

DEAR LADIES

It's Parisian Sage That Makes That Other Woman's Hair So Bewitchingly Lustrous.

When we say that Parisian Sage is the most wonderful hair tonic, dressing and beautifier known to mankind we are simply stating a fact that you can easily prove.

Get a large 50 cent bottle today; use it for two weeks; if it isn't the most delightful and refreshing tonic you ever used; if it doesn't drive out dandruff, stop falling hair or itching scalp you can have your money back.

Mrs. Francis Koenig, 41 W. Jessamine St., St. Paul, Minn., on Nov. 15, 1909, wrote: "I have used several hair tonics, but there is none that can compare with Parisian Sage."

Parisian Sage is creating a sensation wherever introduced. It is not sticky or greasy. It is in great demand by women of superior taste and refinement who desire fascinating and luxuriant hair that never fails to compel admiration.

THE VERDICT of the jury was that almost too much care and attention had been bestowed upon this clothing.

THE FINE TAILORING is strong evidence; the beautiful pattern of the goods; the trimmings and the expert workmanship are proof and warrant for the verdict.

FIRE BURNS BARN; LIVE STOCK KILLED

FIRE DOES DAMAGE ON HENRY RIEMENSCHNEIDER FARM NEAR STATE CENTER.

ORIGIN IS NOT KNOWN; TOTAL LOSS ABOUT \$2,200

Property Destroyed Protected By Insurance of \$1,500—Fifteen Head of Live Stock, Several Tons of Hay and Some Machinery, Also Straw Stack and Small Out Buildings Burned.

Fire of unknown origin, which broke out at 3 o'clock Friday afternoon, destroyed the barn and its contents, consisting of fifteen head of live stock, hay and machinery, on the Henry Riemenschneider farm, four miles south-west of State Center.

Pigs and Calves Burned. Included in the contents of the barn that were destroyed were eleven pigs, three calves and one horse, in addition to fifteen tons of hay and some farm machinery.

The insurance on the barn covers about half of the value of the building and the loss on the hay and live stock is well protected by insurance. The insurance carried covers about one-half of the total loss.

FIND MISSING MAIL. Part of Sack of Mail Missing Since March 18 Found in Culvert.

Evidence of what is evidently a mail robbery was recently unearthed near State Center, under a Northwestern culvert, when several packages of letters were found, some of which had not been opened as yet.

On March 18 a sack of first class mail which had been thrown out of No. 9 during the night, came up missing and although a thorough search was made for the same, no clue to its whereabouts was ever revealed.

The packages of letters found had been thrown far thru the culvert and it was necessary to get a long pole in order to drag them out. The section men discovered the packages, while peering thru the culvert to see why it appeared to be stopped up.

Local Comment. It may strain the census enumerators to find more people than the Marshalltown Club enumerators found.

The progressive republicans of Marshall county should drop differences over local questions and take some interest in state issues.

A small boy was accidentally killed in Marshalltown last week by being run over by an automobile and this week another lad was killed in Cedar Rapids in exactly the same manner.

When the city council goes away to inspect concrete paving the members should make an effort to take a broad common sense view of what they see.

Slugging has finally begun as an incident to the Lennox Machine Company strike and the police can not be too vigorous in putting a stop to it.

If there is the slightest legal question as to whether the mayor's letter constituted a legal veto of the Hull rate ordinance there is nothing to do but to pass the ordinance anew.

Notice to Lot Owners in Riverside. The annual election will be held on Monday, May 2, 1910, at the First National Bank, between the hours of 1 and 3 p. m.
