

Why Have an Overheated Kitchen in Summer?

When the sultry days come and the coal range makes the kitchen almost unbearable and cooking a dreaded task, put out the range fire and try the newest method of cooking in hot weather—use a

New Perfection Oil Cook-stove

What a contrast! The kitchen no longer is stifling hot, the work is now done with comfort, and the housewife is not worn out with the heat.

She saves her strength, keeps her health and is better able to enjoy the summer.

The New Perfection does everything that any other stove can do—all the family cooking, baking, washing and ironing. No smoke, no dust, no odor. Heat is applied directly and not wasted. A turn, and the flame is out.

The New Perfection stove has a Cabinet Top with shelf for keeping plates and food hot, drop shelves for the coffee pot or saucepans, and nicked towel racks.

It has long turquoise-blue enamel chimneys. The nickel finish, with the bright blue of the chimneys, makes the stove very attractive and invites cleanliness. Made with 1, 2 and 3 burners; the 2 and 3-burner stoves can be had with or without Cabinet.

STOP THAT FIGHT REACHES HERE

PETITIONS NEVADA GOVERNOR TO FORBID JEFFRIES-JOHN-SON MILL.

MOVEMENT STARTED BY COLUMBUS, O., COMMITTEE

The Same Committee Brought Great Pressure to Bear on Governor Gillet, of California—Ten Thousand of These Petitions Have Been Sent Out—"Stop That Fight" is the Slogan.

If by any chance Governor Denver S. Dickerson, of Nevada, should change his position relative to the Jeffries-Johnson prize fight, which is now scheduled for Reno on July 4, and prohibit the heavyweight meeting in Nevada, some people of this city will probably have had a part in bringing this about. Petitions asking that the governor stop the fight have been received and were being circulated in this city today.

This movement is being promoted by the Volunteer Committee, an organization of Columbus, O., business men. Send Out 10,000 Petitions.

This committee has sent to Young Men's Christian Associations, church and religious organizations in all states of the union, 10,000 of these petitions. Those to whom they were sent are urged to circulate them at once, securing not less than ten signers and mail them to the governor of Nevada.

"Stop That Fight" is the slogan of the committee, and on the large printed envelopes in which the petitions are to be mailed to Governor Dickerson they appear in large black letters.

The petition reads: "Price fighting is contrary to public policy. The governor is the conservator of the peace and good morals of the state. Your duty is clear one. Stop that fight!" General Secretary Henry E. Wilson, of the Railroad Y. M. C. A. received copies of the petition and is circulating them.

Bombarded Governor Gillet. This same volunteer committee used similar tactics in bombarding Governor Gillet, of California, who forced the fighters, to withdraw from that state. He was presented with thousands of similar petitions and post cards from all parts of the country, which bore the sentence, "Stop That Fight."

ROBERTS-GRIFFITHS NUPTIALS.

About 100 Guests Present at Pretty Wedding Wednesday Evening. At the home of the bride's parents, Mr. and Mrs. Stephen W. Griffiths, 809 West Church street, Wednesday evening was the wedding of their youngest daughter, Viola E., to Mr. Judson Ames Roberts, of Yankton, S. D. The ceremony took place at 8 o'clock in the presence of about 100 guests, and was performed by Rev. W. H. Scott.

Little Maxine Hughes was ring bearer, carrying the ring in a rose. As Miss Mabel Miller began the strains of the wedding music from "Lohengrin," little Catherine Mehl and Edward Beech stretched pink ribbons to form an aisle for the bride party from the foot of the stairway in the reception hall, to the farther corner of the parlor where, with a background of palms, ferns and smilax, with large vases of pink roses on either side, the ceremony took place. Miss Miller played Engelmann's "Maid of Love" softly during the ceremony, following with Edward Schmitt's "To My Dearest," and other selections during the evening, and Miss Winifred Chamberlain sang sweetly the love song entitled "I Know." The guests were admitted by Miss Florence Stewart, and received by Mr. and Mrs. Griffiths and Mrs. Jan Roberts, the latter mother of the groom, of Pierpont, S. D. The bride's dress was a beautiful creation of white net over ivory-colored tulle, with pearl trimmings. She carried pink roses, and wore as an ornament a beautiful pearl brooch, the gift of the groom. Each guest received a rose from the bride's bouquet.

