SPECIAL TRAIN TO CARRY IOWA DELEGATION TO G. A. R. ENCAMPMENT. WILL GO TO ATLANTIC CITY ON FAST SCHEDULE

Full Representation of Post Commanders and Accredited Delegates—Iowa's Vote For Department Commander to Be Given to John McElroy, Editor of National Tribune.

Special to Times-Republican. Des Moines, Sept. 15.—The special Iowa train over the Pennsylvania road, which leaves Chicago next Saturday night to carry the Iowa veterans to Atlantic City to attend the thirty-sixth annual encampment of the G. A. R., will probably have aboard 200 Iowa men and women. Reservations have been made for whole cars and the party will go thru on fast schedule so as to arrive in Atlantic City at a good hour on Sunday. The Iowa veterans and their wives and friends will go by various routes into Chicago. Department Commander H. A. Dyer, who heads the Iowa delegation, will go direct from Mason City with the delegates from northern Iowa points. The senior vice commander, B. C. Ward, a resident of Des Moines, will lead the delegation from the southern part of the state, which will go over the Rock Island. The junior vice commander, Editor J. M. Briggs of Anita, will not go, on account of illness of his wife.

Members of the council of administration, the past commanders and the delegates and alternates will nearly all attend the encampment, as it is known that Atlantic City is a delightful place for such a gathering and all are anxious to go. Iowa has a large delegation and vote in the national encampment. There are twenty-two of the delegates, and there will probably be not more than three who do not attend, and their places in the meeting will be taken by alternates. There are also twenty-one past department commanders, each of whom has a vote in the meeting if present. The department officials also vote in the meeting.

The council of administration includes S. W. Rathbun, Marion; G. M. Bronson, New Hartford; A. M. Adams, Humboldt; L. M. Black, Ireton; A. L. Ogg, Indianapolis. Gen. Dodge, who has been a delegate-at-large to two or three of the encampments, is again a delegate-at-large. The alternate-at-large is John Herriott. The other delegates and alternates are:

Delegates—S. H. Johnston, Keokuk; O. E. Stuart, Burlington; J. A. Carson, Maquoketa; D. G. Butterfield, DeWitt; William Blades, Dubuque; E. A. Snyder, Cedar Falls; H. H. Bailey, New Hampton; W. C. Tompkins, Clear Lake; G. W. Davis, Lisbon; R. P. Fitzgerald, Garwin; J. F. McNeill, Oskaloosa; Milo Ward, Des Moines; J. B. Anderson, Winterset; J. W. Stratton, Creston; G. W. Sheeks, Moravia; L. B. Cousins, Council Bluffs; James Gowdy, Stuart; S. C. Spear, Algonquin; C. W. Cressler, Scranton; J. S. Padden, Spencer; A. A. Alline, LeMars.

Alternates—J. J. Kellogg, Washington; N. Williams, Fairfield; E. Parke, Davenport; J. L. Hendershot, Marengo; J. L. Camp, LaPorte; S. N. Hinman, Belmond; A. J. Cratsenberg, Corah; Albert Little, Strawberry Point; John Bowling, Stanwood; L. W. Robbins, Marshalltown; W. R. Cowan, Oskaloosa; J. W. LaSalle, Des Moines; C. E. Haverly, Ames; G. W. Young, Clarinda; N. E. Harper, Osceola; R. M. Roberts, Red Oak; J. Q. McPherrin, Oakland; S. W. Smith, Emmetsburg; T. A. Rossing, Humboldt; T. J. Tupper, Rock Rapids; R. B. Wood, Cherokee.

The major part of the Iowa vote in the encampment will probably go to John McElroy, editor of the National Tribune, Washington, for department commander; the other candidate being Harrison Gilman of Massachusetts. In Harrison county was raised at Magnolia, the movement is looked upon with favor by many.

