The taking of life insurance is one thing which never should be postponed to a more convenient season, because there is nothing which is so uncertain as health, and nothing which is so certain as death. These thoughts should be seriously considered by those who, in the present enjoyment of good health, are procrastinating, and who may soon realize the fatal consequences of their delay and indifference. Many estates have shrunk 50 per cent for the want of ready cash which could have been provided for with the proceeds from life insurance. No better way can be found to protect such a loss. If you are interested call me up, phone 298, or advise me your age and occupation, and I will cheerfully furnish you full information that will interest you. H. E. Casner, 207 West Second, Equitable Life of Iowa, Marshalltown, Iowa.

PNEUMONIA FROM DAMP FEET. This Dread Disease Generally Caused by Damp Feet.

Most people are too careless about going from day to day with damp and wet feet. The results are colds, grip, rheumatism and finally pneumonia. Nine cases out of ten all this suffering and doctor bills could have been avoided by spending a few dollars for proper footwear. We are giving a big reduction on every shoe in the store. Better invest a few dollars at our clearance sale than to go with wet feet and pay doctor bills. Enough said.

WHAT CURES ECZEMA? We have had so many inquiries lately regarding Eczema and other skin diseases, that we are glad to make our answer public. After careful investigation we have found that a simple wash of Oil of Wintergreen, as compounded in D. D. D., can be relied upon. We would not make this statement to our patrons, friends and neighbors unless we were sure of it—and although there are many so-called Eczema remedies sold, we ourselves unhesitatingly recommend D. D. D. Prescription.

Because—We know that it gives instant relief to that torturing itch.

Because—D. D. D. starts the cure at the foundation of the trouble.

Because—it cleanses, soothes and heals the skin, clearing away pimples and blotches over night.

Because—it enables Nature to repair the ravages of disease.

Because—the records of ten years of the most serious cases show that D. D. D. is today recognized as the absolutely reliable Eczema Cure.

Drop into our store today, just to talk over the merits of this wonderful Prescription. We will also explain the value of D. D. D. as a household remedy.

WORTH THE PRICE. Ceresota Flour Never Fails to Bring Good Results.

Ceresota flour is no impoverished bargain counter flour, but it is the best bargain flour when the loaves are weighed and counted. That's why it's worth the price it brings. It is richest in gluten, retains its moisture longer and makes big, white delicious loaves. The first bag of Ceresota will convince you as much as a barrel. A trial will be enough. Ask your grocer or E. E. Benedict & Co.

FOR BEST RESULTS IN BAKING Use Only a Flour Like Ceresota Which is Good Always.

Ceresota flour is too high in quality to compete in price. It's too good to be wasted on bread and biscuits not demanding the very best baking results. Its greater economy is proven in the first loaf you bake.

Ask your grocer or E. E. Benedict & Co.

THE TRUE TEST. Tried in Marshalltown, It Has Stood the Test.

The hardest test is the test of time, and Doan's Kidney Pills have stood it well in Marshalltown. Kidney sufferers can hardly ask for stronger proof than the following:

Mrs. W. H. Lage, 408 South Fourth street, Marshalltown, Iowa, says: "For some time I suffered greatly from backache and a weakness of the kidneys. The kidney secretions were unnatural and plainly showed that my kidneys were at fault. Seeing Doan's Kidney Pills highly recommended, I had my husband get a supply for me at the McBride & Will Drug Company. The first few doses brought relief and continued use improved my condition in every way. I know that Doan's Kidney Pills are an effective kidney medicine and I am therefore pleased to recommend them." (Statement given Feb. 14, 1907).

RE-ENDORSEMENT. On Feb. 26, 1910, Mrs. Lage said: "I still recommend Doan's Kidney Pills and advise their use to everyone suffering from kidney complaints. They have permanently cured me and I am now enjoying good health. My former testimonial still holds good."
