HOLDS "COUNTY FAIR"

Miss Bernice Storms Entertains Sunday School Class in Unique Way.

The Legati Regis Baptist Sunday school class of girls taught by Miss Alice Lincoln, and a few other invited guests, were entertained last evening at a decidedly unique affair Wednesday evening given by Miss Bernice Storms, at her home, 210 North Fourth avenue. The idea of a county fair was carried out very successfully. The invitations were in the form of hand bills accompanied by folders giving the program of events and the premium list for entries in the different departments. A ticket office was erected in the front yard and tickets were issued to the guests by Harry Detrick, little nephew of the hostess. They were taken up at a turnstile by little Mildred Detrick.

The house was appropriately decorated with masses of cut flowers, and fruit and vegetables. In the dining room, a long table was filled with beautiful fruit and vegetables of every description. In a corner of the room was a pop corn booth and near it a lemonade stand, and the cries from the small vendors were very realistic. On the back porch was a poultry exhibit which would have done credit to a real county fair. A big Rhode Island Red rooster, weighing ten pounds, easily carried off first prize. The general exhibit, to which the guest helped contribute, was placed in the library. School work and fancy work of all descriptions filled the walls and tables. A beautiful silk quilt belonging to Mrs. Detrick was the prize winner in fancy work. Some of the articles were in the nature of jokes, and afforded much merriment.

The evening was spent in amusement suitable to a fair. There were a shooting gallery, merry-go-round, and moving picture shows, guessing contests and other games. Appropriate refreshments of buns, watermelon, doughnuts, coffee and watermelon, were served at a lunch counter in the kitchen. The success of the affair was due to the skill and ingenuity of the hostess and her family, and the fitness of more present enjoyed an unusual and delightful evening.

A MOTHER'S GRATITUDE.

Many a Mother in Marshalltown Will Appreciate the Following.

Many a strong man and many a healthy woman has much for which to thank mother. The care taken during their childhood brought them past the danger point and made them healthy men and women. Children are generally bothered at some period with looseness of urine, and inability to retain it is oftentimes called a habit. It is not the children's fault—the difficulty lies with the kidneys, and can be readily righted if taken in the proper way. A Marshalltown mother shows you how.

Mrs. Charles A. Kollen, 304 North Fifth street, Marshalltown, Iowa, says: "I have taken Doan's Kidney Pills and have also given them to my children with the most satisfactory results. In 1888 I told in a public statement how greatly Doan's Kidney Pills had benefited us and during the time that has since passed, my opinion of this remedy has not changed. We have tested Doan's Kidney Pills more than once, getting them at the McBride & Will Drug Company and as they have always proven beneficial our confidence in their curative powers has increased."

For sale by all dealers. Price 50 cents. Foster-Milburn Company, Buffalo, New York, sole agents for the United States.

Remember the name—Doan's—and take no other.

Percival Webster, who recently bought the M. E. Andrews home, corner of Ninth and Main streets, has sold his residence at 411 East Linn street to Myron F. Woolsey for \$3,200. Mr. Webster will give possession Oct. 10. In the meantime he is having improvements made on his new home, which the family will take possession of as soon as they vacate the Linn street property.

When Merit Wins.

When the medicine you take cures your disease, tones up your system and makes you feel better, stronger and more vigorous than before. That is what Foley Kidney Pills do for you. In all cases of backache, headache, nervousness, loss of appetite, sleeplessness and general weakness that is caused by any disorder of the kidneys or bladder, McBride & Will Drug Company.

Local Weather Record.

Eighty-three and 52 were the extremes in temperature Wednesday, compared with 80 and 51 for Tuesday. At 7 o'clock this morning the temperature was 55, the same as yesterday morning at the same hour.

In The District Court.

The case of Elmer Mettlin versus Gertrude M. Wilson was concluded in the district court this morning, and went to the jury early this afternoon.

Physicians Are Naturally Prejudiced

against proprietary or advertised medicines as the sale of these remedies decreases their incomes.

However, this may be the general public is benefited by the use of such standard medicines as Lydia E. Pinkham's Vegetable Compound, with its wonderful record of thousands of cures among suffering women. We are very glad to say, however, that there are hundreds of honest physicians in the United States who do not hesitate to recommend such medicines.
