

ELECTION BOARDS FALL DOWN ON JOB

TWENTY-FOUR FAIL TO PROPERLY CERTIFY TO VOTE IN POLL BOOKS.

SUPERVISORS SUMMON PRECINCTS BOARDS

Poll Books Will Have to Be Properly Signed Before Supervisors Can Make Official Returns to State Auditor—Only Four of the Precinct Officials Did So.

Because the officials, who served at most of the precincts at the recent election, failed to certify to the count of the votes, comprising the official returns in the poll books, more than 100 of these officials from all parts of the county will have to make a hurlyburly to the supervisors' office to certify to the returns.

That they will have to act speedily is indicated by the fact that the board of supervisors has until up to and including Friday to get the official returns of the election to the state auditor's office.

Does Not Invalidate Election. The failure of the boards to properly sign the election returns does not necessarily invalidate the election, but if the poll books were canvassed and closed without the signatures being signed there would be room for any candidate to raise a serious question.

Judge C. B. Bradshaw, who was consulted by the supervisors on the point in question, expressed himself as not willing to take the chances of not having the officials sign the returns.

Twenty-Four Fall Down. Of the twenty-eight election boards of the county, only four signed the returns properly, the other twenty-four were left unsigned. Included in this number, who did not sign were all of the city precinct boards of officials, excepting the one that served in the Fourth ward.

The caption over the blank spaces left for the signatures is headed "A True Return." It follows immediately after the several pages in which the officials filled in the names of the candidates and the total vote each received. The caption is on the page opposite the last one containing the list of candidates and the vote they received. It is a part of that page and the others used for the same purpose.

Undoubtedly the error was due to the election officials thinking that the signature under the word "A True Return" was a part of the return, and that the certification of the excess ballots cast over and above the number of voters in the precinct. The caption, "A True Return," however, was separated by what followed by a dash.

Summons Sent to Members. Notices were got out at once and sent to election officials notifying them to come at once and sign the books. Their coming will not delay the official canvass, which is being made.

Supervisors are hoping that all of them will get in to sign before Thursday night.

CHICKENS BURN IN FIRE. Blaze at S. T. Parks Home Destroys Chicken House and Closes This Morning.

Fire shortly after 10 o'clock this morning destroyed the chicken house at the S. T. Parks home, 603 North Fourth street. Fifteen fowls, including five thoroughbred White Wyandottes, perished in the flames. The loss is estimated by Mr. Parks at about \$25. The origin of the blaze is unknown. The fire department was slow in getting to the scene owing to a mistake in sending the alarm. The alarm was sounded from box 224, First and North, where it should have read from box 27, Fourth and Jerome.

At 9:30 Monday night the department was called to the home of Miss Helen Brewer, a music teacher, 109 North First avenue, where Miss Helen Brewer had upset a lamp. The carpet caught on fire, and the woodwork of the room was scorched. The damage was very slight.

A still alarm Monday afternoon took the central station crew across the street to extinguish a blaze in the roof of the B. F. Cummings barn. A man named Crum, who lives in the barn, had run a stove up thru the roof. The pipe became overheated and ignited the roof. The loss was small.

YOUNG MAN GOES INSANE. Henry Morgeson, Telegraph Operator, Taken to Insane Asylum.

Henry J. Morgeson, aged 21, a telegraph operator, and son of Mrs. Mary Morgeson, 411 Union street, was adjudged insane this morning in the first case heard by the new commission.

Young Morgeson was born in Iowa about town as a boy, and for several years was employed at the postoffice as a special delivery messenger. He was also employed as a lad in the telegraph companies as a messenger boy, and while in the offices learned telegraphy.

Last spring he worked for Lamson Bros. in this city, and for three months in the summer was at Galesburg, Ill. He returned here seven weeks ago, worked a month with Lamson Bros., and then went to Chicago, as an operator on the board of trade.

It was while at Chicago, that the young man's insanity first became apparent. He disappeared suddenly from Chicago, and was found wandering about at some point in Wisconsin. His mother was notified, and his sister, Mrs. Anna Delapp, went to Chicago ten days ago and brought her brother home. He has been growing worse gradually, and Mrs. Delapp filed the complaint before the commissioners Monday afternoon. Deputy Sheriff Nason took the young man to Independence this forenoon.

INVESTIGATING GARBAGE PLANT. Promoter Writes Mayor Ingledue About Local Franchise.

Mayor Ingledue is in receipt of a letter from a man who wishes to promote a garbage disposal plant here.

and wants a franchise. The original proposition was for a crematory for dead animals, but the mayor replied that no proposition would be considered unless the promoter would guarantee to dispose of all garbage in the city. The communication will be brought before the council at the next meeting.

City Physician Conway was instructed by the board of health to investigate slaughter houses which, it was claimed, were in an unsanitary condition.

FEDERAL COURT INTERFERES. District Court Adjourning Because Attorneys Go to Des Moines.

Because so many of the local attorneys, who had business in the district court, were compelled to be in Des Moines today and Thursday, Judge Bradshaw adjourned the local court at noon today until Friday morning.

The case of the Marshalltown Light, Power & Railway Company vs. the city, on the gas and electric light ordinance, was come up in the federal court shortly. The hearing will be on a demurrer filed by the company to the city's bill of discovery, which was included in its answer filed late in September.

This demurrer raises the point that the city has no rights in court.

SUES ON AUTO NOTE. First Case of Its Kind Brought in the Local Court.

Much has been said and more has been printed in the last year by bankers and others regarding the frequency with which notes have been given by farmers and others in payment for automobiles, but the first case to be filed in the district court, growing out of a transaction of this kind, was begun this morning in the Marshall Auto Company has brought suit against L. H. Alvested and J. H. Lugland, of Radcliffe, on a promissory note for \$2,212.94, dated Sept. 5, 1910, to run for sixty days. Part of the note has been paid, the balance on which judgment is sought being \$1,132.78, exclusive of interest and attorney fees.

