

Use TIZ-- Smaller Feet

Sore Feet, Tender Feet and Swollen Feet Cured Every Time. TIZ Makes Sore Feet Well No Matter What Ails Them.

Everyone who is troubled with sore, sweaty, or tender feet--swollen feet--smelly feet, corns, callouses or bunions can quickly make their feet well now. Here is instant relief and a lasting permanent remedy--it's called TIZ. TIZ makes sore feet well and swollen feet are quickly reduced to their natural size. Thousands of ladies have been able to wear shoes a full size smaller with perfect comfort.

It's the only foot remedy ever made which acts on the principle of drawing out all the poisonous exudations which cause sore feet. Powders and other remedies merely clog up the pores. TIZ cleanses them out and keeps them clean. It works right off. You will feel better the very first time it's used. Use it a week and you can forget you ever had sore feet. There is nothing on earth that can compare with it. TIZ is for sale at all druggists 25 cents per box or direct if you wish from Walter Luther Dodge & Co., Chicago, Ill.

GIFFORD TO SUE HIS WIFE'S MOTHER

PETITION PREPARED FOR \$50,000 SUIT FOR ALIENATION OF WIFE'S AFFECTIONS.

CHARGES MRS. CAPRON WITH INFLUENCING MRS. GIFFORD

Petition Mailed to Poweshiek County Court This Morning--Mrs. Capron, of Grinnell, Accused of Causing Separation of Gifford and His Wife--Mrs. Capron and Mrs. Gifford Deny It.

The second chapter in their marital troubles, which caused the recent separation of Frank H. Gifford and his wife, Mrs. Phoebe E. Gifford, and the bringing of a suit for divorce by the latter, was made public today, when Mr. Gifford's attorney authorized the statement that his client would bring suit against Mrs. M. G. Capron, of Grinnell, mother of Mrs. Gifford, in the Poweshiek county court at Montezuma, Wednesday, for the alienation of Mrs. Gifford's affections. The petition in the case, which asks damages of \$50,000, Mr. Gifford's lawyer said, was mailed to Montezuma this morning and would be placed on file Wednesday morning.

Blames Mother for Separation. In the petition Mrs. Capron is blamed for interfering with the family relations which existed between her daughter and the latter's husband, and with being the direct cause of Mrs. Gifford leaving her husband about July 13, and going to Grinnell to live with her mother, and later bringing suit for divorce.

The claim is set up that during the past ten years Mrs. Capron has interfered in the affairs of Mr. and Mrs. Gifford and has sought to estrange them, and that her interference has caused the only differences that have arisen in the family. Going more into detail the petition puts forth the allegation that at about the time Mr. and Mrs. Gifford separated Mrs. Capron made false statements to Mrs. Gifford regarding the actions and conduct of her husband, which so influenced Mrs. Gifford that she left her home and went to Grinnell, where she has since lived, refusing to come home. There was no excuse, it is claimed, for this interference which influenced Mrs. Gifford, because of her weakened mental and physical condition, due to nervousness.

Mrs. Capron Denies Charge. Mrs. Capron, who was secured over the telephone at her Hotel Monroe, Grinnell, this afternoon, denied to the Times-Republican that she had never made any effort in any way, to influence her daughter against Mr. Gifford. "Mrs. Gifford came down here sick and nervous," said Mrs. Capron, "and I cared for her as any mother would. As far as influencing was concerned my influence has always been to try and get my daughter to return to her husband, as she herself will say. Further than denying the charge I do not care to discuss the case." Mrs. Gifford Also Talks. In a letter to the Times-Republican, in answer to Mr. Gifford's statement as to Mrs. Capron being the cause of the estrangement, and over the telephone this afternoon, Mrs. Gifford also denied that Mrs. Capron had ever tried to influence her against her husband. "The only advice my mother has given me," said Mrs. Gifford, "was to return to my husband, and I did this a few weeks ago because she urged me to. 'This case will be tried,' said Mrs. Gifford, "and when it is the real truth will be known."

CHARLES ZINK DEAD. Well-Known Vienna Township Farmer Dies Suddenly of Heart Disease. Following an illness of not more than an hour Charles Zink, a very well-known Vienna township farmer, died at his home at 6:45 o'clock Monday evening. Mr. Zink had lived on the farm where he died for more than thirty years.

He was born in Wyoming county, Pennsylvania, July 3, 1839. He grew to manhood there, and in the fall of 1864 went west to Illinois, where he remained for about a year. In 1865 he came still farther west, to Iowa. Four years later he went to Delaware to teach school, and while there married Miss Phoebe Heyd, who died several years ago. Soon after their wedding the young couple returned to Iowa, and settled in Vienna township. Mr. Zink was a veteran of Company D, One Hundred Sixty-fifth Pennsylvania Infantry. Mr. Zink is survived by three sons and one daughter. They are John P. Zink, Jacob H. Charles E. and Miss Dora B. Zink, all of Vienna township. One son, George, is dead. He is also survived by one brother, Henry, who lives in Pennsylvania, and a sister, Mrs. Charles Fueste, who is living in Vienna township. Arrangements for the funeral have not been made, as word is awaited from the brother in the east.

