RUNAWAY GIRLS CAUGHT

Ethel Castell and Rachel Rust, Who Left Home Wednesday Night, Are Brought Back This Morning—Sought Work North of City—Spent First Night in the Woods.

Two little 13-year-old girls, Ethel Castell and Rachel Rust, who ran away from home Wednesday night to fight the battle of life for themselves, were taken up by Deputy Marshal M. Clark this forenoon on East Church street, near Third avenue. When taken into custody the girls were thoroughly drenched with rain and their clothing was covered with mud. They were taken to the annex of the county jail, where they are being held until Dr. Liebig returns from Des Moines to take up the case.

The Rust girl claims as her reason for leaving home, that she was ill-treated by her step-father, Alvin Smith. Her father and mother are both dead, and since the death of the latter she has resided with her step-father. The family moved here last month from Brooklyn.

The Castell girl is the daughter of Mr. and Mrs. A. Castell. The only reason that she can give for leaving home is that she desired to accompany the Rust girl, who was afraid to go alone.

The girls left home Wednesday evening and, according to their story, slept near Riverview park, in the timber. Yesterday they walked farther into the country, toward the northeast, looking for work. Last night they stayed at the home of a family named White. They sought work at the White home and the family took them in for the night.

This morning Mr. White brought the girls to the city and while he went to investigate the case he left them in the Stuffer feed barn.

The girls suspecting that he had gone to make inquiries and started out again. The police were notified and they were discovered in the south part of town. They saw the patrol coming and took to the alleys in an effort to get away. They were overtaken near the corner of Third avenue and Church street.

The girls said this afternoon that they had seen enough of the world and were willing to return home. The Rust girl claims she was not allowed to enter school here until her step-father had decided to make his residence here permanent. The parents were notified this afternoon.

The family came to this city in the spring of 1902, and later Mr. Alexander went to Wisconsin. On Nov. 17, 1904, he married Mrs. Mary Jingles, at Watertown, Wis., who also survives him.

He also leaves one sister, Mrs. Mary Story, widow, of Wellsville, Ohio; and two brothers, Dr. R. C. and Theodore Alexander, both of Wyandotte, Ohio.