MRS. NEWCOMB DEAD. Mother of Frank Newcomb Succumbs to Typhoid Pneumonia.

Mrs. Josephine E. Newcomb, aged 52, mother of Frank Newcomb, a switchman employed by the Iowa Central, died at her home, 508 South Second street, at 8:30 o'clock this morning, of typhoid pneumonia. Mrs. Newcomb had been sick Friday, but her system had been so weakened by asthma of long standing that she quickly succumbed.

Mrs. Newcomb's maiden name was Josephine Elizabeth Grover. She was born in Council Bluffs Jan. 15, 1858. She became the wife of Kenneth Newcomb, the wedding taking place in Fulton county, Ohio. Mr. and Mrs. New-

comb later moved to Conesville, Muscatine county, where Mr. Newcomb died fourteen years ago. Mrs. Newcomb continued to live at Conesville until October, 1908, when she moved to this city.

In addition to the son, Frank, Mrs. Newcomb leaves another son, Charles W. Newcomb, who lives south of the city, and two daughters, Sarah, aged 17, and Mable, aged 11, who are at home. She also leaves one sister and three brothers. The latter are Mrs. Alice Munton, of Southeast City, Mo.; A. I. Grover, of Kansas City, Mo.; Bradley Grover, of Wauseon, O.; and George Grover, of Fairview, Mich. Arrangements for the funeral have not yet been made.

RARE MUSICAL TREAT. Mountain Ash Male Chorus Delights Audience at Central Church of Christ.

A concert that proved even more of a treat to music lovers than had been claimed for it, was given at the Central Church of Christ Monday evening, under the auspices of the Brotherhood of that church. The aggregation is known as the Mountain Ash Male Chorus, of Wales, of whom twenty appeared in the local concert, and is most ably directed by Glynndwr Richards. An audience much smaller than the merit of the entertainment deserved, made up for what was lacking in numbers by the enthusiasm of the applause.

A varied program was given, consisting of descriptive and other choruses, a duet, solo work, patriotic numbers, and two piano numbers by the talented accompanist. The program opened with a rousing descriptive chorus entitled, "The Destruction of Gaza." Other numbers which proved particularly popular were a baritone solo, a tenor solo appealingly indicative of Welsh patriotism, by Mr. Evans, a splendid bass solo by Godfrey Price, who responded to an encore with "Rocked in the Cradle of the Deep," the Tyrolean chorus, especially good as a descriptive number, the "Soldiers' Farewell," Gypsy laughing chorus and a Welch hymn, which figured prominently in the last revival in Wales. A vocal rendition of the beautiful "Blue Danube Waltz," by Strauss, and a new arrangement of the familiar song, "Old Black Joe," were much enjoyed. Splendid voices of wide range, and fine training combined to make the program a thoroughly delightful one. The program closed with "America," during the singing of which the audience stood.

Local Weather Record. Monday's maximum temperature was 37, nine degrees colder than Sunday. The lowest temperature during the night was 26, compared with 29 for the night before. At 7 o'clock this morning the temperature was 26, seven degrees warmer than at the same hour Monday morning.

Assign Note to Church. The city council Monday night, on a resolution by Mr. Gregory, authorized the assignment of John B. Simmons' note for \$3,000, in payment for the old city property on West Main street, to the First Baptist church, in part payment for the city's purchase of the old church property. The Simmons note is secured by a real estate mortgage, which is also to be transferred to the church.

INJUNCTION CASE SUBMITTED. Judge Bradshaw Will Decide Suit on Alleged Nuisance Soon.

The case brought by J. C. Williams and others against Sherman Weigand to secure a permanent injunction against him to force him to discontinue his horse breeding barn on East Main street, was submitted to Judge Bradshaw late Monday afternoon. Judge Bradshaw indicated this morning that he would decide the case late this week.

Mrs. Ellen Wahlberg was given judgment against the C. A. Bruhvald Lumber Company late Monday afternoon by which her homestead is relieved of a mechanic's lien secured by the company against her former husband, Gust Wahlberg, for material furnished for the house.

The divorce case brought by Joseph Pivets against Mrs. Anna Pivets was begun Monday afternoon and continued this morning, but was not submitted. The couple formerly lived at Lamelle.

FARMER IS ROBBED. Burglar Gets Into David Myers' Home and Carries Off \$77.

A burglar, even a trace of whose identity has not been found or is not known, opened a door and walked into the David Myers home, on the Charles & LaPlante farm, three miles north of the city, Sunday night, and walked out again with Mr. Myers' trousers, containing a valuable watch and \$77.53 in money. Monday morning the trousers were found rolled up near the yard gate. The watch was in them, but the money, which was in a pocket, was gone.

Mr. Myers has no idea when he was robbed. He said one of the boys of the family came home about 10:45, but when he came in he neglected to lock the door. Mr. Myers sleeps down stairs and the trousers were taken from his bedroom. The robbery was not reported to the sheriff's office.

Receive Lumber Bids. The city council Monday night opened bids on the city's lumber contract for the coming year. Kreutzer & Wagon are low bidders at \$1.75 over the A. B. list, of the universal price list of northern pine. There were two other bids. The bids were referred to the committee on ways, means and supplies, to report at the next meeting.

Local Weather Record. Monday's maximum temperature was 37, nine degrees colder than Sunday. The lowest temperature during the night was 26, compared with 29 for the night before. At 7 o'clock this morning the temperature was 26, seven degrees warmer than at the same hour Monday morning.
