PARKER IS NOMINEE FOR THE JUDGESHIP

PRESENT INCUMBENT CHOSEN ON SEVENTH BALLOT BY REPUBLICANS.

EVEN BREAK ON FIRST BALLOT, PARKER LEADING

City Stood By Wilson Until the Sixth When Second and Third Wards Broke to Parker and Carney—Progressive Delegation Chosen to Conventions—Iowa Senators Endorsed.

John M. Parker is the republican nominee for judge of the Seventeenth Judicial district, having been chosen by the county convention this afternoon on the seventh ballot over J. L. Carney and J. J. Wilson. On the first ballot the three candidates broke practically on an even footing, with Parker two votes over both his opponents.

The vote on the first ballot on Judge Parker was 36, Carney 34 and Wilson 34. The entire vote of the city wards was cast for Wilson, with only three of the country delegates voting for him.

The second ballot resulted Parker 55, Carney 35 and Wilson 34. The third gave Parker 33, Carney 33 and Wilson 33, and the fourth resulted exactly the same.

The fifth gave an increase of one to Parker, with 39, and a loss of one to Wilson. Carney remained at 33. Then on the sixth came the slide. The Second and Third wards, realizing there was no chance for Wilson, broke to Parker and Carney.

The Seventh ballot dawned with Parker within one vote of nomination. On this ballot Parker gained two from the country precincts from Carney, giving him 55, as against Carney's 33 and Wilson's 16.

The resolutions committee, of which B. F. Cummings was chairman, reported this afternoon, and the resolutions were adopted amid great cheers. The convention was decidedly progressive in its makeup, and endorsed heartily the two progressive senators and the insurgent members of congress.

The Resolutions. We congratulate the republicans of Marshall county upon their loyal support of those candidates and of those measures which have made possible the remarkable progress of the party in recent reforms within the state and it is with pride that we hereby extend to Senator Cummins and his colleague, Senator Dolliver, and to the so-called "insurgent" members of congress, our hearty endorsement.

We believe that the new law regulating railroads, which is the triumph of the present session of congress, owes its fulfillment to the party's pledge in recent reforms within the state and it is with pride that we recognize this contribution from the representatives of republicanism to the welfare of the nation.

We admire the manhood, the independence and the devotion to duty which caused our two senators to vote against the tariff which they believed to be inimical to the best interests of the public and yet we have tolerance for all men who might have held different views as to the expediency of this compromise.

We certainly denounce as intolerant and unwise any effort to question the republicanism or to punish the political persons of representatives of loyal republican states, who protest against the acts of a majority which are hostile to the public interests which they have been sent to represent.

We are pleased to commend our brilliant young congressman, James W. Good, from the Fifth district whose first term in congress without previous experience in public office has introduced him to the people of his state as a man of ability and worthy of continued honors in public trust.

We are pleased to extend to President Taft our sincere hopes for the success of his administration to the end that he may be able to accomplish the fulfillment of the party's pledges in the national republican platform of 1908 and which he has so often pledged himself to accomplish.

We rejoice at the success of the anti-pass law and the state-wide primary in removing corruption from our politics and we are confident that our party presents to the voters this fall a list of candidates for state office whose integrity has been irreproachable in their public trust.

We hereby instruct Marshall county's delegation to the state convention to vote as a unit for an unqualified endorsement of our two senators and their colleagues in congress and to vote as a unit for all measures of organization in that convention which the majority of the delegation decide to be of assistance in accomplishing such endorsement.

That we endorse the candidacy of I. C. Wetly, a former resident of this county and now a resident of our neighboring county of Story, for state superintendent of public schools believing that he is fully qualified for the position and that the central term is entitled to representation in that office.

Whereas, Justices H. E. Deemer and W. D. Evans are candidates for nomination to succeed themselves as Justices of the supreme court.

Resolved, that the republicans of Marshall county in convention assembled, heartily endorse said candidates and the delegates from this county are requested to support them for nomination for the offices named.

ALL IS HARMONY WITH DEMOCRATS

COUNTY CONVENTION DEVELOPS NO CONTESTS AND RESOLVES INTO LOVE FEAST.

DELEGATIONS TO BOTH CONVENTIONS CHOSEN

Convention Endorses Bradshaw For Judge and Delegation is Instructed to Secure His Nomination if Possible—Favors Tariff Reform Downward—The Delegates.

All was harmony with the democrats of Marshall county today when they met in the council chamber for their county convention. No contests were developed and a veritable love feast was the order of both forenoon and afternoon sessions.