LEAVES FOR PHILIPPINES. Hon. M. D. O'Connell and Wife Will Also Tour Europe. Special to Times-Republican. Des Moines, Sept. 15.—Hon. M. D. O'Connell, who is retiring as solicitor of the treasury department at Washington, and his wife have been visiting at the home of Ex-Governor Conner and wife. They departed yesterday for the Philippine Islands, where they will visit their son-in-law and daughter, Colonel and Mrs. Condon. After spending the winter in the Philippines they return home by way of the Suez canal and will tour Europe.

On return to this country, the O'Connells will take up their residence in Washington City.

SHALL THE COUNTY PURCHASE? Voters of Story Will Vote Again on Buying Fair Grounds. Special to Times-Republican. Nevada, Sept. 15.—For the second time the voters of Story county are to have the opportunity of expressing themselves upon the question of the county purchasing the fair grounds located near this city. The agricultural society of Story county is in a state of financial embarrassment and the fine thirty-acre tract which is located within the city limits, is covered by a mortgage which amounts in all to about \$8,000. Foreclosure proceedings have been started and unless

something is done soon the matter will proceed and the property will be sacrificed. A couple of years ago the proposition was put before the people at a special election and was defeated. This time it will go before the voters at the general election, providing a petition which was filed with the board of supervisors a few days ago, is acted upon favorably.

ODD FELLOWS AT WOODBINE Have An Enjoyable Convention—Addressed by J. S. Green. Special to Times-Republican. Logan, Sept. 15.—Those in attendance at the L. O. O. F. Harrison county convention held at Woodbine yesterday and evening are most complimentary in their remarks concerning the address of J. S. Green, of Marshalltown, on Odd Fellowship.

In the absence of the Little Sioux team, Woodbine exemplified the first degree. Refreshments were served after the address of J. S. Green, and toasts by Rev. Mr. Cabal, Prof. H. A. Kinney, G. W. Atkins and Mrs. S. L. Jefferson.

MISS MARTHA KRUGER FOUND. Girl Who Disappeared Ten Days Ago, Located in Milwaukee. Special to Times-Republican. Iowa City, Sept. 15.—A message from Mrs. Joseph Woltschke, who went to Milwaukee to hunt for her missing 15-year-old sister, Miss Martha Kruger, states that she has found her at the home of a step-father. The girl offered no explanation of her mysterious disappearance, and the inability of her people to find her during a period of nearly ten days.

DELAYED LITIGATION. The Cases Against Alleged Bank Checkers Postponed. Special to Times-Republican. Des Moines, Sept. 15.—The cases against H. S. Green and his cashier, Booth, who are charged with wrecking the Dow City bank some six years ago, have been continued until the November term of court. The defendants asked a continuance and the state did not resist the motion.

Sidney. An indictment has been brought Mrs. Athertina Dowell for assault with intent to commit murder. On August 19 at Hamburg, J. T. Nance was attacked during the night and was badly cut and slashed about the head and face. He accused the above woman, who was his housekeeper and his niece. She has been in the county jail since the day following the affair.

Des Moines. There are 2,070 pupils in the three high schools of Des Moines. Of this number West Des Moines High school has 1,011 pupils. Because of the enormous classes in the three high schools, the facilities have been found to be inadequate to the needs and new teachers will have to be selected to complete facilities at the meeting of the board on next Tuesday evening.

Shenandoah. The new Catholic church of this city will be formally opened on next Sunday when the Rev. Father Isidore, of the Passionist Order of Chicago, will preach at 10 a. m. and 8 p. m. The services by Father Isidore will last two weeks.

Des Moines. Police Chief George Yeager sent a letter by Policeman Harding to J. W. Hellwick, manager of the Auditorium theater on Fourth street, demanding the closing or the expurgation of the burlesque show, "The Moulin Rouge," under penalty of arrest of both manager and actors for non-compliance. Chief Yeager informed Mr. Hellwick that the show is vulgar and parts of it obscene and unfit for the public view.

