

## MORE CARS WANTED FOR FRIDAY'S TRIP

TEN AUTOS PROMISED FOR COUNTY FAIR ADVERTISING ARE ONLY HALF ENOUGH.

FULL REPRESENTATION WANTED ON EACH TRIP

A Merchant, Jobber, Manufacturer and Farmer Should Accompany Each of the Cars on Eight Different Routes —Start Scheduled for 8 O'clock From Center and Main.

The county fair boosters' automobile trip, scheduled for next Friday on eight different routes leading in all directions for a distance of thirty or more miles from the city, will attract a great deal of attention and result in much good advertising for the fair, providing the proper interest is taken in the promotion by the business men of Marshalltown.

Ten cars have been volunteered up to date, and this number is only about half of the number required. Ten or fifteen cars should be offered at once, so that at least two cars, and three if possible, can be sent over each route. Farmers who would like to make the trip, and who own cars, may make themselves known to Secretary R. W. Doolittle of the Marshalltown Club, or to E. D. Hamilton, at the Fair store, secretary of the committee.

Want Full Representation. The committee in charge of the county fair advertising feature is anxious that a full representation of business interests be made on each trip. It is planned to have as occupants of the cars one merchant of the city, one jobber, one manufacturer, and one farmer. All lines of business, and the rural communities as well, are interested in the success of the county fair, and all should work together in making this novel bit of advertising a success.

To Distribute Literature. Each car going out of the city will bear an abundance of advertising matter, dealing with the fair and its features, and the occupants of the cars will meet the business men and citizens of the different towns visited, telling them in person of the big attraction that is scheduled to be held in this city during the four days beginning Monday, Sept. 12.

Start Made at 8 O'clock. The automobiles that will make the trip will start from the corner of Center and Main streets at 8 o'clock. The different routes to be taken are as follows:

Route No. 1—Green Mountain, Gladbrook, Reinbeck, Morrison, Grundy Center, Beaman, and Conrad.  
Route No. 2—Whitten, Eldora, Gifford, Union, Liscoomb, and Albion.  
Route No. 3—Marquette, Albia, Broun, Elmora, St. Anthony, Zeeland, Illinois Grove, Bannock and Albion.  
Route No. 4—Lamelle, Rhodes, Baxter and Melbourne.

Route No. 5—Ferguson, Laurel, Havethill, Vancover, and Lura.  
Route No. 6—State Center, Colo, and Nevada.  
Route No. 7—Dillon, Pickering, Gilman, Newburg, Grinnell, and Danbar.  
Route No. 8—Quarry, LeGrand, Montour, Tama, Toledo, and Garwin.

SOUTH SIDE RESIDENT DEAD. Charles Bates, City Weighmaster, Passes Away After Short Illness.

Charles Bates, a well-known resident of the south side, and for several years city weighmaster, died at his home, the corner of Fifth avenue and South street, at 5:30 this morning of apoplexy, after an illness of but three or four days. Mr. Bates came from Dillon eight years ago, and during his residence in this city has made his home at the house where he died. He was a resident of Dillon for many years, where he was employed as a section foreman for the Iowa Central.

Mr. Bates was born at St. Johnsbury, Vt., April 12, 1849. His parents died when he was a child, and he was brought west at the age of 7 by Mr. and Mrs. Robert Gleichenstein, who reared him to manhood. Mr. Bates was married at Dillon to Miss Anna K. Baer.

Surviving Mr. Bates are his wife, two sons and one daughter. The children are Mrs. A. W. Dene, of Sterling, Ill., and P. H. and Clarence B. Bates, of this city.

The funeral will be held Friday morning at 10 o'clock from the residence, Rev. Jesse Cole conducting the services. Interment will be in the Rock Valley cemetery.

Licensed to Wed. Henry L. Thompson, farmer, aged 24, of Mt. Pleasant, Ill., and Gertrude E. Readout, aged 19, of this city.

Isaac L. Hughes, barber, aged 24, and Anna C. Johnson, aged 22, both of this city.

## MURDER CASE PROBE CAUSES BIG INTEREST

GRAND JURY INVESTIGATION OF HARDY TRIPLE MURDER STIRS VANCLEVE.

PUBLIC SALE OF HARDY EFFECTS OF INTEREST

Relic Seekers Likely to Bid High For Effects of Murdered Man and His Family. Regardless of Actual Value of Property, in Order to Possess Something Belonging to the Victims.

According to information received by the Times-Republican from Vanclave the absorbing topic of conversation in that neighborhood, where, prior to June 5 lived James Hardy and family, is the approaching investigation of the grand jury of the dark and mysterious tragedy in which James Hardy, his wife, Lavina, and elder son Raymond were killed by an unknown assassin.

Interesting, too, are the plans for a public sale at the old Hardy homestead, which is set for Sept. 12, and at which time the personal effects of James Hardy will be sold by the administrator, L. J. Nason.

