FAKE HAIR PREPARATIONS Do Hair No Good, But Often Cause It to Fall Out. Many hair preparations are "fake" because they are merely soap irritants. They often cause a dryness, making the hair brittle, and, finally, lifeless. Dandruff is the cause of all trouble with hair. It is a germ disease. The germ makes cuticle scales as it digs to the root of the hair, where it destroys the hair's vitality, causing it to fall out. To cure dandruff, the germ must be killed. "Destroy the cause, you remove the effect." Newbro's Herpicide is the only hair preparation that kills the dandruff germ, thereby leaving the hair to grow luxuriantly. Sold by leading druggists. Medicine Free in Every Case Where It Fails to Relieve. Neglect or pessimism, we believe, is the greatest enemy that the public has to contend with when applied to the loss or recovery of health. Practically every case of consumption might have been cured if hope had been maintained and proper treatment had been resorted to at the first symptoms of the disease. Until the advanced stage is reached consumption is curable. Catarrh is responsible, we believe, for many cases of consumption. It is about catarrh we want to talk to you today, incidentally consumption, since the two are so closely allied. We have a medicine made from a prescription of one of the most successful catarrh specialists known. We believe it is positively without an equal. We are so satisfied that we are right, that we will supply the medicine free in every instance where it is used according to directions, for reasonable length of time, should it fail to give satisfaction in every particular. We want every one to try this medicine attached to our offer. We put the user under no obligation to us whatever. The medicine we want you to try is Rexall Mucuo-Tone. It is a catarrh remedy that goes direct to the seat of trouble. It is carried by the blood to every part of the system. It purifies and enriches the blood, tones up the mucous cells, and brings about a condition of health and strength that tends to prevent the germs of consumption from getting a start. Besides this, Rexall Mucuo-Tone is a wonderful appetizer, digestive aid and flesh builder. Its good effects are often felt from the very first dose. It is one of the largest and most satisfactory selling medicines that we have ever had anything to do with. We know so much of the great good that it has done that we personally back it up with our reputation and money. We guarantee it should be ample guarantee to satisfy anybody. Rexall Mucuo-Tone comes in two sizes, 50 cents and \$1. We urge you to try it. Remember you can obtain Rexall Remedies in Marshalltown only at our store—The Rexall Store. The McBride & Will Drug Company.
