COLLEGE ANNIVERSARY

TOLEDO'S BIG SCHOOL PREPARES FOR CELEBRATION COMMENCEMENT WEEK.

LARGE GATHERING EXPECTED

WHEN GOVERNOR FOLK COMES

Commencement Week Begins June 2 and Quadriennial Celebration Will Be Held June 9—Largest Class Except One to Be Graduated—Other News of the State.

Special to Times-Republican.

Toledo, May 25.—Leander Clark College is making great preparations for the annual commencement and quadriennial celebration, to be held Thursday, June 2, to Thursday, June 9.

Thursday, June 9, is likely to witness the largest gathering ever brought together to celebrate an event in the life of Western-Leander Clark College.

Special to Times-Republican.

Logan, May 25.—Clarence Fuller was taken into custody at LeMars and brought to Toledo to answer to the charge of bigamy.

TRIAL FOR BIGAMY.

Clarence Fuller Arrested at LeMars and Taken to Logan.

Special to Times-Republican.

Logan, May 25.—Clarence Fuller was taken into custody at LeMars and brought to Toledo to answer to the charge of bigamy.

It is alleged that Mr. Fuller was married to Miss Emma Miller, of near Moodle, Dec. 25, 1904, going to Woodbine to have the marriage ceremony solemnized.

Notwithstanding a vigorous search was made for Mr. Fuller, he surpassed all other men, for whom Sheriff Rock has searched in his term of office in keeping under cover.

DOUBLE FUNERAL FOR

MR. AND MRS. JOHN W. REED

Mr. Reed Victim of Apoplexy and Husband Succumbs Two Days Later From Grief—Aged Couple Were Visiting in St. Paul When End Came—Brought Back to Iowa For Burial.

Special to Times-Republican.

St. Paul, May 25.—The final chapter in the life romance of John William Reed and Ruth Hazen Reed will be recorded today in a funeral at Lime Springs, Iowa, their old home.

In the rugged hills of Vermont many years ago, John Reed, son of Irish immigrants, wooed and won Edith Hazen, daughter of Jabez and Sophronia Hazen of Puritan stock.

CRUSHED BY ELEVATOR.

Employe of Morrell Packing House Meets Tragic Death.

Ottumwa, May 25.—Crushed between the door of the elevator and the top landing of the oleo building in the Morrell beef house the lifeless body of John Seely was found by a fellow workman a few minutes before the noon hour.

The head and right arm were both caught in a space about four inches wide, and the head was frightfully misshaped thru the crushing within the

afterwards he found the walks and grounds in the vicinity gritty with ash and dust of a peculiar nature. The pieces found that were large enough for analysis were of a crystal, almost transparent quartz, such as the falling debris from comets or meteors is said to be composed of.

A jury composed of six men, who were drawn to investigate into the cause of the fatal accident, was struck by lightning and the building, together with all the contents, was entirely destroyed.

Charles Kassel and wife, who lived in the apartments over the depot, were barely able to escape with their lives and none of the contents was saved.

The building was all on fire in the inside before help was able to get there and within a very short time the building was a smoldering mass of ruins.

The total loss, which includes all the station books and records, is not known.

Clinton.

James Keefe, assistant chief of the Clinton fire department, had been injured in a runaway while driving to Lyons, accompanied by his little son, to attend a funeral, his head, one eye and nose being so badly cut that it was necessary for a doctor to take nineteen stitches in the cuts.

There were a number of bruises in addition to the cuts. The cuts were on the left side of his head and extend to the left eye and the left side of his nose, being caught when Mr. Keefe was dragged along the ground endeavoring to stop the horses.

The boy was not hurt.

Hedrick.

Will Sicker, a farm hand employed by T. J. Holt, had an exciting experience. He was driving a team and wagon across the pasture when the neckyoke broke and the team ran away, team wagon, and driver going over a bank forty feet high, into a big ditch, where they proceeded to mix at the bottom.

Sicker was pinned beneath the wagon in the mud and water while the team kicked loose and scrambled out on the opposite side. After a time Sicker managed to extricate himself, having miraculously escaped consequences more serious than a few bruises and being plastered with several layers of mud.