TO ADJUST WATER RATES. Committee Will Attempt to Make Uniform Rate for Factories. Because some of the manufacturers are complaining because other institutions are getting a cheaper rate for water, the water works committee Monday night was authorized to adjust the rates and report a uniform rate to be charged manufacturers in the future. The committee was instructed to report at the next meeting. The new uniform rate to be agreed upon will in no wise affect new concerns that have been given contracts for water at the cost of pumping for a period of five years. The question came up in a complaint of the Marshalltown Trowel Company, which wants a cheaper rate than 8 cents, the price it

is now paying. The company wants a 5-cent flat rate. The mayor said that he thought the council should fix a flat rate for all factories, independent of new factories. He thought the rate should be somewhere around 3 cents. The trouble now, the mayor said, is that the city does not know how much it costs to pump 1,000 gallons of water, and would not until the meter service was complete. He thought all new concerns should be encouraged with water at the cost of pumping for five years, and he did not think any established concern should complain of the cheaper rate to a new factory.

START TO BILL CIRCUS. First Advertising Car of Ringling Bros. in the City Today. Advertising car No. 1, of the Ringling Bros. circus, which shows here on Aug. 30, reached the city last night and spent the day here billing the town and the surrounding country. George W. Goodheart is in charge of the car, and has with him a force of twenty-five men.

The circus comes from Mason City in eighty-five railroad cars. The claim is made that Ringling Bros. show this year is bigger and better than ever before. The circus employs 1,250 men, women and children, its menagerie contains 168 cages and dens, and its work horses number 650, in addition to the ring and performing horses.

LIGHTS FOR AVENUE. Business Men and Residents of Main Thoroughfare to Depots Anxious to Erect Ornamental Lights--To Sell "Ask Me" Buttons to Help Pay Cost.

Business men and residents on South Third avenue are preparing to inaugurate an active campaign to secure ornamental lights for the main thoroughfare to the depot, extending from Main street south to the tracks. At a meeting held at the Y. M. C. A. last night the proposition was discussed, and a committee was appointed to meet again at 4 this afternoon to organize a ladies' selling brigade to assist in the work. The committee named comprises E. S. Ketchum, H. E. Wilson, W. W. Doolittle, Dr. P. R. Wood, Joseph Lemp, and Gus Smith. Sell Buttons to Aid Work. On Third avenue the lighting proposition is different than on Main street, as there are so many residence properties along the street. The Marshalltown Club "Ask Me" buttons, 3,000 in number, will be turned over to this committee, for sale at 25 cents each, and the money will be used to pay for the lights at points where the residence owners cannot afford the improvement.

Saturday Button Day. The committee has fixed next Saturday as "button day," and the ladies' selling brigade will be out in force disposing of the buttons. It is hoped that the sale of the buttons will realize enough money to pay for the lights in the residence sections of the street. The business men along the street are ready to do their share in front of their places of business. It is planned to place forty posts on the street from Main street south. Pretty Sight From Trains. The lights on Third avenue would afford a pretty sight from the depots, and would give strangers passing thru town a good opinion of the city. Third avenue is also used largely by strangers in passing to and from the business part of town and the depots, and also by south side people who come to town. The Third avenue business men are most enthusiastic over the proposition to light the avenue, and feel that their work will result in the installation of the lights.

SULLIVAN TO LEAD ELKS. Jerry B. Sullivan, Prominent Democrat, Slated for President. According to a movement started in Des Moines Jerry B. Sullivan, of that city, is being honored for president of the Iowa State Association of Elks, which meets in annual convention in this city next week. Des Moines intends to send a big delegation to the state convention, all pledged to support Sullivan, who is now first vice president of the association. As far as is known there is no other active candidate in the field. If Mr. Sullivan is elected he will succeed Lloyd R. Maxwell, formerly of this city, but now of Chicago.

NO. 91 WRECKED AGAIN. Another Serious Accident Overtakes Central's Fast Freight. Another and serious accident last night befell the Iowa Central fast freight No. 91, northbound, near Abingdon, Ill. The train seems to have followed this train for the past ten days, this being the latest of four accidents that has overtaken it within that time. Ten cars of the train were derailed near Abingdon shortly before midnight. Two men, supposed to be trainmen, were badly injured and nine of the ten derailed cars were demolished. The wrecker from this city was sent to the scene of the accident early this morning. A detailed story of the wreck is on one of the Iowa pages.

GET YOUR BARGAINS. At 13-15 West Main Street--Benedict & Brintnall's. Choice of all our duck suits for \$2.48. Sold up to \$10. Choice of all our white embroidered dresses for \$3.98. BENEDICT & BRINTNALL. CARRIE NATION HERE. Radical Opponent of Saloons Spends Short Time Here. Mrs. Carrie Nation, of Kansas, the radical opponent of the saloon, who gained much newspaper notoriety a few years ago by her saloon smashing episodes, spent a short time in the city this morning. She was here while on her way to Mason City, where she addresses a temperance meeting tonight. Tomorrow she speaks at Charles City.