The convention endorsed the candidacy of Judge C. B. Bradshaw, of Toledo, for the district judgeship, and instructed its delegation to work for his nomination. The convention re-endorsed the cardinal principles of the democratic party, and declared for the revision of the tariff downward.

George Herman, chairman from the Fourth ward, was chosen temporary chairman at the forenoon session, and R. E. Johnson was made secretary. The temporary officers were later made permanent.

The different committees were named. A. G. Johnson, A. C. Daly and A. T. Lowery on resolutions; J. E. Stanton, T. W. Coran, and A. G. Johnson on credentials; and Peter Loucks, J. D. Fraley, and William Clemens on resolutions.

The delegates to the state convention, which will meet in Ottumwa July 27, were chosen as follows: A. G. Johnson, Anthony C. Daly, Charles Beck, J. D. Fraley, J. E. Stanton, J. S. Darrah, Peter Loucks, E. H. Schilling, William Clemens, and J. J. McGuire. The alternates are George Herman, T. E. Bradford, R. A. Elzy, William Parsons, A. T. Lowery, Martin Kunkel, Ben Putman, R. E. Johnson, Herman Wiltsie, and Dan Bittel.

To the judicial convention, to meet in Tama Aug. 4, the delegation comprises A. C. Daly, T. E. Bradford, R. E. Johnson, Volney Kent, J. A. Bryant, W. C. McCarty, John A. John, John A. Sieg, M. U. Chester, and T. C. Brady.

Herman District Committeeman. George Herman was elected by the convention as a member of the congressional committee from this county.

Anthony C. Daly then addressed the convention before adjournment for noon. The resolutions committee reported this afternoon and resolutions were adopted. Aside from the resolution endorsing Bradshaw for judge and favoring a downward tariff revision, the convention favored the regulation of the sale of intoxicating liquors by high license local option, and directed that the delegation to the state convention urge and vote for such a plank being promulgated.

The local self government and home rule planks were reaffirmed and the delegates were instructed to work for a resolution to secure a pension of \$1 per day for all disabled soldiers and sailors.

Herman County Chairman. At the afternoon session George Herman was elected chairman of the county central committee, upon the reorganization of the body. Robert E. Johnson was chosen secretary and treasurer of the committee.

Fill Vacancies on Ticket. Vacancies in the county ticket were also filled by the convention this afternoon. Homer Clemens was nominated for county surveyor, the retiring John A. Peckham were nominated for justices of the peace in Marshall township. L. Bash and H. C. McBride were named for constables.

The finances of the committee were reported to show a small balance by J. E. Stanton, the retiring chairman. George Herman addressed the convention in closing and urged the party to stand together in the fall election. Mr. Herman declared that he believed the state attorney general of the party could be elected, as the thought of the county was in dispute in the other counties, and that many progressive republicans would vote with the democrats. He also thought that in the county Daly would be elected county attorney, and that the party had never had a better chance to elect at least one office in the county.

TWO FINED; TWO DISCHARGED. Justice Peck Free Lennox Men Held for Carrying Revolvers. Sidney Colton, treasurer of the Lennox Machine Company, and R. W. Howard, a non-union machinist employed by the company, who were charged with carrying concealed weapons, were discharged by Justice Peck this afternoon, when he decided the cases. The complaints against the two men were filed as a result of a clash between the strikers and non-union men Thursday night.

Ed Nealer, a striker, who was charged with engaging in an affray, was fined \$5 and the costs, when his case was ended Friday afternoon. Notice of appeal to the district court was filed by his attorney.

A charge of engaging in an affray, which had been filed against Jacob Kildow, a non-union mechanic, was dismissed. Kildow was fined \$5 and costs on a charge of assault and battery Friday.

Tramp Believed to Have Caused Death of Person Found in Own Yard. Sioux City, July 2.—The residents in the vicinity of Norfolk and Wayne, Neb., are aroused over the murder of Miss Louise Flege, aged 30, who was found dead in her front yard with two bullet holes in her head. A tramp who was seen near the house at the time of the shooting was arrested Friday before he is believed to have murdered her.

FIRE CAPTAIN KILLED. Three Firemen Also Killed in Bad St. Louis Blaze. St. Louis, July 2.—Captain Lyons, of the fire department, was killed and three firemen and a workman were injured in a fire which destroyed part of the Waters-Pierce Oil Company's storeroom today. The loss is \$200,000.
