Famous Palmolive

If you have never tried Palmolive Soap, you can have no idea how it will soften and freshen the skin and improve your complexion. It nourishes as well as cleanses the skin. It contains no raw alkali.

Palmolive—through the wonderful effect of its palm and olive oils—makes the hands smooth, soft and beautifully white. You have never known soap so delightful to use—so delicately perfumed—so richly exquisite in texture. Palmolive has a larger sale than any other high-grade toilet soap. The soap that has pleased the most women—will please you!

Marvelous Galvanic

The soap that does everything you have a right to expect of a laundry soap—and more.

Over a million women use Galvanic Soap every day—in the laundry—in the kitchen. They know that Galvanic does twice the work of other soaps with half the labor—and does it better.

Galvanic soap is a pure white soap. It makes your clothes pure—white—clean. It does it with less than the labor needed with ordinary soap. You don't need to boil the clothes. You don't need to even rub them, unless they're very badly soiled.