SEEKS ACCOUNTING FOR HIS AGED WARD

JOHN C. DUNLAP BRINGS SUIT FOR \$10,000 REVENUE FROM TRUST LAND.

ALLEGES WHALEYS HAVE DIVERTED LAND RENTS

Suit is Brought Against Ida M. and John B. Whaley, Who Control and Own Land, Claimed to Have Been Placed in Their Charge For the Benefit of Rufus J. Dunlap.

Two suits for an accounting of a sum claimed to total \$10,700, which was derived from the profits of land, were filed Monday afternoon in the district court by John C. Dunlap in behalf of his ward, Rufus J. Dunlap, who is said to be of unsound mind. Ida M. Whaley and John B. Whaley are the defendants named. It was claimed in the petitions that they have had the use of land deeded in trust for Rufus Dunlap for eighteen years, without properly providing for him. One suit, which asks for an accounting of \$9,000, is for the rents and profits of sixty-six acres in Washington township, and for the labor performed by Dunlap for eighteen years. Left in Trust By Mother. The petition in this case says that on June 4, 1892, Emily Dunlap, the mother of Rufus Dunlap, deeded to Ida and John Whaley sixty-six acres with the proviso that Whaley and his wife should provide for Mrs. Dunlap's feeble minded son, Rufus, a home during his life time, feed him and clothe and support him, and give him medical attendance and nursing when needed.

It is the claim, according to the petition, that this has not been done, and that he has not been given ordinary support during all of these years. For the last eighteen years it is alleged that the plaintiffs have collected the rents and profits of the land and have employed Rufus Dunlap, but have not paid him for his labor. Two hundred dollars a year is claimed for the rent of the land and \$300 a year for Dunlap's labor, making a total of \$500. Second Suit on Other Land. In the second suit it is alleged that Dunlap is the owner of twenty-seven acres in Washington township, but that since 1892 the rents and profits from this acreage have been taken by Whaley and his wife. An accounting and judgment for \$1,700 for this land is asked. Dunlap is now close to 60 years of age. John C. Dunlap was appointed guardian of Rufus Dunlap in 1903. HENRY KOONTZ DEAD. Former Liscomb Township Boy Dies Suddenly at Atchison, Kan. A telegram received by relatives Monday told of the death at Atchison, Kan., of Henry Koontz, a former Liscomb township boy, and son of the late Ezra Koontz. Mr. Koontz's death was very sudden, and was the result of heart disease. He had been ill some time ago and was in the hospital, but had recovered and the relatives here believed him to be well. Mr. Koontz was for many years a railroad engineer, and had lost an arm in the service. After his accident he was given the foremanship of the Missouri Pacific shops at Atchison. Mr. Koontz is survived by his wife and nine children. His brothers and sisters here, J. C. Koontz, superintendent of the county farm and W. F. Koontz, of this city, and Mrs. Will McKibben and Mrs. Mollie Fogg, of Taylor township, left for Atchison Monday evening.

WANT TO FIND SON. "Billy" Howell, Believed to Be Here, Sought at Oskaloosa Because of Mother's Death -- Police and Newspapers Appealed To. A telephone message from police headquarters at Oskaloosa Monday night to police headquarters here asked that efforts be made to find one "Billy" Howell, whose mother is dead at Oskaloosa. Howell is believed to be here, although when last heard from he was employed at Grinnell as a cement worker. Howell is described as 24 years old, five feet, seven inches tall, and weighing 140 pounds. He has red hair. The Oskaloosa police asked that the newspapers be notified in the hope of being able to find the young man. Minor Council Matters. Minor matters were disposed of by the city council Monday night as follows: Referred to streets and alleys committee petition of North Third street property owners to lower north end of the street so as to drain the street during wet seasons. Accepted the report of F. L. Williams, for J. L. Williams, on condition of city's books. Adopted a resolution transferring back to the grading fund from the general fund \$635, the amount that has been carried in the wrong fund for several months. Authorized the buildings and grounds committee to lease of the county the two rooms to the south of the council chamber, for the use of the mayor and chief of police for private offices. Deferred action on Councilman Harman's effort to install a watering trough at Sixth avenue and Linn street. Directed the street commissioner to use teams in filling in around the retaining walls of the new dam; directed the mayor to employ John Winebrenner and teams for two days to haul away rock from the new dam and place them as rip-rap on the north side. Instructed the clerk to notify Professor Lambert, of Iowa City, of the completion of the dam, and the mayor to notify the board of control. Instructed the mayor to close the contract with M. Bantshaf for the opening of a new alley near South street, the purchase of land entailing an expenditure of \$15,000.

Wingold THE FINEST FLOUR IN THE WORLD. No better flour possible to produce and we know from actual tests that Wingold really is the finest flour in the world. We are going to keep on saying so until every housewife has proven it for herself. Put it to the test--compare it with any other flour. It's easy to bake with Wingold Flour.
