**MAY REACH PHONE SETTLEMENT TODAY**

**CITIZENS' COMMITTEE SUBMITS PROPOSITION OF SETTLEMENT TO PRESIDENT MOORE.**

**MOORE WILL GIVE HIS ANSWER THIS AFTERNOON**

Report Will Go to Citizens' Committee Tonight, and Result of Conference Will Be Made Public at Mass Meeting at East Court Room—Two Clauses Fail to Meet Approval of President

The settlement of the telephone difficulties in Marshalltown may be arrived at today, when President Moore of the Marshall Telephone Company replies to a proposition submitted to him by a select committee of three, appointed by Mayor Ingledue from the citizens' committee in charge of the settlement of the telephone tangle, at 10:30 this morning.

A proposition drafted by the citizens' committee was carried to Mr. Moore by the select committee, consisting of N. A. Evans, chairman; George Herman, and C. H. Hull. The proposition was as follows:

"The Marshall Telephone Company, the committee of citizens and of the city council, in writing, have concluded to make the following propositions:

"First, The old ordinance as to rate to stand as to the rates therein contained.

"Second, The new ordinance is to be amended so that the rates shall be as follows: For a four-party line, \$1.25 a month; for an eight-party line, \$1 a month.

"Third, Extensions of service from one part of a building to another part of a building to be made at actual cost to be paid by user.

"Fourth, Wall and desk phones to be put in at user's choice and if desk phone costs more than wall the difference to be paid by user.

"N. A. EVANS, Chairman Citizens' Committee. C. H. HULL, Chairman City Council Committee. WILL INGLEDEUE, Mayor.

Mr. Moore discussed the proposition with the committee and consented to give a definite answer, as to whether he would accept or reject the plan as submitted, before 7:30 this evening, when the citizens' committee will meet in the council chamber to receive the report of the select committee.

A mass meeting was called for 8 o'clock in the east court room, when the citizens' committee will make its report to the public. Everyone is welcome to the mass meeting, and it is hoped to have a large representation of citizens at the meeting.

Moore Dislikes Two Clauses.

While it is not known what Mr. Moore's answer to the committee will be, it is certain that he is not in favor of accepting two of the clauses of the proposition.

In discussing the matter with the committee he practically turned down clauses 2 and 4. He seemed inclined to favor the second clause, providing for a rate of \$1.25 for service on four-party lines, and of \$1.00 for eight-party lines.

While an agreement may be reached, which will prove satisfactory to both sides as to the second and third clauses, there is nothing that the committee could give out to the public as to the first and most important clause.

Mass Meeting to Await Result.

The mass meeting will be held at 8 o'clock in order to give the committee time to receive its report. The citizens' committee is composed of T. E. Bradford, J. C. Meyers, F. L. Meeker, George Patton, and N. A. Evans, and Councilmen D. S. Good, George Herman, and C. H. Hull. Acting with this committee are Mayor Ingledue and City Supt. F. E. Northrup.

Mr. Moore has requested that all citizens interested in the settlement of the phone difficulties attend the mass meeting, which will be held in the east court room.

**MANY NEW SUITS FOR AUGUST TERM**

**LAST DAYS OF FILING FOR TERM BRINGS OUT NUMEROUS CASES.**

**TWO DAMAGE SUITS AGAINST LISCOMB FIRM**

**Meyers & Black Are Defendants in Two \$10,000 Damage Suits—Two Bring Suits Against John Plumb For Personal Injuries—Big Damages Asked in Two Slander Suits Filed Thursday.**

Today was the last day of filing for the August term of the district court, and during the day and Thursday many new cases were filed. Two suits were filed against Meyers & Black, of Liscomb, the first being brought by Stella Chinberg, in the name of her minor son, Ivan, aged 4 years, for \$10,000 damages, and the second by Leonard Chinberg, father of Ivan Chinberg, for damages in the same amount.

It is alleged in the petitions in these cases that Mrs. Chinberg and child visited the store of Meyers & Black, at Liscomb, on May 14, 1908, when the child was 2 years old, and while in the store the child obtained a poisonous liquid which it drank, causing it permanent injury to the stomach.

The liquid drunk by the child, the nature of which is not known to the plaintiff, except that it was poisonous, was carelessly left where it could be obtained by the child, is the allegation. The plaintiff asks damages of \$10,000 for personal injuries to the child.

The suit brought by the father, for the same sum, is brought for money expended in medical attention and for the care of the child during its minority, it being claimed that the injuries have been of such a nature as to unfit the boy for labor.

Plumb Sued For Damages.

Two suits were filed against John Plumb, by Frank W. Walkup in the name of his minor daughter, Vera Walkup, and by Cora A. Staves. Both suits are for \$2,000 damages for alleged personal injuries received by the plaintiffs on July 23, 1910, when the defendant, while driving an automobile near the corner of Fifth and Church streets, ran into and injured Mrs. Staves and Miss Walkup.

Sues of Slander.

C. L. Diefenbacher has brought suit against Edward Peters for damages in the sum of \$4,000, alleging that the defendant caused his arrest for assault and battery with the intent of injuring the plaintiff, and caused him to be tried on that charge in the justice courts, and that Peters also slandered him in a letter sent thru the United States mails to Diefenbacher's employer.

Another Slander Suit.

Another slander suit has been filed by Miss Amanda D. Jagau against Charles H. Phillips, in the sum of \$5,000, the plaintiff alleging in her petition that Phillips slandered her, injuring her character by false statements.
