## HAS TOO MANY WIVES

### ROCKFORD LIVERYMAN FACES CHARGE OF BIGAMY AT CHARLES CITY.

### WEDDED TO YOUNG MISS, WIFE NO. 1 APPEARS

Robert R. McClelland, Alias Robert Shannon, in Peck of Trouble—Married One Month Ago to Nora Springs Girl—Another Woman With Two Children Has First Claims.

Charles City, July 29.—The court of Justice Rague has been a place full of expectancy, attorneys, deputy sheriffs, plaintiffs and defendants in a bigamy case, which promises to furnish considerable spice before it is concluded.

The defendant in the case is Robert R. McClelland, who is at the present time owner of a livery barn at Rockford, having moved to that place a short time ago. In fact he had arranged to have charge of both barns there. The defendant was married on June 29, to Miss Rose Fingelson, daughter of Mrs. Ella Heffner of Nora Springs. The daughter of Mrs. Heffner was but 17 years old when she married Mr. McClelland. Miss Fingelson was a daughter of Mrs. Heffner by a former marriage. The mother appeared at the office of Clerk Graham and got the marriage license before the marriage of her daughter in June, giving her consent to the marriage to McClelland.

### Wife No. 1 Appears

Now comes the plaintiff in the case who claims to be wife No. 1, with two children, and claims that Mr. McClelland was married to her under the name of Robert Shannon and that he had lived with her at and near Rockwell, Iowa, for a period of several years and that last spring she found out that he was receiving letters from other women. She thereupon spoke to him about it. The finality of the matter was that they agreed to disengage, she taking her belongings and the children and going to Fairmont, Minn., to her relatives and he coming into Iowa. She has been over at Mason City for a few days attending the funeral of a cousin. There she heard that he was married and living at Rockford.

### Went By Name of Shannon

She claims that when he lived with her he went by the name of Robert R. Shannon and she produces a marriage certificate with that name attached. She says that she found that he is the same man who was from some of his relatives near Bristow, Iowa. They said that he had taken his right name as soon as he separated from the woman, who claims to be wife No. 1. The case was to have been tried Tuesday night before a Justice of the Peace in Rockwell, Iowa, but the defendant, Sheriff Fluency went to Rockford that afternoon and arrested Mr. McClelland.

### PLUCKY LAD IS KILLED.

### Arthur Lind Loses Life Trying to Prevent Runaway.

Carroll, July 29.—A distressing accident which resulted in the death of little Arthur Lind occurred at Arcadia. The lad and his sister were delivering milk at the creamery, and when the former got out to assist the unloading and watching the boy stationed himself at the head of the horses. The team was not a fractious one, but just at that moment they became frightened and started to plunge, when the boy made a leap for the bits and exerted all of his strength to hold them. He was finally thrown, but not until fatal struggles tore down a barbed wire fence. On a sudden dash the boy was caught under the arm by a wire and before help could come to him was lacerated in a frightful manner. William Casperson and John Birdman finally rescued him, but not until fatal wounds had been inflicted. Dr. Happe brought the little sufferer to the hospital at Carroll by auto in a trip of twenty-seven minutes, where he received immediate surgical treatment, but the shock was too great. The boy died the following morning. The funeral was held at Arcadia.

### DROPS DEAD ON STREET.

Davenport Youth Supposed Victim of Prostration. Davenport, July 29.—Albert Loylson, contractor Daniel C. Lloyd, residing here, dropped dead while walking along the sidewalk in front of the home of Fred H. Lohse, yesterday afternoon. Several of the neighbors saw the young man fall, and rushed to his aid immediately. A doctor was also summoned, but it is supposed that death had been instantaneous. The body was removed to the Boies undertaking parlors, where an inquest will be held by Coroner E. E. Rudolf. The cause of death, according to the doctor was heart prostration. Lloyd was about 18 years of age, and of good habits. He had been employed as a plumber by Kuehl Bros.

Davenport, July 29.—Frank Richland of Lincoln, employed by the Peoples Construction Company in the stone quarries at that place, was seriously injured internally, one of the horses which he was driving was killed outright and the other completely disabled, and the wagon was smashed into splinters, when all went over a ledge together and fell upon the rocks about thirty feet below.

### S.P.S. FOR SCROFULA

**S.S.S. NATURE'S PERFECT CURE**  
The children of blood tainted parentage inherit a polluted circulation to burden their existence with disease and suffering. Swollen glands about the neck, weak eyes, running sores and abscesses, pale, waxy complexions, and frail, poorly developed systems are the most usual ways in which the disease is manifested. In some cases the blood is so filled with the scrofulous germs that from birth, life is made miserable with suffering, while in other cases it is held in check during young, vigorous life, but when the system begins to weaken, especially after a spell of sickness, the ravages of the disease will commence. S. S. S. is Nature's perfect cure for Scrofula, made entirely of healthful roots, herbs and barks, a safe medicine for young or old. S. S. S. goes into the circulation and drives out all scrofulous matter, and entirely removes the cause. It supplies the blood with the healthful properties it is in need of and in this way builds up weak, frail, disease-burdened persons and makes them strong, robust and healthy. S. S. S. cures Scrofula, because it is the most perfect of all blood purifiers. Book on the Blood and any medical advice free to all who write.