Will Seek Hardy Effects. It is said that prospects are good for the Hardy effects, selling unusually well, in view of the fact that they belonged to the murdered man and his family. The Hardy tragedy will be the talk of the Vanclave neighborhood for years to come. Fathers will tell the story to their sons. It will be repeated to the third and fourth generations, and handed down as the mystery of the neighborhood unless the grand jury should succeed in unraveling the case and laying its hand upon the murderer. Relic seekers will be present at the sale and it is predicted that fancy prices will be paid for some of the Hardy effects, regardless of their real value, just for the sake of acquiring something from the household where the triple murder was committed.

TRETTER IN GREAT FORM. Marshalltown Boy Pitching Great Ball For Quincy Team Again.

Lewis Tretter, the Marshalltown boy who has been a member of the pitching staff of the Quincy, Ill., Central Association baseball team this season, has again come into form, and is pitching great ball. Tretter has been considered by many the premier box artist of the association, but during the past two or three weeks has pitched but little on account of a reversal of form. Saturday, however, he went in against Hannibal, one of Quincy's closest opponents for the pennant, and displayed his oldtime form, defeating the Cannibals in a 3 to 2 battle, which went into extra innings.

Tretter allowed four hits, one of which was of a questionable nature. Hannibal scored twice in the first inning when the umpire allowed a Hannibal batter to take first on a caught fly, which he declared a hit, because the outfielder grabbed it near the ground, and the next batter luckily placed the ball over the fence in short left field. Thereafter Tretter was invincible and Hannibal could not hit him. Tretter won his own game in the tenth inning when he beat out an infield hit and scored a man from third. His other hit was a home run.

LACE CURTAINS.

On Sale Thursday, Friday and Saturday at Benedict & Brintnall's.

Your choice of fifty lace curtain samples for 19 cents each.  
Odd lace curtains and odd pairs, just half price.

All our \$10 curtains for \$9.25.  
Sale for Thursday, Friday and Saturday.

BENEDICT & BRINTNALL. DAY IS QUIET.

Few Arrests Made on Circus Day and Big Crowd is Unusually Orderly.

Circus day was an unusually quiet one from a police headquarters standpoint, and the few arrests made were sheriff's officers were on the alert all day, and several special police were on duty. The usual crowd of pickpockets and

fakirs following a big show were evidently not among those present, as there were no cases reported to the police of pickpockets operating, or skin games being conducted. The circus management is very careful about the following and hangerson of the big show, and are always ready to cooperate with the local police in protecting the public.

NEW DIRECTOR ARRIVES. R. J. Guyer, New Head of the Physical Work at Y. M. C. A., Here.

R. J. Guyer, the new director of physical work in the Railroad Y. M. C. A., arrived in the city this morning from a visit in South Dakota. Mr. Guyer will begin his new duties on Sept. 1.

One of the first duties of the new director will be the organization of an association football team. The organization of a team has been discussed in the association for several weeks and it is now believed that a team can be organized which will be a credit to the association and to the city. A number of old players have signified their willingness to join the team.

AT OLSON'S. A Fine Display of Fresh Fruits and Vegetables Always on Hand.

If you are looking for a new place to trade, give Olson a trial. Our greatest desire is to please our customers. We always keep our big window full of good things to eat, to say nothing of fancy goods in case and bottle.

We have some fancy Wealthy and Jonathan apples, home grown watermelons, orange melons and for Saturday will have our first barrel of Bartlett canning pears, also genuine Colorado Rockford canteloupes. Leave your order at OLSON'S, West End Grocer.

NEW THEATER OPENS. Busby Bros' House at Creston Will Open Thursday With "The Climax."

The new theater built at Creston, which is under the management of the Busby Bros., will be formally opened Thursday evening with "The Climax." The old theater, formerly under the management of Busby Bros., which was known as the Temple Grand, was destroyed by fire about a year ago, and a new house has been erected on the site of the old. The new theater is a much handsomer building and is modern in every respect. A. J. Busby, of Waterloo, will be in Creston to attend

the opening. Mr. Busby, who has been in the city on business, went to Oskaloosa this morning, where he will be present at the opening of the season at the Oskaloosa theater this evening. The opening attraction will be "The Red Mill."

DIVIDENDS BEGIN SEPT. 1. French & Turner Advise Purchasers for Preferred Stock to Close This Week.

The dividend payment dates for Lennox Furnace Company 7 per cent preferred stock are Sept. 1 and March 1, hence all stock sold and issued after Sept. 1 will have an accrued dividend accumulation to be paid for from that date. Persons who have been talking with us about purchasing

are requested to close by Thursday, if possible. Nearly half of the authorized issue has already been subscribed in two weeks' time.

FRENCH & TURNER. FRAUDS UPON THE PUBLIC

is what some physicians have called patent medicines, and it is undeniably true that some are frauds and some are even worse, because they are injurious. On the other hand, there are many patent medicines such as Lydia E. Pinkham's Vegetable Compound, and others, which are of real worth, and are recommended by physicians of recognized standing.

**IF** your feet are aching and tired. If you have callouses on the balls of your feet, come in we can help you. The most noticeable symptoms of a breaking arch are tired feet after a little walking or standing, inability to get up after sitting or in the morning, pains resembling rheumatism, either in the lower limbs or foot, soreness in heel, pains in the arch, ankles, knees and hips.

