And the reason is plain to all: PARISIAN SAGE does just what it is advertised to do. There is no reason whatever why any man or woman should fail to take advantage of the above generous offer. But one thing that has made PARISIAN SAGE so famous is its peculiar power to turn the harsh, unattractive hair that many women possess into luxuriant and radiant hair in a short time. Women of refinement the country over are using it and it never disappoints. Sold by leading dealers everywhere for 50 cents a large bottle. The girl with Auburn hair is on an every carton.