It was a rose wedding throughout, pink and white and green being the color scheme. Pink ribbon decorated the bride's table, from corner to corner, with a canopy of roses and from the chandelier above it, hung festoons of smilax. The other tables were decorated with pink roses and ferns. The lunch, in three courses, was served by Misses Florence Stewart, Winifred Chamberlain, Lillian Welker and Dorothy Pooler, the latter of Austin, Minn.

The bride, who is accomplished as a musician, has many warm friends in this city, where she was reared. She graduated from the department of music in the State Teachers' College at Cedar Falls, acting as assistant for two years. After her graduation she studied voice for a year in Chicago, under Mrs. O. L. Fox DeVries and Felix Borowski, and then returned to Cedar Falls to succeed Miss Childs as instructor in private voice for two years. Last year she taught in Northland College, Ashland, Wis., where Mr. Roberts was also an instructor, and where the couple first met. This year she has been at home, having a class here. Mr. Roberts, after his graduation from Yankton College, attended the University of Chicago, later teaching at Ashland, Wis., for three years. For the past year he has been instructor in science in Yankton College, to which position he will return next fall. Mr. Roberts will remain here for about a week, and expect then to spend the remainder of the summer in a trip to Minneapolis and an outing at the lakes. They will be at home in Yankton after Sept. 15.

Guests present from out of town, were Mr. John Griffiths, brother of the bride, of Besant, Tex.; Mr. and Mrs. Fred Griffiths, uncle and aunt, and Mrs. Linden and daughter Miss Ruth, aunt and cousin of the bride, of Peabody, Kan.; Mrs. Jane Roberts, mother of the groom, of Pierpont, S. D.; Mr. and Mrs. H. B. Philipot, the latter a sister of the bride, of Cedar Falls; Mrs. Albert Lamb, wife of Cedar Falls;

Miss Minnie Dubbert, of Freeport, Ill.; Mr. and Mrs. Harry Coffman and Mr. and Mrs. F. G. Reimers, cousins of the bride, of Morrison; and Mrs. Carrie Morrison, of Grundy Center.

FOURTEEN PASS EXAMINATION.

High Percentage of Y. M. C. A. Lads Successful in Bible Quiz.

Of the seventeen boys of the ward bible classes of the Railroad Y. M. C. A., who took the international committee's bible examination, fourteen passed with a mark higher than 75. The rankings from the committee were received by the association this morning. The subject of the examination was "The Men with a Name," the questions being on old testament characters. The examination, which was written, was held in April.

Charles Lampman, aged 15, ranked highest of the seventeen. He received a mark of 98. Melvin Wilson, aged 15, with a mark of 95, and Raymond Johnson, aged 16, third with a mark of 90. The other boys who passed the examination were: Ralph N. Cook, 86; Ralph L. Good, 83; Raymond Kirby, 82; Kenneth Clow, 77; Dean Larrie, 85; Miller White, 83; Kenneth Burkholder, 87; Byron Ruth, 75; Oakley Shahan, 80; John Watson, 80; and Gale Stewart, 81.

Each of the boys who passed will receive a certificate and three of the certificates get them a diploma from the international committee. The examination illustrates the community work the association is attempting to do among the boys. Of the seventeen ten are not members of the association, but they were members of the bible classes, which entitle them to swimming pool and gymnasium privileges of the association.

WOMAN BADLY HURT IN FALL FROM TREE

MRS. PATRICK O'HARA, 202 PLAY-ER, SERIOUSLY INJURED THIS MORNING.

FALLS FROM CHERRY TREE; STRIKES CHAIR

Three Ribs on Right Side Broken and Torn From Vertebra—Other Internal Injuries Feared, and Patient's Condition Believed Serious—Will Require Few Days to Predict Outcome.

While picking cherries from a tree on her premises, 202 Player street, at 6:30 this morning, Mrs. Patrick O'Hara, aged 55, wife of a Chicago Great Western flagman, fell and received injuries that are most serious, and may prove fatal.

Mrs. O'Hara, who is a large woman, used a chair to mount the lower limb of the tree, and while at work on a limb eight feet distant from the ground slipped and fell backward. She struck on her right side across the chair, fracturing three ribs. The ribs were also torn from the vertebra. It is feared by Dr. E. G. Leffler, who was called, that the woman received other internal injuries, and the outcome of the case today is not considered particularly flattering. Mrs. O'Hara was suffering from shock this afternoon, and also experienced a great deal of nausea. It will require a few days, probably, before it will be known to a certainty just how serious the woman's case may prove.