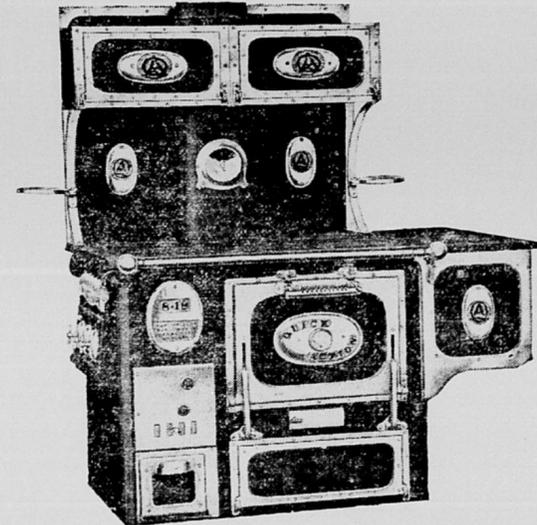

If you have any of these symptoms we can cure you.

Arch supports correctly fitted. **E. G. WALLACE** The Shoest

## Quick Action Steel Range--With Adjustable Grate--

It raises the fuel up to the top of the stove as easily as any gas flame, can be turned up--saves fuel and saves wear on the stove

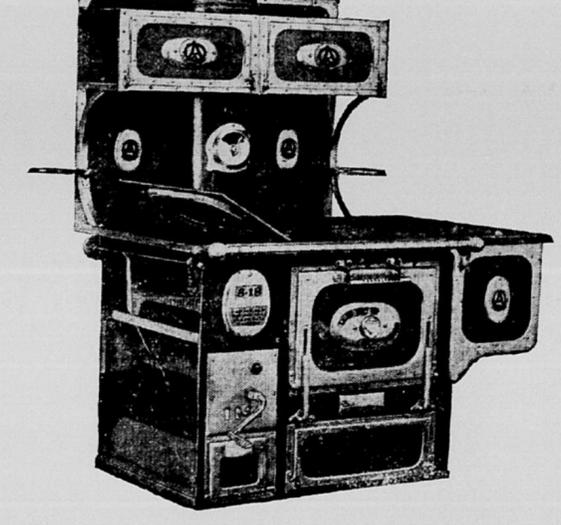

A strictly high grade steel range in every way with the adjustable grate feature added which no other steel range has. It gets a quick meal without burning needless fuel. It saves fuel by bringing the fire up to the top of the stove. It saves the life of the fire box by distributing the wear of intense heat at the fire line over different points of contact with the iron linings.

QUICK ACTION STEEL RANGES. As it stands in the kitchen. A high grade beautiful piece of furniture.

C. F. SCHMIDT, RETAIL AGENT FOR MARSHALLTOWN, WRITES:

LENNOX FURNACE CO. In taking the local agency for the Quick Action range I first assured myself that it was a success in every way before I was willing to put the reputation of my store behind it. I sent my stove salesman out to personally talk with the women in Marshalltown who had been using the first few sample Quick Action ranges put out. He returned thoroughly enthused for these women in Marshalltown all told him that they were exceedingly well pleased with the range. They were all of them using the adjustable grate feature in their everyday cooking and had found it a big success. One lady, keeping a boarding house, had found that on winter nights when she kept the fire over night she could use the same fuel for the breakfast meal by simply raising it to the top of the stove. Others spoke of noticing a decided saving in fuel because of the adjustable grate and all pronounced the range a perfect stove in baking. I was fully satisfied that I could afford to push the Quick Action as my leading line and I have the permission to refer customers to any one of the women who have been using the Quick Action range in this city. C. F. SCHMIDT.

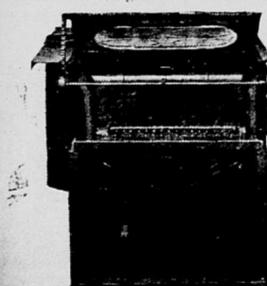

QUICK ACTION STEEL RANGES. With end removed to show the adjustable grate in action.

This Range is the result of two years experimentation by the LENNOX FURNACE COMPANY and has been tested out with thorough success. It is made strictly high grade by the firm which has built Lennox Torrid Zone Furnaces and sent them into almost every state in the union.

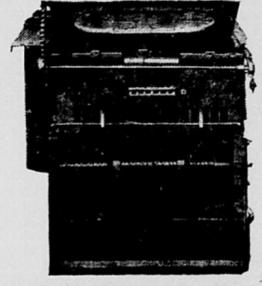

C. F. SCHMIDT--Dealer--Marshalltown, Iowa. MANUFACTURED BY THE

# Lennox Furnace Company

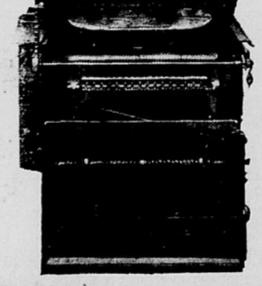

Grate lowered for deep fire box.