Ottumwa.

That the United States census bureau, Mrs. Guy Rohles, of Beloit, Wis., will come to Ottumwa in July to visit her sister, Mrs. Catherine Blake, of Ottumwa.

Mrs. Blake resides at 428 West Maple avenue. She and Mrs. Rohles have not seen each other for twenty-five years and had not heard from each other for eighteen years.

Mrs. Rohles will come to Ottumwa in July to visit her sister, Mrs. Catherine Blake, of Ottumwa.

She did not find her sister, Mrs. Rohles asked the census enumerators to help her, and they suggested that she write to Congressman Cooper, representing that part of Wisconsin in congress. She did and he sent her a list of names and by following this list she located her sister in Ottumwa.

Southern Iowa Items

Hedrick. Joseph Kitterman, of Hedrick, has been suffering severely with blood poisoning, but is now recovering.

Des Moines.

The executive council has announced that the railroads cleared \$16,144,592 last year under the 2-cent fare schedule and lower freight rates.

Burlington. By a unanimous vote Monday night, Company H, of the Fifty-fourth regiment, approved of the location of the next encampment of that regiment in Burlington July 18 to 28.

Des Moines. Fire at the Johns coal mine in South Des Moines, destroyed the blacksmith shop, engine house and other buildings.

Only hard work on the part of the firemen prevented the flames from spreading to the shaft of the mine. The loss is estimated at \$10,000.

Iowa City. Burdette Stover, a young son of Joseph Stover, of Iowa City, has set a record as a gopher trapper.

Saturday he appeared at the office of the county auditor with fifty pairs of gopher claws, representing a week's work in trapping. The bounty paid him for this work was \$250.

Davenport. Joseph Shanc, 45 years of age, was killed in a motor accident while driving on a highway near Davenport.

He was injured when a wagon in which they were coming to Davenport was hit by a large observation street car going in the same direction on the government bridge. The wagon was lifted up and thrown upside down upon the horses.

Malvern. Mr. Cross, well digger, was injured in an accident which will cause the loss of an arm. While in a well, the large bucket full of mud and water became detached from the rope and fell thirty feet, striking Mr. Cross on the left shoulder and arm, crushing the arm, which will be amputated at Glenwood next Tuesday.

Muscatine. Death claimed Commodore E. P. Day at Hershey hospital Sunday. He was born here in March, 1843, four years after Bloomington was incorporated and six years before the name was changed to Muscatine.

Mr. Day was a veteran of the Civil war and one of the city's best known and most influential citizens. An acute attack of pleurisy was the cause of death.

Davenport. Henry Thiessen, who was one of the two men who attacked Mrs. Grace Gelling near her residence on West Ninth street about two weeks ago, has been placed under arrest by the police, having been captured by Officer Nagel after an absence dating from the night of the attack.

His companion, George Schacker, is still missing and a sharp lookout is being maintained for him.

Fairfield. Rivaling some freak edifices in larger cities where congestion makes floor space precious, Fairfield is to have a new business block thirty-four feet long and exactly six feet wide. It is located on the only vacant spot on the square. The new building will be completed within a short time and will be occupied at once by Mel A. Johnson, who has recently gone into the cigar manufacturing business.

Essex. A small shower of sandy dust and small crystal stones fell in Essex, which presumably was the result of some disturbance either directly or indirectly from the comet. The falling particles were noticed particularly on the hill residence portion of Essex.

A. D. Collins has the largest selection of the curious phenomena, having a small box of the little crystal stones he picked up after the fall. Frank Sedgwick was another to notice the strange incident. Upon investigation

GOLD DUST is better than soap

and elbow grease for pots and pans. It digs deep into cracks and corners and sterilizes everything it touches.

There is nothing about the kitchen which collects so much dirt, grease and grime as pots and pans; and there is nothing that will clean them so quickly, easily and thoroughly as GOLD DUST.

GOLD DUST cleanses until the last evidence of dirt has gone, and removes every trace of germ life.