Defiance. Wednesday night, just before dark little Eunice Luford was returning home from delivering milk when she was knocked down and her arm run over by a bicycle rider. Her left arm was fractured in two places. She was taken to Harlan to have it examined by X-ray before setting it. It is not known who was the cause of the accident, as it happened so quickly the child did not recognize him and he did not stop to see whether she was hurt or not.

Shenandoah. The farmers of Walnut township are sure doing themselves proud as road builders. They are now putting in two new cement bridges. The one at the corner of the Pease hill will be forty feet long and high enough to take care of all the water, and to build it requires 350 sacks of cement and a car of gravel besides the sand. The other culvert is also a large one and will be the one at the Edwards corner. Walnut township will have three of the best bridges anywhere around.

Sidney. John A. Coleman, of Farragut, who is here for a short time at the homes of his sons, relates that it was just 45 years ago to a day that he had his first glimpse of Fremont county. Coleman had come across a country from Indiana to Glenwood, there he formed the acquaintance of Nelson Lathrop, now deceased, and the two came down thru Sidney and on to what is now Fisher township, where he bought his first quarter section in Fremont county, paying \$1 per acre. This same farm is a part of his large holdings on the east side and could be cashed for \$175 per acre any time he would be willing to say the word.

Essex. The citizens of Essex have secured a playground, having obtained a perpetual lease on four acres of ground just north of the mill, on the west side of the railroad, from E. E. Pendleton. They organized an athletic association, with shares of \$5 each, and in one evening they secured over 100 shares. Monday morning they began clearing away the grass and stubble and putting the ground in shape for a ball game that afternoon. It is proposed to put up a grand stand that will hold

How Anty Drudge Keeps Cool.

Mrs. Heatup—"Gracious, Anty, you look cool as a cucumber, and here am I dripping with perspiration. And I know you started your wash the same time I did." Anty Drudge—"Quite true, but I wash my clothes with Fels-Naptha soap. If you used Fels-Naptha, your clothes would be washed in half the time. Besides, I didn't have to do any back-breaking rubbing over a steaming wash. I used Fels-Naptha soap the Fels-Naptha way. Why don't you?"

More white things are worn in the summer—lawns, flannels, muslins and so forth. That means more washing. Likewise more hard work—unless Fels-Naptha soap is used.

Fels-Naptha simplifies summer washing and does it more satisfactorily. No hot fire is needed. That means a good deal when the thermometer is 90 in the shade.

Fels-Naptha does the washing thoroughly in cold or lukewarm water. Cold or lukewarm water saves the clothes. Boiling and hot water weaken clothes so they tear easily.

Fels-Naptha will not harm the most delicate fabric. Neither will it injure light-colored things which could not be washed safely with other soaps or in hot water.

The advantage of using Fels-Naptha soap is the Fels-Naptha way of washing. Don't cook your clothes. Use Fels-Naptha. It does the work better in cold or lukewarm water.

Follow directions on the red and green wrapper.

Woman's Power Over Man

Woman's most glorious endowment is the power to awaken and hold the pure and honest love of a worthy man. When she loses it and still loves on, so one in the wide world can know the heart aches she endures. The woman who suffers from weakness and derangement of her special womanly organism soon loses the power to sway the heart of a man. Her general health suffers and she loses her good looks, her attractiveness, her amiability and her power to win the love of a man. Dr. R. V. Pierce, of Buffalo, N. Y., with the assistance of his staff of able physicians, has prescribed for and cured many thousands of women. He has devised a successful remedy for women's ailments. It is known as Dr. Pierce's Favorite Prescription. It is a positive specific for the weaknesses and disorders peculiar to women. It purifies, regulates, strengthens and builds. Medicine dealers sell it. No honest dealer will advise you to accept a substitute in order to make a little larger profit. IT MAKES WEAK WOMEN STRONG, SICK WOMEN WELL. Dr. Pierce's Pleasant Pellets regulate and strengthen Stomach, Liver and Bowels.
