

WHEAT AGAIN LOWER

BEARISH FOREIGN NEWS, LARGE RECEIPTS AND STOCK DEMAND, CAUSE DECLINE.

MARKET FELL OFF 1/4 MAY WEAKER THAN SEPTEMBER

Local Liquidation Kept Corn Pit Busy and Prices Sagged, Bears Being Jubilant Over Crop Assurance - Oats Weaker But Steadied - Provisions Advance on Limited Offerings.

Chicago, Aug. 20.—Bearish foreign news caused a decline in wheat today and the market fell off 1/4 to one cent. May delivery was weaker than September, scattered commission houses buying sparingly of the near by option. Large receipts of late and slackness in cash demand also worked against the bulls. September opened at 92 1/2 to 93 1/2, and rested on the low point. December opened at 1.03 1/2 to 1.03 3/4. Receipts in Chicago, Minneapolis and Duluth were 692 cars.

Bears kept control and prices declined sharply at the start. The close was weak with September 1 1/2 to 1 1/4 off, at 95 1/2 to 95 3/4. December closed 1/4 to 1 1/4 to 1 1/2 lower.

Corn. Liquidation by local houses kept the corn pit busy in the early trading and prices fell off from 1/2 to 3/4, then steadied near the opening point in the first hour. More rain in the corn belt delighted the bears and added to the uncertainty felt for a good crop. September opened at 61 to 61 1/2. December started at 59 to 59 1/2. Receipts were 156 cars.

There was pronounced weakness late in the session and corn closed weak with September 1 1/2 to 1 1/4 to 1 1/2 off at 60 1/2.

Oats in distant markets were weak at the start, and near by options, after a firm opening also sagged. The market kept within narrow limits, and steadied in the first hour from 3 1/2 to 3 1/4 off. September opened 3/4 up at 25 1/2 to 25 3/4. Receipts were 698 cars.

Provisions advanced from 5 to 1 1/2 on limited offerings and some demand by packing house interests.
