

To Improve Color and Beauty of Hair

(Marion Harlow in Woman's Sphere.) To keep the hair free from signs of thinning and graying it is necessary to adopt some treatment that will act as a stimulating tonic and give the scalp and hair roots strength and vitality.

WAGE INCREASE FOR ELECTION BOARD

COUNCIL AUTHORIZES CLERK TO FILE BILL FOR TWENTY-FIVE CENTS AN HOUR.

TELEPHONE COMPANY MUST BEAR HALF THE EXPENSES

Believed That Judges and Clerks of Election Are Not Being Paid For the Time They Serve—Council Unanimous in Support of New Measure—Bill Will Be Allowed.

When a man patriotically lays aside his work and serves as a member of the election board for from two to four to forty hours, without sleep and with little time to eat, the members of the city council feel that he is entitled to more pay than he has heretofore been receiving.

Get Fifty Cents An Hour. The county has allowed the members of the election boards in the city 25 cents an hour. This was not deemed sufficient and the council passed a bill to add 25 cents more to this payment.

Telephone Company Shares Expense. The county has allowed the clerk of the election board in the city 25 cents an hour for each member of the board and an additional bill for one-half of the expense to the telephone company.

Mr. Good said there were men serving on the board whose time was worth at least 50 cents an hour. Good, he added, was hard to secure for this service and some men are needed for the work and some are needed for the work and some are needed for the work.

two hours, and several have stated that they would not again act on election boards for such a length of time for the price paid.

BID ON GARBAGE REMOVAL.

Springfield, Ill., Company Submits Proposition to City Council.

The city council received a bid for the removal of the city's garbage for the coming year from Wright & Sharp, of Springfield, Ill., at the meeting of the council Monday evening. This firm has been in communication with the mayor in regard to the garbage work, and has submitted the following rates for the work: Removal of garbage from residences, twice each week from April to October, and once each week from October to April, 75 cents per residence; removal of garbage from restaurants and hotels, \$1.50 per load; removal of ashes, \$1.50 per load; furnishing scavengered garbage cans, \$1.50 each; all dead animals will be removed from the city free of charge.

Y. M. C. A. FIVE IS BEATEN.

Leander-Clark Five Wins From Association Team 37 to 18.

The Y. M. C. A. basketball team met defeat Monday night in its return game with the Leander-Clark College team at Toledo. The latter team took revenge for the beating it received here a few weeks ago by winning by the score of 37 to 18. The local players believe their defeat was due, in part at least, to Lee Fetters being put out of the game for rough playing. They say that Fetters simply gave his opponent what the latter gave him, and that the Toledo man was at fault to start with. At any rate, the team from this city, while led by Fetters, was at least holding its own, but as soon as Fetters was taken out of the game the team went to pieces and Leander-Clark quickly secured and kept the lead. Sawyer was not in to take Fetters' place. The others who were in the local lineup were Max Smith, guard; Fred East, center; Floyd Pemberton and Horace Patton, forwards.

Assault Case Continued.

The case against Ben Poduska and Glen Menzies, who were arrested by Sergeant Goodale, were continued until Dec. 23 in Justice Millard's court Monday afternoon. Poduska is charged with assault and battery by Menzies and both are charged with carrying a pistol. Both pleaded not guilty and both gave bond for their appearance.

Card of Thanks.

We wish to thank our friends for their kindness and sympathy during the sickness and death of Milton, Mrs. P. A. Stern and family.

VIADUCT HEARING NOW SET FOR JAN. 9

NEW NOTICES PREPARED TO BE SERVED ON ROADS TODAY OR WEDNESDAY.

HEARING FIXED FOR JANUARY COUNCIL MEETING

Roads Summoned to Show Reasons Why Viaduct Over Third Avenue Crossings Should Not Be Built—City Allows Ample Time Before Date Set For Council Hearing.

The city council will take up the question of the proposed viaduct over the Northwestern and Iowa Central tracks on South Third avenue on Monday evening, Jan. 9. Notices, summoning the railroads to send representatives at that time to show cause why the viaduct should not be built, were prepared Monday.

It was expected that these notices would be signed by the mayor some time today, and that they would be served on the local agents of the two roads some time today or Wednesday.

Not desiring to make the same error in the time limit contained in the notice, as was done when the first notice was served, more than twenty days will intervene between the serving of these new notices and the date of the hearing.

Monday night was the original date set for the hearing, but owing to the notices not having been served in time to give the railroads twenty days' notice, as the law requires, the viaduct question did not come up in the city council Monday night.

ASK CITY TO PAY.

County Board Submits Bill For Lighting Court House Clock.

The county board of supervisors has submitted a bill to the city for one-half of the expense of maintaining and lighting the clock in the court house tower during the first ten months of 1909. The board claims a contract was entered into between the city and the county, whereby the city was to stand one-half of this expense, but the county has never received the pay. Members of the council could not recall such a contract and the matter, which was once referred to the judicial committee for investigation, was again referred back to that committee for settlement.

any committee for investigation, was again referred back to that committee for settlement.

The bill amounts to \$159.95, and of this amount \$100 is for lighting the clocks, \$50 for care of the clock, and the rest for carbons and zinc.

Gregory and McCarren have met with members of the board in regard to again lighting the clock and have been told that the present system of lighting is not satisfactory. City Electrician Schneider said that the clock has been lighted with forty-eight incandescent lights, arranged in series of six each. It was suggested that the four tower are lights be taken down and put in the clock tower, but Mr. Schneider thought this plan impractical, as this powerful light would have to be maintained even on bright moonlight nights. The matter was referred to the electric light committee with power to act.

For Rheumatism and Nervousness.

Body, brain and nerves all depend on electricity for health and strength. Galvanic electricity is best. Electropodes (galvanic electrodes) are positively unexcelled for

Nervousness

Electropodes eliminate excess uric acid and other impurities from the body. With these destroying agents removed, nature will maintain a strong, healthy and vigorous nervous system. Electropodes also stimulate the circulation, and aid each organ to perform its proper functions.

A lady writes from Texas: "Since wearing Electropodes, my circulation has improved—and I do not have cramping in my lower limbs as I did before." Why don't you try a pair of Electropodes at our risk?

Sold Under This Contract

The purchaser of Electropodes is granted the privilege of returning them within 30 days, and the purchase price (\$1.00) is to be refunded upon the following conditions: They are to be worn according to directions for at least 25 consecutive days, and then if not satisfactory, to be returned in original box.

Druggist's Signature. At druggists; or by mail, post-paid. If your druggist can not furnish Electropodes, send us \$1.00 and we will see that you are supplied immediately. State whether for man or woman. WESTERN ELECTROPODE CO. 249 Los Angeles St., Los Angeles, Cal.

P. A. Stern & Son Clothiers. Don't Wait Until the Last Day To Do Your Christmas Buying. Any of the following articles will make a satisfactory present for man or boy: Suit or Overcoat, Cap, Fur or Cloth, Suit Case or Grip, Dress Gloves or Mittens, Necktie, Hosiery, Handkerchief, Muffler, Umbrella, Jersey Sweater, Shirt, Hat, Etc. In fact we have a complete line of Men's Wearing Apparel too numerous to mention. P. A. Stern & Son Clothiers.