You are probably not aware that pots and pans which are used constantly contain hidden nests of little wigglers—germs of putrefaction and decay.

GOLD DUST removes these, because it sterilizes as well as cleans, and leaves your utensils clean, pure, wholesome, safe.

GOLD DUST will work wonders in cleaning and polishing milk cans, pails, bottles and dairy utensils, pots, pans and kettles.

Let the GOLD DUST Twins do your work!

Richard Reese Drops Dead.

Was One of Largest Landowners in Monona County.

Special to Times-Republican.

Vinton, May 25.—Richard T. Reese, one of the oldest and wealthiest residents of Monona county, died very suddenly at his home in Turin Monday evening.

Mr. Reese had not been feeling well for several days and upon going out to the barn dropped dead from heart failure. For a number of years he was the leading merchant in the little village of Turin. He was one of the largest land holders in Monona county, owning something over 2,000 acres. Mr. Reese first came to the county in 1845. At the time of his death he was in his 80th year.

Special to Times-Republican.

Vinton, May 25.—Edward A. Murphy entertained the members of Company G, Fifty-third regiment I. N. G., at a supper given at the Sprague Hotel, Monday night.

At the opening of the indoor target season last fall, Captain Murphy divided the company into two platoons and announced that he would give a supper to the winning platoon. The indoor season closed on the 15th, and as all the members had taken a great interest in the work, he decided to invite the entire company.

After the supper was served Sergeant Tilford Smouse was presented with a handsome badge, he having made the highest score in the company, making 481 points out of a possible 500.

The graduation exercises of the Iowa State College for the Blind, situated here, were held last night in the college chapel and were witnessed by the entire student body, as well as a large number of the townspeople.

The closing concert was given last night, under direction of Professor Miller, and was a rare musical treat.

Special to Times-Republican.

Manly, May 25.—Frank Chupchick is to have a fine modern house built on his farm east of town this summer.

Quite a number went on the Iowa Central excursion to the Twin Cities Saturday morning, returning Monday.

Mrs. George Tyler, of Mason City, is very ill at her parents' home west of town.

Farmers report that altho the weather has been cold since corn planting began, the corn has begun to grow.

Joe Busta, from Washington state, is visiting his parents here.

The M. W. A. has given their first concert on the street this season Saturday evening and expect to give one the coming Saturday evening. They will play at Northwood the 23 of June, at the Woodman picnic.

Mrs. Frank Vanek visited at Austin, Minn., the latter part of the week. Civil Engineer L. L. Lyford returned to Mattoon, Ill., Thursday night.

John M. Winchell, of Rippey, has been secured as principal of the Manly schools for the ensuing year.

Mrs. Brisson, of Inner Grove, Minn., is visiting relatives in the vicinity.

Mervin Passoy, assistant buttermaker here, was called home Saturday by the death of his father, at Sullivan, Mo.

The last cream checks drawn by the Manly creamery were at the rate of 35 cents a pound for butter fat.

Hampton Breivies.

Special to Times-Republican.

Hampton, May 25.—The job of street commissioner here has been going begging for the position, John Blankinship, and the work that had been in progress at Thompson and Fourth streets was resumed. The first named street is being taken down between Fourth and Fifth and the dirt used in the fill at Taylor and Fourth.

This county will furnish two of the federal grand jurors for the June term of court that will be held at Fort Dodge next month. They are J. P. Keefe of this city, and John P. Randall of Sheriff.

A carnival company known as the United States Shows, is holding forth here this week under the auspices of the local fire company.

W. D. Shearer has disposed of his dry line and express delivery business to W. B. Baller, and the latter will also take the place of Mr. Shearer as mail carrier between the postoffice and the St. Paul & Des Moines depot.

Improving Pine Farm.

Special to Times-Republican.

Hudson, May 25.—R. H. Rehder has begun the improvement of his new farm, purchased last fall near Hudson. He has planted about 1,000 trees. The gravel and rock are hauled preparatory to building a large barn, combined hay house and wagon crib and other buildings. The farm has fine one; every foot of it can be plowed and about two-thirds of it is sowed to clover.
