advertise the plant for sale for sixty days thus giving other buyers an opportunity besides Messrs. Turner and Curtis. The plant has been run for several years by O. F. Strickler.

# Singular Accident to Workman.

Special to Times-Republican.

Creston, April 28.—Anthony Smith, a Fairfield member of a bridge gang working on the Rock Island road, was severely injured while employed on a bridge near this city. He was absorbed in his work and did not notice the approach of a fast passenger train until it was almost upon him. He had barely time to step from the track and push his tools to one side, but the train struck the handle of a mallet he had been using, hurling it down the embankment. Smith was struck by the mallet in its flight and knocked twenty feet below into Cedar Creek. When he was taken out it was found he had sustained serious injuries.
